Certain Softwood Lumber Products From Canada: Notice of Final Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On July 12, 2021, the Department of Commerce (Commerce) published the initiation and preliminary results of a changed circumstances review (CCR) of the antidumping duty (AD) order on certain softwood lumber products from Canada. For these final results, Commerce continues to find that CHAP Alliance, Inc. (CHAP) is the successor-in-interest to L'Atelier de Réadaptation au Travail de Beauce Inc. (L'Atelier) in the context of the AD order on certain softwood lumber products from Canada.

DATES: Applicable August 26, 2021.

FOR FURTHER INFORMATION CONTACT: Maisha Cryor, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5831.

SUPPLEMENTARY INFORMATION:

Background

On May 5, 2021, CHAP requested¹ that, pursuant to section 751(b) of the

¹ See CHAP's Letter, "Certain Softwood Lumber from Canada: L'Atelier de Réadaptation au Travail de Beauce Inc. Request for Changed Circumstances Reviews," dated May 5, 2021 (CCR Request).

Tariff Act of 1930, as amended (the Act) and 19 CFR 351.216, Commerce conduct an expedited CCR of the AD order on certain softwood lumber products from Canada² to confirm that CHAP is the successor-in-interest to L'Atelier, and accordingly to assign it the cash deposit rate of L'Atelier.³ In its submission, CHAP states that while L'Atelier undertook its name, the company is otherwise primarily unchanged.⁴ On June 8, 2021, Commerce informed CHAP that it required additional information in order to determine whether to initiate the requested CCR.⁵ On June 24, 2021, CHAP provided the requested information.⁶

On July 6, 2021, Commerce initiated a CCR and preliminarily determined that CHAP is the successor-in-interest to L'Atelier.⁷ In the *Initiation and Preliminary Results CCR*, Commerce provided all interested parties with an opportunity to comment.⁸ However, we received no comments.

Scope of the Order

The merchandise covered by the *Order* is softwood lumber, siding, flooring and certain other coniferous wood (softwood lumber products). Softwood lumber product imports are generally entered under Chapter 44 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the *Order* is dispositive.⁹

Final Results of Changed Circumstances Review

For the reasons stated in the *Initiation and Preliminary Results CCR*, Commerce continues to find that CHAP is the successor-in-interest to L'Atelier. As a result of this determination and

² See *Certain Softwood Lumber Products from Canada: Antidumping Duty Order and Partial Amended Final Determination*, 83 FR 350 (January 3, 2018) (*Order*).

³ See CCR Request at 1-2.

⁴ *Id.* at 2-6.

⁵ See Commerce's Letter, "Changed Circumstances Review of Certain Softwood Lumber Products from Canada: Supplemental Questionnaire," dated June 8, 2021.

⁶ See CHAP's Letter, "Certain Softwood Lumber from Canada: Supplemental Questionnaire Response," dated June 24, 2021.

⁷ See *Initiation and Preliminary Results of Changed Circumstances Review: Certain Softwood Lumber Products from Canada*, 86 FR 36525 (July 12, 2021) (*Initiation and Preliminary Results CCR*), and accompanying Preliminary Decision Memorandum.

⁸ See *Initiation and Preliminary Results CCR*, 86 FR at 36526.

⁹ For a complete description of the scope of the *Order*, see *Initiation and Preliminary Results CCR* Preliminary Decision Memorandum (no changes in these final results).

consistent with established practice, we find that CHAP should receive the cash deposit rates previously assigned to L'Atelier. Consequently, Commerce will instruct U.S. Customs and Border Protection to suspend liquidation of all shipments of subject merchandise produced or exported by L'Atelier and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register** at the cash deposit rate in effect for L'Atelier. This cash deposit requirement shall remain in effect until further notice.

Notification to Interested Parties

We are issuing this determination and publishing these final results and notice in accordance with sections 751(b)(1) and 777(i)(1) and (2) of the Act, and 19 CFR 351.216(e), 351.221(b), and 351.221(c)(3).

Dated: August 20, 2021.

Ryan Majerus,

Deputy Assistant Secretary for Policy and Negotiations.

SUPPLEMENTARY INFORMATION:

Background

Commerce published the *Preliminary Results* of this review on February 22,

2021.¹ On June 8, 2021, Commerce extended the deadline for the final results of this administrative review until August 20, 2021.² On June 24, 2021, Commerce issued a post-preliminary analysis relating to an electricity for less than adequate remuneration allegation.³ For a description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.⁴

Scope of the Order

The product covered by this order is hot-rolled steel. For a complete description of the scope of this order, see the Issues and Decision Memorandum.

Analysis of Comments Received

We addressed all issues raised in interested parties’ case briefs in the Issues and Decision Memorandum accompanying this notice. A list of the issues raised by parties, to which Commerce responded in the Issues and Decision Memorandum, is provided as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>.

Changes Since the Preliminary Results

After evaluating the comments received from interested parties and record information, we have made no changes to the net subsidy rate calculated for Hyundai Steel. For a discussion of these comments, see the Issues and Decision Memorandum.

⁴ See Memorandum, “Issues and Decision Memorandum for the Final Results of the 2018 Administrative Review of the Countervailing Duty Order on Certain Hot-Rolled Steel Flat Products from the Republic of Korea,” dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁵ For a description of the methodology underlying all of Commerce’s conclusions, see the Issues and Decision Memorandum.

Final Results of Administrative Review

We determine that, for the period January 1, 2018, through December 31, 2018, the following net countervailable subsidy rate exists:

Company	Subsidy rate (percent <i>ad valorem</i>)
Hyundai Steel Co., Ltd	0.51

Disclosure

No changes were made to the calculations since the *Preliminary Results* and Post-Preliminary Analysis; therefore, there are no calculations to release for Hyundai Steel.

Assessment Rate

Pursuant to section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries of subject merchandise in accordance with the final results of this review, for Hyundai Steel at the applicable *ad valorem* assessment rate listed. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**.⁶ If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Rates

For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposits, when imposed, shall remain in effect until further notice.
