DEPARTMENT OF VETERANS AFFAIRS

Cost-Based and Inter-Agency Billing Rates for Medical Care or Services Provided by the Department of Veterans Affairs for Fiscal Year 2022

AGENCY: Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: This document updates the Cost-Based and Inter-Agency billing rates for medical care or services provided by the U.S. Department of Veterans Affairs (VA) furnished in certain circumstances.

DATES: The rates set forth herein are effective October 1, 2021.

FOR FURTHER INFORMATION CONTACT: Ms. Debra Vatthauer, Office of Community Care, Revenue Operations, Payer

Relations and Services, Rates and Charges (13RO1), Veterans Health Administration, Department of Veterans Affairs, 128 Bingham Road, Suite 1000, Asheville, NC 28806; telephone: 608-821-7346 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: VA's methodology for computing Cost-Based and Inter-Agency rates for medical care or services provided by VA is set forth in section 17.102(h) of title 38 Code of Federal Regulations (CFR). Two sets of rates are obtained by applying this methodology, Cost-Based and Inter-Agency.

Cost-Based rates apply to medical care and services that are provided by VA under 38 CFR 17.102(a), (b), (d) and (g), respectively, in the following circumstances:

- In error or based on tentative eligibility;
- In a medical emergency;
- To pensioners of allied nations; and
- For research purposes in circumstances under which the medical care appropriation shall be reimbursed from the research appropriation.

Inter-Agency rates apply to medical care and services that are provided by

VA under § 17.102(c) and (f), respectively, in the following circumstances when the care or services provided are not covered by any applicable sharing agreement in accordance with § 17.102(e):

- To beneficiaries of the Department of Defense or other Federal agencies; and
- To military retirees with chronic disability.

The calculations for the Cost-Based and Inter-Agency rates are the same with two exceptions. Inter-Agency rates are all-inclusive and are not broken down into three components (*i.e.*, Physician; Ancillary; and Nursing, Room and Board), and do not include standard fringe benefit costs that cover Government employee retirement, disability costs, and return on fixed assets.

The following table depicts the Cost-Based and Inter-Agency rates that are effective October 1, 2021 and will remain in effect until the next fiscal year **Federal Register** update.
