[Docket Number FRA–2020–0059]

Petition for Waiver of Compliance

AAR, on behalf of itself and its member railroads, requests to extend certain temporary, conditional relief FRA previously granted by letter dated September 18, 2020, related to the coronavirus disease 2019 (COVID–19) public health emergency. See https://www.regulations.gov/document/FRA-2020-0059-0004.

In support of its petition, AAR notes that the FRA Administrator’s March 13, 2020, Declaration of Emergency Situation related to COVID–19 remains in effect. AAR also references statements from the U.S. Centers for Disease Control and Prevention (CDC) related to the B.1.617.2 (“Delta”) variant of COVID–19. Specifically, AAR notes that the CDC has reported data showing increased COVID–19 positive tests and hospitalizations. Furthermore, AAR notes that some railroads have recently begun reporting an increase in the number of positive COVID–19 employee tests and asserts that “the continuation of certain waivers is essential to the Railroads’ ability to continue to protect their workforce and their critical mission.” AAR requests that FRA extend the existing relief previously granted in FRA’s September 18, 2020, letter with the exception of the relief related to the operational testing requirements of 49 CFR 217.9 and related sections. AAR requests that FRA extend the existing relief for another 12 months, or three months after the FRA Administrator’s rescission of the existing COVID–19 Emergency Declaration, whichever is sooner.
