**SUPPLEMENTARY INFORMATION:**

**I. Background**

Congress enacted the *Not Invisible Act of 2019* (Act), Public Law 116–166, 134 Stat. 766 (2020), to increase intergovernmental coordination to identify and combat violent crime within Indian lands and against Indians. Section 4 of the Act requires that the Secretary of the Interior (Secretary), in coordination with the United States Attorney General, establish and appoint commission members (both Federal and non-Federal) to a Joint Commission on Reducing Violent Crime Against Indians (Commission) to develop recommendations on actions the Federal Government can take to identify, coordinate, and combat violent crime on Indian lands and against Indians.

There are many Federal programs tasked with addressing violent crime. However, the agencies that operate these programs do not have an overarching strategy to properly deploy these resources in Indian Country and urban Indian communities. Program implementation often takes place without considering the unique needs of Native communities in this context. The Act addresses these concerns by providing an opportunity for the Federal Government to improve its efforts to combat the growing crisis of murder, trafficking, and the disappearance of Indigenous men and women.

**II. Work of the Commission**

Section 4(c)(2)(A) of the Act requires the Commission to develop recommendations on actions the Federal Government can take to help combat violent crime and within Indian lands and of Indians, including recommendations for:

(i) Identifying, reporting, and responding to instances of missing persons, murder, and human trafficking on Indian lands and of Indians;

(ii) legislative and administrative changes necessary to use programs, properties, or other resources funded or operated by the DOI and Department of Justice to combat the crisis of missing or murdered Indians and human trafficking on Indian lands and of Indians;
