**SUPPLEMENTARY INFORMATION:**

**Request for Comments**

Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104-13), the Commission invites the general public and other Federal agencies to comment on proposed information collections. On April 29, 2021, the Commission published a notice and request for comments in the **Federal Register** (86 FR 22666) regarding the agency's request for continued approval from OMB for information collections as required by the Paperwork Reduction Act of 1995. The Commission received no comments on the request for extension of OMB clearance. The Commission has submitted the described information collection to OMB for approval.

**Information Collections Open for Comment**

*Title:* 46 CFR part 565—Controlled Carriers.

*OMB Approval Number:* 3072-0060 (Expires September 30, 2021).

*Abstract:* 46 U.S.C. 40701-40706 requires that the Commission monitor the practices of controlled carriers to ensure that they do not maintain rates or charges in their tariffs and service contracts that are below a level that is just and reasonable; nor establish, maintain or enforce unjust or unreasonable classifications, rules or regulations in those tariffs or service contracts which result or are likely to result in the carriage or handling of cargo at rates or charges that are below a just and reasonable level. 46 CFR part 565 establishes the method by which the Commission determines whether a

particular ocean common carrier is a controlled carrier subject to 46 U.S.C. 40701-40706. When a government acquires a controlling interest in an ocean common carrier, or when a controlled carrier newly enters a United States trade, the Commission's rules require that such a carrier notify the Commission of these events.

*Current Actions:* There are no changes to this information collection, and it is being submitted for extension purposes only.

*Type of Review:* Extension.

*Needs and Uses:* The Commission uses these notifications in order to effectively discharge its statutory duty to determine whether a particular ocean common carrier is a controlled carrier and therefore subject to the requirements of 46 U.S.C. 40701-40706.

*Frequency:* The submission of notifications from carriers is not assigned to a specific time frame by the Commission; they are submitted as circumstances warrant.

*Type of Respondents:* Ocean common carriers when a majority portion of the carrier becomes owned or controlled by a government, or when a controlled carrier newly begins operation in any United States trade.

*Number of Annual Respondents:* Based on filings over the past three years, the Commission estimates one respondent annually.

*Estimated Time per Response:* The estimated time for each notification is 2 hours.

*Total Annual Burden:* For purposes of calculating total annual burden, the Commission assumes one response annually. The Commission thus estimates the total annual burden to be 2 hours (1 response × 2 hours per response).

**DEPARTMENT OF HEALTH AND HUMAN SERVICES**

**Centers for Disease Control and Prevention**

**Notice of Award of a Single-Source Cooperative Agreement to Fund the Association of University Centers on Disability**

**AGENCY:** Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

**ACTION:** Notice.

**SUMMARY:** The Centers for Disease Control and Prevention (CDC), located within the Department of Health and Human Services (HHS) announces the award of approximately \$3,190,000 in coronavirus disease 2019 (COVID-19) funding in response to an unsolicited application that has been submitted by the Association of University Centers on Disability (AUCD) to address vaccine hesitancy among people with disabilities, their families and direct support professionals.

**DATES:** The period for this award will be September 30, 2021 through September 29, 2022.

**FOR FURTHER INFORMATION CONTACT:** Carlinda Nelson, National Center on Birth Defects and Developmental Disabilities, Centers for Disease Control and Prevention, 4770 Buford Highway, MS E-88, Atlanta, GA 30341, Telephone: 800-232-6348.

**SUPPLEMENTARY INFORMATION:** The single-source award will address vaccine hesitancy and accessibility among people with disabilities, their families, and direct support professionals who provide care for people with disabilities.

This award is being made non-competitively because there is no current, pending, or planned funding opportunity announcement under which this proposal could compete.

AUCD will be awarded a single-source cooperative agreement because of their specific experience and capacity to rapidly organize a national network of interdisciplinary disability partners as well as their leadership of a national disability preparedness initiative led by individuals with disabilities and disability subject matter experts.

AUCD leads the Prepared4ALL initiative and National Technical Assistance and Training Center on Disability Inclusion in Emergency Preparedness, which reaches a broad range of individuals with disabilities in states, cities and communities. This funding mechanism and partnership will support national disability and direct support professional organizations to address vaccination barriers and build vaccine confidence among people with disabilities and their caregivers who have not yet received a COVID-19 vaccine. AUCD is uniquely qualified to support this work because of their breadth of partnerships with disability organizations who have state-wide, disability and disability-serving networks as well as their already established connections to national, state, and local health authorities on development and implementation of strategies to improve vaccine access and
