file an OFA under 49 CFR 1152.27(c)(2), and interim rail use/rail banking requests under 49 CFR 1152.29 must be filed by August 26, 2021. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by September 7, 2021.

All pleadings, referring to Docket No. AB 122 (Sub-No. 2X), should be filed with the Surface Transportation Board via e-filing on the Board’s website. In addition, a copy of each pleading must be served on TRRA’s representative, Audrey L. Brodrick, Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 800, Chicago, IL 60606. If the verified notice contains false or misleading information, the exemption is void ab initio.

TRRA has filed a combined environmental and historic report that addresses the potential effects, if any, of the abandonment on the environment and historic resources. OEA will issue a Draft Environmental Assessment (Draft EA) by August 20, 2021. The Draft EA will be available to interested persons on the Board’s website, by writing to OEA, or by calling OEA at (202) 245–0294. Assistance for the hearing impaired is available through the Federal Relay Service at (800) 877–8339. Comments on environmental and historic preservation matters must be filed within 15 days after the Draft EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), TRRA shall file a notice of consumption with the Board to signify that it has exercised the authority granted and fully abandoned the Line. If consumption has not been effected by TRRA’s filing of a notice of consumption by August 16, 2022, and there are no legal or regulatory barriers to consumption, the authority to abandon will automatically expire. Board decisions and notices are available at www.stb.gov.

1. Approval of minutes of the May 6, 2021 Board Meeting
2. Report of the Finance, Rates, and Portfolio Committee
   A. FY 2022 Pandemic recovery credit
