Heaney or Jacqueline Arrowsmith, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4475 or (202) 482-5255, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 6, 2004, Commerce published the AD order on ironing tables from China.¹ On February 1, 2021, Commerce initiated the third five-year (sunset) review of the *Order* pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² As a result of its review, Commerce determined that revocation of the *Order* would likely lead to a continuation or recurrence of dumping and, therefore, notified the ITC of the magnitude of the margins likely to prevail should the *Order* be revoked.³ On August 18, 2021, the ITC published its determination, pursuant to section 751(c) of the Act, that revocation of the *Order* would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.⁴

Scope of the Order

For purposes of this *Order*, the product covered consists of floor-standing, metal-top ironing tables, assembled or unassembled, complete or incomplete, and certain parts thereof. The subject tables are designed and used principally for the hand ironing or pressing of garments or other articles of fabric. The subject tables have full-height leg assemblies that support the

ironing surface at an appropriate (often adjustable) height above the floor. The subject tables are produced in a variety of leg finishes, such as painted, plated, or matte, and they are available with various features, including iron rests, linen racks, and others. The subject ironing tables may be sold with or without a pad and/or cover. All types and configurations of floor-standing, metal-top ironing tables are covered by this review.

Furthermore, this *Order* specifically covers imports of ironing tables, assembled or unassembled, complete or incomplete, and certain parts thereof. For purposes of this *Order*, the term “unassembled” ironing table means a product requiring the attachment of the leg assembly to the top or the attachment of an included feature such as an iron rest or linen rack. The term “complete” ironing table means product sold as a ready-to-use ensemble consisting of the metal-top table and a pad and cover, with or without additional features, e.g., iron rest or linen rack. The term “incomplete” ironing table means product shipped or sold as a “bare board”—i.e., a metal-top table only, without the pad and cover—with or without additional features, e.g., iron rest or linen rack. The major parts or components of ironing tables that are intended to be covered by this *Order* under the term “certain parts thereof” consist of the metal top component (with or without assembled supports and slides) and/or the leg components, whether or not attached together as a leg assembly. The *Order* covers separately shipped metal top components and leg components, without regard to whether the respective quantities would yield an exact quantity of assembled ironing tables.

Ironing tables without legs (such as models that mount on walls or over doors) are not floor-standing and are specifically excluded. Additionally, tabletop or countertop models with short legs that do not exceed 12 inches in length (and which may or may not collapse or retract) are specifically excluded.

The subject ironing tables were previously classified under Harmonized Tariff Schedule of the United States (HTSUS) subheading 9403.20.0010. Effective July 1, 2003, the subject ironing tables are classified under HTSUS subheading 9403.20.0011. The subject metal top and leg components are classified under HTSUS subheading 9403.90.8040. Although the HTSUS subheadings are provided for convenience and for U.S. Customs and Border Protection (CBP) purposes, the

written description of the scope remains dispositive.

Continuation of the Order

As a result of the determinations by Commerce and the ITC that revocation of the *Order* would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, Commerce hereby orders the continuation of the antidumping order on ironing tables from China. CBP will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of the continuation of the *Order* will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, Commerce intends to initiate the next five-year review of the *Order* not later than 30 days prior to the fifth anniversary of the effective date of continuation.

Notification to Interested Parties

This five-year (sunset) review and this notice are in accordance with section 751(c) of the Act and published pursuant to section 777(i)(1) of the Act.

Dated: August 25, 2021.

SUPPLEMENTARY INFORMATION:

Background

On June 11, 2021, Commerce published a notice of initiation of an administrative review of the antidumping duty order drawn stainless steel sinks from the People's Republic of China (China) covering the period April 1, 2020, through March 31, 2021, with respect to 29 companies.¹ Due to a timely withdrawal request, we are rescinding the review with respect to 27 of these companies.² Therefore, the results of this review cover the two remaining companies: Jiangmen New Star Hi-Tech Enterprise Ltd. (New Star) and KaiPing Dawn Plumbing Products, Inc. (KaiPing).

