

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for POSCO will be equal to POSCO's weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent, and therefore *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the underlying investigation, but the producer is, then the cash deposit rate will be the rate established for the completed segment for the most recent POR for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 41.10 percent, the all-others rate established in the underlying investigation.¹³ These deposit requirements, when imposed, shall remain in effect until further notice.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that the producers/exporters subject to this administrative review made sales of subject merchandise at less than normal value (NV) during the period of review (POR) May 1, 2019, through April 30, 2020. Additionally, Commerce preliminarily determines that a company for which we initiated a review had no shipments during the POR. Interested parties are invited to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On July 10, 2020, based on timely requests for review in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty order on certain carbon and alloy steel cut-to-length

plate (CTL plate) from Italy.¹ This review covers ten producers and/or exporters of the subject merchandise. Commerce selected two companies, NLMK Verona SpA (NVR) and Officine Tecnosider s.r.l. (OTS), for individual examination. The producers and/or exporters not selected for individual examination are listed in the “Preliminary Results of the Review” section of this notice.

On July 21, 2020, Commerce tolled preliminary and final results deadlines in administrative reviews by 60 days, thereby extending the deadline for these results until April 1, 2021.² On March 10, 2021, Commerce extended the preliminary results of this review by 120 days, until July 30, 2021.³ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁴

Scope of the Order

The products covered by the order are certain carbon and alloy steel hot-rolled or forged flat plate products not in coils, whether or not painted, varnished, or coated with plastics or other non-metallic substances from Italy. Products subject to the order are currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) under item numbers: 7208.40.3030,

7208.40.3060, 7208.51.0030, 7208.51.0045, 7208.51.0060, 7208.52.0000, 7211.13.0000, 7211.14.0030, 7211.14.0045, 7225.40.1110, 7225.40.1180, 7225.40.3005, 7225.40.3050, 7226.20.0000, and 7226.91.5000. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to this scope is dispositive.⁵

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Export price and constructed export price are calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary

Decision Memorandum can be accessed directly at <https://enforcement.trade.gov/frn/>. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice.

Preliminary Determination of No Shipments

One company under review, Lyman Steel Company (Lyman), filed a statement reporting that it made no shipments of subject merchandise to the United States during the POR.⁶ We were able to confirm Lyman’s claim with U.S. Customs and Border Protection (CBP).⁷ Consequently, we preliminarily determine that Lyman had no shipments during the POR. Consistent with our practice, we find that it is not appropriate to preliminarily rescind the review with respect to this company, and we will instead complete the review for this company and issue appropriate instructions to CBP based on the final results of this review.⁸

Preliminary Results of the Review

We preliminarily determine that the following weighted-average dumping margins exist for the respondents for the period May 1, 2019, through April 30, 2020:

Exporters/producers	Weighted-average dumping margin (percent)
NLMK Verona SpA	1.21
Officine Tecnosider s.r.l	1.37
Arvedi Tubi Acciaio	1.31
C.M.T. Costruzioni Meccaniche di Tagliione Emilio & C. S.a.s	1.31
MAM s.r.l	1.31
O.ME.P SpA	1.31
Ofar SpA	1.31
Sesa SpA	1.31
Tim-Cop Doo Temerin	1.31

Rate for Non-Examined Companies

The Act and Commerce’s regulations do not address the establishment of a weighted-average dumping margin to be

applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally,

Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a less-than-fair-value investigation, for guidance when calculating the

weighted-average dumping margin for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding rates that are zero, *de minimis* (i.e., less than 0.5 percent), or determined entirely on the basis of facts available.

Consistent with section 735(c)(5)(A) of the Act, we determined the weighted-average dumping margin for each of the non-selected companies by using the weighted-average dumping margins calculated for NVR and OTS in this administrative review.

Disclosure and Public Comment

Commerce intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice.⁹ Interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice.¹⁰ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the time limit for filing case briefs.¹¹ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹² Case and rebuttal briefs should be filed using ACCESS.¹³

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via ACCESS within 30 days after the date of publication of this notice.¹⁴ Hearing requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined.¹⁵ Parties should confirm the date, time, and location of

the hearing two days before the scheduled date.

An electronically-filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information.¹⁶

Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless otherwise extended.¹⁷

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries.¹⁸

Pursuant to 19 CFR 351.212(b)(1), where the respondent reported the entered value of their U.S. sales, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where the respondent did not report entered value or reported amounts based on estimated sales data, we calculated the entered value in order to calculate the assessment rate. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the companies that were not selected for individual review, we will assign an assessment rate based on the average of the cash deposit rates calculated for NVR and OTS, excluding any rates that are zero, *de minimis*, or determined entirely based on adverse facts available. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Commerce's "automatic assessment" will apply to entries of subject merchandise during the POR produced

by companies included in the final results of this review for which the reviewed companies did not know that the merchandise they sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁹

Further, if we continue to find, in the final results, that Lyman had no shipments of subject merchandise during the POR, we will instruct CBP to liquidate any suspended entries that entered under their AD case number (i.e., at that exporter's rate) or at the all-others rate, if there is no rate for the intermediate company(ies) involved in the transaction.

Consistent with its recent notice,²⁰ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the exporters listed above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for companies not participating in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review or the original less-than-fair-

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Large Diameter Welded Pipe From Canada: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2018–2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is conducting an administrative review of the antidumping duty order on large diameter welded pipe (welded pipe) from Canada. The period of review (POR) is August 27, 2018, through April 30, 2020. The review covers forty-one producers or exporters of the subject merchandise. We preliminarily determine that sales of subject merchandise were made at prices below normal value (NV) during the POR. Interested parties are invited to comment on these preliminary results.

DATES: Applicable August 4, 2021.

FOR FURTHER INFORMATION CONTACT: Joseph Dowling, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone (202) 482-1646.

SUPPLEMENTARY INFORMATION:

Background

On May 2, 2019, Commerce published the antidumping duty order on welded pipe from Canada.¹ On July 10, 2020, in accordance with 19 CFR 351.221(c)(i), Commerce initiated an administrative review of the *Order*, covering 41 producers or exporters of the subject merchandise.² On August 5, 2020, we selected Evraz Inc. NA³ as the sole mandatory respondent for this administrative review.⁴ On July 22,

¹ See *Large Diameter Welded Pipe from Canada: Antidumping Duty Order*, 84 FR 18775 (May 2, 2019) (*Order*).

² See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 85 FR 41540 (July 10, 2020) (*Initiation Notice*).

³ In the underlying less-than-fair-value (LTFV) investigation, Commerce determined that Evraz Inc. NA, Evraz Inc. NA Canada, and the Canadian National Steel Corporation (collectively, Evraz) comprise a single entity. See *Large Diameter Welded Pipe from Canada: Antidumping Duty Order*, 84 FR 18775 (May 2, 2019) (*Order*). There is no information on this record of this review that requires reconsideration of this single entity determination.

Preliminary Determination of No Shipments

One producer and/or exporter under review, Canam (St Gedeon) (Canam), properly filed a certification reporting that it made no shipments of subject merchandise during the POR.⁸ We received no information from CBP that contradicted Canam's no-shipment

⁸ In the *Initiation Notice*, this company was listed as Canam (St Gedeon). However, in its certification of no shipments, it noted that Canam (St Gedeon) is a plant location and not its legal name. It also noted that it had recently undergone a corporate restructuring and is now named Canam Group Inc., which is the successor entity to Canam Group Inc. f/k/a Canam Buildings and Structures Inc.
