

The website for the Trust, which will be publicly accessible at no charge, will contain the following information: (a) The current NAV per Share daily and the prior business day's NAV and the reported closing price; (b) the BZX Official Closing Price in relation to the NAV as of the time the NAV is calculated and a calculation of the premium or discount of such price against such NAV; (c) data in chart form displaying the frequency distribution of discounts and premiums of the Official Closing Price against the NAV, within appropriate ranges for each of the four previous calendar quarters (or for the life of the Trust, if shorter); (d) the prospectus; and (e) other applicable quantitative information. The Trust will also disseminate the Trust's holdings on a daily basis on the Trust's website. The price of bitcoin will be made available by one or more major market data vendors, updated at least every 15 seconds during Regular Trading Hours. Information about the Index, including key elements of how the Index is calculated, will be publicly available at <https://www.spglobal.com/spdji/en/indices/digital-assets/sp-bitcoin-index/>.

The NAV for the Trust will be calculated by the Administrator once a day and will be disseminated daily to all market participants at the same time. Quotation and last-sale information regarding the Shares will be disseminated through the facilities of the CTA.

Quotation and last sale information for bitcoin is widely disseminated through a variety of major market data vendors, including Bloomberg and Reuters, as well as the Index. Information relating to trading, including price and volume information, in bitcoin is available from major market data vendors and from the exchanges on which bitcoin are traded. Depth of book information is also available from bitcoin exchanges. The normal trading hours for bitcoin exchanges are 24 hours per day, 365 days per year.

For the above reasons, the Exchange believes that the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. The Exchange notes that the proposed rule change, rather will facilitate the listing and trading of an additional exchange-traded product that will enhance competition

among both market participants and listing venues, to the benefit of investors and the marketplace.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

A. By order approve or disapprove such proposed rule change, or

B. institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-CboeBZX-2021-051 on the subject line.

Paper Comments

- Send paper comments in triplicate to: Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090. All submissions should refer to File Number SR-CboeBZX-2021-051. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the

Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change. Persons submitting comments are cautioned that we do not redact or edit personal identifying information from comment submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-CboeBZX-2021-051 and should be submitted on or before August 27, 2021.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁸⁰

J. Matthew DeLesDernier,
Assistant Secretary.

Federal Aviation Administration

[FAA-2021-0012]

Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Reduced Vertical Separation Minimum

AGENCY: Federal Aviation Administration (FAA), Transportation (DOT).

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew information collection. The **Federal Register** Notice with a 60-day comment period soliciting

comments on the following collection of information was published on January 15, 2021. Aircraft Operators seeking specific operational approval to conduct Reduced Vertical Separation Minimum (RVSM) operations must submit application to the FAA for RVSM specific approval. Specific approval is required when aircraft operators intend to operate outside the United States (U.S.) or their aircraft are not equipped with Automatic Dependent Surveillance—Broadcast (ADS-B) Out. **DATES:** Written comments should be submitted by September 7, 2021. **ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: Madison Walton, (FAA), Flight Technologies and Procedures Division by email at: Madison.Walton@faa.gov; phone: 202-267-8850.

SUPPLEMENTARY INFORMATION:

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information.

OMB Control Number: 2120-0679.

Title: Reduced Vertical Separation

Minimum.

Form Numbers: N/A.

Type of Review: Renewal.

Background: The **Federal Register**

Notice with a 60-day comment period soliciting comments on the following collection of information was published on January 15, 2021 (86 FR 4172). The authority to collect data from aircraft operators seeking operational approval to conduct Reduced Vertical Separation Minimum (RVSM) operations is contained in Part 91, Section 91.180, as established by a final rule published in the **Federal Register** on October 27, 2003 (68 FR 61304) and in Part 91, Section 91.706, as established by a final rule published April 9, 1997 (62 FR 17487, Apr 9, 1997). Aircraft operators seeking specific operational approval to conduct RVSM operations outside the U.S. must submit their application to the responsible Flight Standards office.

The responsible Flight Standards office registers RVSM approved airframes in the FAA RVSM Approvals Database to track the approval status for operator airframes. Application information includes evidence of aircraft equipment and RVSM qualification information along with operational training and program elements.

Respondents: Operators are required to submit application for RVSM specific approval if they desire to operate in RVSM airspace outside the U.S. or if they do not meet the provisions of Title 14 of the Code of Federal Regulations (14 CFR), Part 91, Appendix G, Section 9—Aircraft Equipped with Automatic Dependent Surveillance—Broadcast Out. The FAA estimates processing 856 initial applications annually and 1,998 annual updates to existing approvals.

Frequency: An Operator must make application for initial specific approval to operate in RVSM airspace, or whenever requesting an update to an existing approval.

Estimated Average Burden per Response: 4.00 hours for updates to existing applications and 6.8 hours for application of initial approvals.

Estimated Total Annual Burden: 13,813 hours [(1,998 × 4.00) + (856 × 6.8)]

Issued in District of Columbia, on August 03, 2021.

Herbert Madison Walton, Jr.,

Aviation Safety Inspector, FAA Flight Technologies & Procedures Division.
