I. Background

The LTERO maintains title documents for land that the United States holds in trust or restricted status for individual Indians or Tribes (Indian land), roughly similar to how counties and other localities maintain title documents for fee land within their jurisdictions. Several Acts authorize BIA maintenance of these title records. See, e.g., 25 U.S.C. 5, 9; 64 Stat. 1262; 34 Stat. 137; 35 Stat. 312; and 38 Stat. 582, 598.

The LTERO has several physical offices throughout the country. These LTERO offices are the successors to the "title plants" that were established by regulation in 1965 to serve what were then BIA "area offices." See 30 FR 11676 (September 11, 1965). Updates to the regulations in 1981 defined the role of the LTERO and assigned each LTERO office a geographic service area, containing certain BIA area offices or Tribal reservations. See 46 FR 47537 (September 29, 1981), later redesignated at 47 FR 13327 (March 30, 1982).
