SUPPLEMENTARY INFORMATION:

I. Background

The Lithium Battery Air Safety Advisory Committee was created under the Federal Advisory Committee Act (FACA, Pub. L. 92-463), in accordance with Section 333(d) of the FAA Reauthorization Act of 2018 (Pub. L. 115-254).

II. Agenda

At the meeting, the agenda will cover the following topics as specifically outlined in section 333(d) of Public Law 115-254:

(a) Facilitate communication amongst manufactures of lithium batteries and products containing lithium batteries, air carriers, and the Federal government.

(b) Discuss the effectiveness, and the economic and social impacts of lithium battery transportation regulations.

(c) Provide the Secretary with information regarding new technologies and transportation safety practices.

(d) Provide a forum to discuss Departmental activities related to lithium battery transportation safety.

(e) Advise and recommend activities to improve the global enforcement of air transportation of lithium batteries, and the effectiveness of those regulations.

(f) Provide a forum for feedback on potential U.S. positions to be taken at international forums.

(g) Guide activities to increase awareness of relevant requirements.

(h) Review methods to decrease the risk posed by undeclared hazardous materials.

A final agenda will be posted on the Lithium Battery Air Safety Advisory Committee website at least one week in advance of the meeting.

III. Public Participation

The meeting will be open to the public. DOT is committed to providing equal access to this meeting for all participants. If you need alternative formats or services because of a disability, such as sign language, interpretation, or other ancillary aids, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section no later than September 8, 2021.

To accommodate as many speakers as possible, time for each commenter may be limited. There will be five minutes allotted for oral comments from members of the public joining the meeting. Individuals wishing to reserve speaking time during the meeting must submit a request at the time of registration, as well as the name, address, and organizational affiliation of the proposed speaker. If the number of registrants requesting to make statements is greater than can be reasonably accommodated during the meeting, PHMSA may conduct a lottery to determine the speakers. Speakers are requested to submit a written copy of their prepared remarks for inclusion in the meeting records and for circulation to Lithium Battery Air Safety Advisory Committee members. All prepared remarks submitted on time will be accepted and considered as part of the record. Any member of the public may present a written statement to the committee at any time.

Copies of the meeting minutes, and committee presentations will be available on the Lithium Battery Air Safety Advisory Committee website. Presentations will also be posted on the E-Gov website in docket number PHMSA [PHMSA–2019–0098], within 30 days following the meeting.

DEPARTMENT OF THE TREASURY

Office of Foreign Assets Control

[Docket No.: OFAC–2021–0002]

Agency Information Collection Activities; Proposed Collection; Comment Request for Rough Diamonds Control Regulations

AGENCY: Office of Foreign Assets Control, Treasury.

ACTION: Notice and request for comments.

SUMMARY: The Department of the Treasury, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to comment on proposed or continuing information collections, as required by the Paperwork Reduction Act of 1995. Currently, the Office of Foreign Assets Control (OFAC) within the Department of the Treasury is soliciting comments concerning OFAC's information collection requirements contained within OFAC's Rough Diamonds Control Regulations.

DATES: Written comments must be submitted on or before November 8, 2021 to be assured of consideration.

ADDRESSES: You may submit comments by either of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions on the website for submitting comments.

Email: OFACreport@treasury.gov with Attn: Request for Comments (Rough Diamonds Control Regulations).

Instructions: All submissions received must include the agency name and refer to Docket Number OFAC–2021–0002 and the Office of Management and Budget (OMB) control number 1505–0198. Comments received will be made available to the public via <https://www.regulations.gov> or upon request, without change and including any personal information provided.

FOR FURTHER INFORMATION CONTACT: OFAC: Assistant Director for Licensing, 202–622–2480; Assistant Director for Regulatory Affairs, 202–622–4855; or Assistant Director for Sanctions Compliance & Evaluation, 202–622–2490.

SUPPLEMENTARY INFORMATION:

Title: Rough Diamonds Control Regulations.

OMB Number: 1505–0198.

Type of Review: Extension without change of a currently approved collection.

Description: The collections of information are contained in section 592.301(a)(3) of OFAC's Rough Diamonds Control Regulations. The person identified as the ultimate consignee on the Customs Form 7501 Entry Summary or its electronic equivalent is required to report that person's receipt of a shipment of rough diamonds to the relevant foreign exporting authority within 15 calendar days of the date that the shipment arrived at the U.S. port of entry.

Forms: Section 592.301(a)(3) states that the report filed by the ultimate consignee need not be in any particular form and may be submitted electronically or by mail or courier.

Affected Public: Business organizations and individuals engaged in the international diamond trade.

Estimated Number of Respondents: Based on data received from the U.S. Department of Homeland Security, U.S. Customs and Border Protection, the estimate for the number of unique reporting respondents is approximately 66 respondents per year.

Frequency of Response: The estimated annual frequency of responses is approximately 7 per respondent, based on average transaction volume.

Estimated Total Number of Annual Responses: The estimated total number of responses per year is approximately 467.

Estimated Time per Response: OFAC assesses that there is an average time estimate of 10 minutes per response.

Estimated Total Annual Burden Hours: The estimated total annual reporting burden is approximately 78 hours.
