Background

Pacific Whiting Treaty Committees

The Pacific Whiting Act of 2006 (Pacific Whiting Act) (16 U.S.C. 7001-10) implements the 2003 Agreement between the Government of the United States of America and the Government of Canada on Pacific Hake/Whiting (Agreement). The Agreement establishes the AP and among other provisions, the Pacific Whiting Act provides for United States representation on the AP.

one–two meetings of the AP will be held annually, and these meetings will be held in the United States or Canada. AP members will need a valid U.S. passport.

The Pacific Whiting Act of 2006 also states that while performing their appointed duties, members other than officers or employees of the United States Government, shall not be considered to be Federal employees while performing such service, except for purposes of injury compensation or tort claims liability as provided in chapter 81 of title 5 and chapter 171 of title 28.
