SUPPLEMENTARY INFORMATION:

Title: Quarterly Readiness of Strategic Seaport Facilities Reporting.

OMB Control Number: 2133–0548.

Type of Request: Renewal of a Previously Approved Information Collection.

Background: Pursuant to E.O. 12656 and 49 CFR 1.81, the Maritime Administration (MARAD) issues, for emergency planning and preparedness purposes, a Port Readiness Plan (PRP) to each strategic commercial seaport (port) designated by the Commander, Military Surface Deployment and Distribution Command (SDDC). The PRP identifies specific facilities that DoD may need to support the deployment of Armed Forces of the United States or other emergency needs to promote the national defense. The collection of quarterly information is necessary to validate the ports’ ability to provide PRP-delineated facilities to the DOD within the PRP-delineated timeline.

Respondents: Strategic Commercial Seaports who have been designated by the Commander, SDDC and who have been issued a PRP by MARAD.

Affected Public: Strategic Commercial Seaports.

Total Estimated Number of Respondents: 17.

Frequency of Response: Quarterly.

Estimated Number of Responses: 4.

Estimated Time per Respondent: 1 Hour.

Total Estimated Number of Annual Burden Hours: 68.

Public Comments Invited: Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department’s estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

SUPPLEMENTARY INFORMATION:

Title: Procedures for Determining Vessel Services Categories for Purposes of the Cargo Preference Act.

OMB Control Number: 2133–0540.

Type of Request: Renewal of a Previously Approved Information Collection.

Background: The purpose is to provide information to be used in the designation of service categories of individual vessels for purposes of

compliance with the Cargo Preference Act under a Memorandum of Understanding entered into by the U.S. Department of Agriculture, U.S. Agency for International Development, and the Maritime Administration. MARAD will use the data submitted by vessel operators to create a list of Vessel Self-Designations and determine whether MARAD agrees or disagrees with a vessel owner’s designation of a vessel.

Respondents: Owners or operators of U.S.-registered vessels and foreign-registered vessels.

Affected Public: Business Owners for Profits.

Total Estimated Number of Responses: 200.

Frequency of Collection: Annually.

Estimated time per Respondent: .25.

Total Estimated Number of Annual Burden Hours: 50.

Public Comments Invited: Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department’s estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.
