SUMMARY: This notice announces EPA's order for the cancellations, voluntarily requested by the registrants and accepted by the Agency, of the products listed in Table 1 and Table 2 of Unit II, pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The cancellations are effective August 27, 2021.

III. Summary of Public Comments Received and Agency Response to Comments

During the public comment period provided, EPA received no comments in response to the February 9, 2021 Federal Register notice announcing the Agency’s receipt of the requests for voluntary cancellations of products listed in Table 1 and Table 2 of Unit II.

IV. Cancellation Order

Pursuant to FIFRA section 6(f) (7 U.S.C. 136d(f)), EPA hereby approves the requested cancellations of the registrations identified in Table 1 and Table 2 of Unit II. Accordingly, the Agency hereby orders that the product registrations identified in Table 1 and Table 2 of Unit II are canceled. The effective date of the cancellations that are the subject of this notice is August 27, 2021. Any distribution, sale, or use

of existing stocks of the products identified in Table 1 and Table 2 of Unit II in a manner inconsistent with any of the provisions for disposition of existing stocks set forth in Unit VI will be a violation of FIFRA.

V. What is the Agency’s authority for taking this action?

Section 6(f)(1) of FIFRA (7 U.S.C. 136d(f)(1)) provides that a registrant of a pesticide product may at any time

request that any of its pesticide registrations be canceled or amended to terminate one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, following the public comment period, the EPA Administrator may approve such a request. The notice of receipt for this action was published for comment in the **Federal Register** of February 9, 2021 (86 FR 8779) (FRL-10016-16). The comment period closed on August 9, 2021.

VI. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products which are currently in the United States and which were packaged, labeled, and released for shipment prior to the effective date of the cancellation action. The existing stocks provisions for the products subject to this order are as follows.

For products 100-1117, 100-1121, 100-1122, 100-1157, 100-1179, 100-1182, 100-1212 and 100-1362 listed in Table 1 of Unit II, the registrant has requested the effective date of the cancellations to be November 02, 2020; therefore, the registrant will be permitted to sell and distribute existing stocks of this product until November 02, 2021. Thereafter, the registrant will be prohibited from selling or distributing the product in Table 1 of Unit II, except for export consistent with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

For all other voluntary product cancellations, listed in Table 2 of Unit II, the registrants may continue to sell and distribute existing stocks of products listed in Table 2 of Unit II until August 29, 2022, which is 1 year after the date of publication of the Cancellation Order in the **Federal Register**. Thereafter, the registrants are prohibited from selling or distributing products listed in Table 2, except for export in accordance with FIFRA section 17 (7 U.S.C. 136o), or proper disposal. Persons other than the registrants may sell, distribute, or use existing stocks of products listed in Table 1 and Table 2 of Unit II until existing stocks are exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products.
