Recipients of funds made available through this NOFO are also required to regularly submit data to the National Transit Database. National Transit Database reports include total sources of revenue and complete expenditure reports for all public transportation operations, not just those funded by this project. Applicants partnering with a private operator should ensure that the private operator will meet all of the comprehensive reporting requirements of the National Transit Database.

As part of completing the annual certifications and assurances required of FTA grant recipients, a successful applicant must report on the suspension or debarment status of itself and its principals. If the award recipient's active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of an award made pursuant to this Notice, the recipient must comply with the Recipient Integrity and Performance Matters reporting requirements described in Appendix XII to 2 CFR part 200.