Scope of the Order

The products covered by the order include drawn stainless steel sinks from China. Imports of subject merchandise are currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7324.10.0000 and 7324.10.0010. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.³

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act).

Partial Rescission of Administrative Review

Section 351.213(d)(1) of Commerce's regulations provides that Commerce will rescind an administrative review, in whole or in part, if all parties that requested a review withdraw their requests for review within 90 days of the publication date of the notice of initiation of the requested review. On July 13, 2021, the petitioner timely withdrew its request for administrative review of the following companies: (1) B&R Industries Limited; (2) Feidong Import and Export Co., Ltd.; (3) Foshan Shunde MingHao Kitchen Utensils Co., Ltd.; (4) Foshan Zhaoshun Trade Co., Ltd.; (5) Franke Asia Sourcing Ltd.; (6) Grand Hill Work Company; (7) Guangdong Dongyuan Kitchenware Industrial Co., Ltd.; (8) Guangdong G-Top Import & Export Co., Ltd.; (9) Guangdong New Shichu Import & Export Company Limited; (10) Guangdong Yingao Kitchen Utensils Co., Ltd.; (11) Hangzhou Heng's Industries Co., Ltd.; (12) Hubei Foshan Success Imp & Exp Co. Ltd.; (13) J&C Industries Enterprise Limited; (14) Jiangmen Hongmao Trading Co., Ltd.; (15) Jiangmen Pioneer Import & Export Co., Ltd.; (16) Jiangxi Zoje Kitchen & Bath Industry Co., Ltd.; (17) Ningbo Afa Kitchen and Bath Co., Ltd./Yuyao Afa Kitchenware Co., Ltd.; (18) Ningbo Oulin Kitchen Utensils Co., Ltd.; (19) Primy Cooperation Limited; (20) Shenzhen Kehauxing Industrial Ltd.; (21) Shunde Foodstuffs Import & Export Company Limited of Guangdong; (22) Shunde Native Produce Import and Export Co., Ltd. of Guangdong; (23) Xinhe Stainless Steel Products Co., Ltd.; (24) Zhongshan Newecan Enterprise Development Cooperation; (25) Zhongshan Silk Imp. & Exp. Group Co., Ltd. of Guangdong; (26) Zhongshan Superte Kitchenware Co., Ltd.; and (27) Zhuhai Kohler Kitchen & Bathroom Products Co. Ltd.⁴ Because all review requests for these companies were timely withdrawn, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review with respect to these companies. The administrative review will continue for the remaining companies for which a review was requested and not withdrawn: KaiPing and New Star.

⁴ See Petitioner's Withdrawal Letter.

China-Wide Entity

In accordance with Commerce's policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity.⁵ Because no party requested a review of the China-wide entity in this review, the entity is not under review, and the entity's rate is not subject to change (*i.e.*, 76.45 percent).⁶

Preliminary Results of Review

Commerce finds that the two respondents remaining in this administrative review, KaiPing and New Star, have not established their eligibility for a separate rate and are considered to be part of the China-wide entity for these preliminary results.

Assessment Rates

Upon issuance completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹⁵ For the final results, if we continue to treat KaiPing and New Star as part of the China-wide entity, we will instruct CBP to apply an *ad valorem* assessment rate of 76.45 percent to all entries of subject merchandise during the POR that were produced and/or exported by KaiPing and New Star.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

For the companies for which we have rescinded this administrative review, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR

351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions directly to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed Chinese and non-Chinese exporters not listed above that have separate rates, the cash deposit rate will continue to be equal to the exporter-specific weighted-average dumping margin published of the most recently-completed segment of this proceeding; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for China-wide entity, 76.45 percent; and (3) for all exporters of subject merchandise which are not located in China and which are not eligible for a separate rate, the cash deposit rate will be the rate applicable to Chinese exporter(s) that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(l) and 777(i)(l) of the Act.

Dated: August 25, 2021.
