DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for OMB Review; Legal Services for Unaccompanied Children (0970-0565)

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, Department of Health and Human Services.

ACTION: Request for public comment.

SUMMARY: The Office of Refugee Resettlement (ORR), Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS), is proposing to continue to collect information that will allow the Unaccompanied Children (UC) Program to provide legal services to UC. These information collections were originally approved under emergency approval for 6 months. This request is to continue data collection. This is a time sensitive request because all of these forms are already in use and must continue to be in use in order for the UC Program to meet its statutory obligations.

DATES: *Comments due within 30 days of publication.* OMB is required to make a decision concerning the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed

information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. This is a time sensitive request because many of these forms are already in use and must continue to be in use in order for the UC Program to meet its statutory obligations.

SUPPLEMENTARY INFORMATION:
Description: ORR received several comments on this information collection in response to the **Federal Register** Notice published on February 18, 2021, (86 FR 10082) and has provided responses to those comments in its final submission to OMB. UC Path is critical to program operations, and it is important that rollout of the new system not be delayed. Therefore, the below description details what will be included in the initial launch of the UC Path case management system and revisions based on public comments will be made after initial launch. ORR plans to conduct a deliberative review of commenters’ suggestions and concerns and submit a request for revisions to this information collection request in January 2022. The upcoming information collection request will also include revisions based on feedback from UC Path system users (*i.e.*, ORR grantee, contractor, and federal staff). The components of this information request include:

1. Legal Service Provider List for UC in ORR Care (Form LRG-5/5s): This instrument is provided to UC by their case manager. The instrument contains a list of legal services providers available to UC. UC initial and sign the instrument upon admission and release of ORR custody to acknowledge receipt of documents contained in ORR’s Legal Resource Guide.

2. Request for a Flores Bond Hearing (Form LRG-7/7s): This instrument is provided to UC placed by their case manager. The instrument is always

provided to UC placed in a restrictive setting (secure, staff secure, and residential treatment center facilities) and to UC placed in other types of facilities upon request. UC may use this instrument to request or withdraw a request for a *Flores* bond hearing.

3. Motion to Request a Bond Hearing—Secure or Staff Secure Custody (Form LRG-8A): This instrument is completed by case managers upon receipt of a *Request for a Flores Bond Hearing* for a UC in secure or staff secure custody and provided to ORR. ORR files the motion with the local immigration court.

4. Motion to Request a Bond Hearing—Non-Secure Custody (Form LRG-8B): This instrument is completed by case managers upon receipt of a *Request for a Flores Bond Hearing* for a UC placed in a non-secure program (*e.g.*, shelter, foster care) and provided to ORR. ORR files the motion with the local immigration court.

5. Request for Specific Consent to Juvenile Court Jurisdiction (Form L-1): This instrument is used by legal service providers and attorneys of record to request specific consent from ORR in cases where they are seeking Special Immigrant Juvenile legal relief for their UC client and are also seeking to invoke the jurisdiction of a state court to determine or alter the UC’s custody status or placement.

6. Specific Consent Request Case Summary (Form L-2): This instrument is completed by ORR Federal Field Specialists (FFS) when ORR receives a request for specific consent. FFS provide case information that will allow the ORR Director to make an informed decision on whether to grant specific consent.

7. Notice of Attorney Representation (Form L-3): This instrument is completed by attorneys of record for UC to notify ORR of the purpose of legal representation and the representation timeframe. ORR uses this instrument to ensure that case updates are provided to attorneys of record. This instrument may also be used by attorneys of record

when requesting a copy of their client’s case file.

8. UC Legal Information (Form L–4): This instrument is used by case managers to document, as applicable, referrals to the Office on Trafficking in Persons, meetings between the UC and their legal service provider or attorney of record, the provision of ORR’s Legal Resource Guide to the UC, information about the UC’s legal service provider or attorney of record, immigration and administrative hearings, and provision of the *Notice of Placement in a Restrictive Setting* to the UC. The instrument also includes an area to upload legal documents.

9. Legal Service Provider Record (Form L–6): This instrument is used by

case managers to create a record containing certain information and documents that ORR makes accessible to ORR-funded legal service providers without requiring a formal records request.

10. Motion for Change of Venue (Form L–7): This instrument is used by case managers to file a motion for change of venue when a UC is transferred or discharged to a new immigration court jurisdiction.

11. Post Legal Status Plan (Form L–8): This instrument is used by case managers to create and obtain FFS Supervisor approval for a plan for UC expected to obtain legal status, at which time the UC must be released from ORR custody.

Proposed revisions:

- Replace the term “unaccompanied alien child (UAC)” with “unaccompanied child (UC)” throughout the instruments in this collection. Note that the screenshots of UC Path instruments attached to this memo do not reflect this change because it has not yet been developed in the system. However, the revision in terminology will be made before the system is launched.

- Remove the term “alien” from the title of this information collection and revise it to read “Legal Services for Unaccompanied Children.”

Respondents: ORR grantee and contractor staff, UC, parents/legal guardians of UC, attorneys of record, and legal service providers.

Administration for Community Living

Intent To Award a Supplement for the Lifespan Respite Program: Special Projects To Strengthen Program Development, Implementation and Sustainability

ACTION: Notice.

SUMMARY: The Administration for Community Living (ACL) announces the intent to award a single-source supplement to the current cooperative

agreement held by the Center for Health Policy Development.

FOR FURTHER INFORMATION CONTACT: For further information or comments regarding this program supplement, contact Lori Stalbaum, U.S. Department of Health and Human Services, Administration for Community Living, Administration on Aging, Office of Supportive and Caregiver Services; telephone (202) 795–7444; email lori.stalbaum@acl.hhs.gov.

SUPPLEMENTARY INFORMATION: The primary objective of this project is to complement the work of the Lifespan Respite Technical Assistance and Resource Center (TARC) funded in FY 2020 (42 U.S.C. 300ii–2: National Lifespan Respite Resource Center) and, based on the forthcoming National Family Caregiving Strategy, focus on improving access to respite services, workforce capacity, and the role of natural supports, which will be a likely focus of attention nationwide following the dissemination of the Family

Caregiving Advisory Council’s National Family Caregiving Strategy.

1. Workforce Development: Develop, test and scale a respite workforce recruitment, training and retention program to better meet the respite needs of culturally diverse, urban, suburban, rural, or frontier families, particularly in light of the impact of the COVID–19 pandemic on the workforce;

2. State-based respite planning: Develop and field test a state-based framework and roadmap for respite system planning and development, which ties to the forthcoming National Family Caregiving Strategy; and

3. Natural supports: Enhance approaches to help caregivers and families develop or strengthen their own natural support systems to include respite and other supports

The original FY 2020 award was in the amount of \$562,737 for a three-year fully funded project. The administrative supplement for FY 2021 will be in the amount of \$183,000, bringing the total award for the project to \$745,737.
