and FCC-certified equipment) must notify the Commission upon completion of the transmitter modifications and shall certify compliance with all applicable transmission system requirements.

\( \text{\textit{1.} 47 CFR 74.796(b)(6) provides that operators who modify their existing transmitter by use of a manufacturer-provided modification kit must maintain with the station’s records for a period of not less than two years, and will make available to the Commission upon request, a description of the nature of the modifications, installation and test instructions, and other material provided by the manufacturer, the results of performance-tests and measurements on the modified transmitter, and copies of related correspondence with the Commission. In addition, digital LPTV and TV translator operators who custom modify their transmitter must maintain with the station’s records for a period of not less than two years, and will make available to the Commission upon request, a description of the modifications performed and performance tests, the results of performance-tests and measurements on the modified transmitter, and copies of related correspondence with the Commission.}

\( \text{\textit{k. Protection of Analog LPTV. In situations where protection of an existing analog LPTV or translator station without a frequency offset prevents acceptance of a proposed new or modified LPTV, TV translator, or Class A station, the Commission requires that the existing non-offset station install at its expense offset equipment and notify the Commission that it has done so, or, alternatively, negotiate an interference agreement with the new station and notify the Commission of that agreement.}

\( \text{\textit{1. 47 CFR 74.798 requires all stations in the low power television services to provide notice of their upcoming digital transition to their viewers.}}

\( \text{\textit{Nature and Extent of Confidentiality:} There is no need for confidentiality with this collection.}

\( \text{\textit{Needs and Uses:} The information gathered in this collection will be used to require broadcasters transitioning to a new station following the Incentive Auction, or going off the air as a result of a winning bid in the Incentive Auction, to notify their viewers of the date the station will terminate operations on its pre-Auction channel by running public service announcements, and allow these broadcasters to inform MVPDs of their relinquishment or change in channel. It requires channel sharing agreements enter into by television broadcast licensees to contain certain provisions regarding access to facilities, financial obligations and to define each party’s rights and responsibilities; the Commission will review each channel sharing agreement to ensure it complies with general rules and policies regarding license agreements. The provisions contained in this collection also require wireless licensees to notify low-power television and TV translator stations commence wireless operations and the likelihood of receiving harmful interference from the low power TV or TV translator station to such operations within the wireless licensee’s licensed geographic service area. Finally, it requires license relinquishment stations and channel sharing stations to comply with notification and cancellation procedures as they terminate operations on their pre-Auction channel.}

\( \text{\textit{ACTION:} Notice and request for comments.}

\( \text{\textit{SUMMARY:} As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission’s burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.}

\( \text{\textit{DATES:} Written PRA comments should be submitted on or before October 4, 2021. If you anticipate that you will be submitting comments but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.}

\( \text{\textit{ADDRESSES:} Direct all PRA comments to Cathy Williams, FCC. Via email to PRA@fcc.gov and to Cathy.Williams@fcc.gov.}

\( \text{\textit{FOR FURTHER INFORMATION CONTACT:} For additional information about the information collection, contact Cathy Williams at (202) 418–2918.}

FEDERAL COMMUNICATIONS COMMISSION

Federal Advisory Committee Act; Technological Advisory Council

AGENCY: Federal Communications Commission.

ACTION: Notice of charter re-establishment.

SUMMARY: The Federal Communications Commission (Commission) hereby announces that the charter of the Technological Advisory Council (hereinafter Committee) has been re-established pursuant to the Federal Advisory Committee Act (FACA) and in accordance with the Committee.

Federal Communications Commission (Commission) hereby announces that the charter of the Technological Advisory Council (hereinafter Committee) has been re-established pursuant to the Federal Advisory Committee Act (FACA) and in accordance with the Committee.

The Committee is organized under, and operates in accordance with, the provisions of the FACA. The Committee will be solely advisory in nature. Consistent with FACA and its requirements, each meeting of the Committee will be open to the public unless otherwise noticed. Records will be maintained of each meeting and made available for public inspection. All activities of the Committee will be conducted in an open, transparent, and accessible manner. The Committee shall terminate on September 7, 2023, or earlier upon the completion of its work.
