Extension: Rule 206(3)-2

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 206(3)-2, (17 CFR 275.206(3)-2) which is entitled "Agency Cross Transactions for Advisory Clients," permits investment advisers to comply with section 206(3) of the Investment Advisers Act of 1940 (the "Act") (15 U.S.C. 80b-6(3)) by obtaining a client's blanket consent to enter into agency cross transactions (*i.e.*, a transaction in which an adviser acts as a broker to both the advisory client and the opposite party to the transaction), provided that certain disclosures are made to the client. Rule 206(3)-2 applies to all registered investment advisers. In relying on the rule, investment advisers must provide certain disclosures to their clients. Advisory clients can use the disclosures to monitor agency cross transactions that affect their advisory account. The Commission also uses the information required by Rule 206(3)-2 in connection with its investment adviser inspection program to ensure that advisers are in compliance with the rule. Without the information collected under the rule, advisory clients would not have information necessary for monitoring their adviser's handling of their accounts and the Commission would be less efficient and effective in its inspection program.

The information requirements of the rule consist of the following: (1) Prior to obtaining the client's consent appropriate disclosure must be made to the client as to the practice of, and the conflicts of interest involved in, agency cross transactions; (2) at or before the completion of any such transaction the client must be furnished with a written confirmation containing specified information and offering to furnish upon request certain additional information; and (3) at least annually, the client must be furnished with a written statement or summary as to the total number of transactions during the period covered by the consent and the total amount of commissions received by the adviser or its affiliated broker-dealer attributable to such transactions.

The Commission estimates that approximately 378 respondents use the

rule annually, necessitating about 50 responses per respondent each year, for a total of 18,900 responses. Each response requires an estimated 0.5 hours, for a total of 9,450 hours. The estimated average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or representative survey or study of the cost of Commission rules and forms.

This collection of information is found at (17 CFR 275.206(3)-2) and is necessary in order for the investment adviser to obtain the benefits of Rule 206(3)-2. The collection of information requirements under the rule is mandatory. Information subject to the disclosure requirements of Rule 206(3)-2 does not require submission to the Commission; and, accordingly, the disclosure pursuant to the rule is not kept confidential. Commission-registered investment advisers are required to maintain and preserve certain information required under Rule 206(3)-2 for five (5) years. The long-term retention of these records is necessary for the Commission's inspection program to ascertain compliance with the Advisers Act.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within sixty 60 days of this publication.

Please direct your written comments to David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, C/O Cynthia Roscoe, 100 F Street NE, Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.

Dated: August 25, 2021.

I. Introduction

On June 25, 2021, Fixed Income Clearing Corporation (“FICC”) filed with the Securities and Exchange Commission (“Commission”) proposed rule change SR-FICC-2021-004 (the “Proposed Rule Change”) pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder² to amend FICC’s rules relating to confidentiality requirements, market disruption events, systems disconnect, and other changes. The Proposed Rule Change was published for comment in the **Federal Register** on July 13, 2021,³ and the Commission received a comment, which addresses issues that also appear in this Proposed Rule Change.⁴

Section 19(b)(2) of the Act⁵ provides that within 45 days of the publication of

Extension: Rule 6c-7

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the “Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection

of information to the Office of Management and Budget for extension and approval.

Rule 6c-7 (17 CFR 270.6c-7) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (“1940 Act”) provides exemption from certain provisions of Sections 22(e) and 27 of the 1940 Act for registered separate accounts offering variable annuity contracts to certain employees of Texas institutions of higher education participating in the Texas Optional Retirement Program. There are approximately 142 registrants governed by Rule 6c-7. The burden of compliance with Rule 6c-7, in connection with the registrants obtaining from a purchaser, prior to or at the time of purchase, a signed document acknowledging the restrictions on redeem ability imposed by Texas law, is estimated to be approximately 3 minutes of professional time per response for each of approximately 6,500 purchasers annually (at an estimated \$72 per hour),¹ for a total annual burden of 325 hours (at a total annual cost of \$23,400).

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules or forms. The Commission does not include in the estimate of average burden hours the time preparing registration statements and sales literature disclosure regarding the restrictions on redeem ability imposed by Texas law. The estimate of burden hours for completing the relevant registration statements are reported on the separate PRA submissions for those statements. (See the separate PRA submissions for Form N-3 (17 CFR 274.11b) and Form N-4 (17 CFR 274.11c).)

The Commission requests written comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the

¹ \$72/hour figure for a Compliance Clerk is based on the Commission’s estimates concerning the allocation of burden hours and the relevant wage rates from the Commission’s consultations with industry representatives and on salary information for the securities industry compiled by the Securities Industry and Financial Markets Association’s Office Salaries in the Securities Industry 2013. The estimated wage figures are modified by Commission staff to account for an 1800-hour work-year and multiplied by 2.93 to account for bonuses, firm size, employee benefits, overhead, and adjusted to account for the effects of inflation. See Securities Industry and Financial Markets Association, Report on Management & Professional Earnings in the Securities Industry 2013.

⁴ Specifically, the Commission received a comment letter on a proposed rule change filed by FICC’s affiliate, the Depository Trust Company (“DTC”), regarding parallel changes to DTC’s Rules. See Securities Exchange Act Release No. 92342 (June 25, 2021), 86 FR 36833 (July 13, 2021) (File No. SR-DTC-2021-011).
