Second, the tariff record version numbers have been added to the table, so users can locate the specific version of the tariff record.

Third, the tariff record version table will default to listing the tariff record versions by effective date in ascending order. Also, the Column Headings for Effective Date, Superseded, Status, Change Type, Docket #, and Version can be sorted (toggling between ascending and descending) by clicking on the column heading on the tariff record version table. This will enable users to locate more easily the tariff record version for which they are looking.

For more information, contact the eTariff Advisory Staff at 202–502–6501 or etariffresponse@ferc.gov.
