

Accordingly, I find that Respondent is not currently licensed to practice medicine in Florida, the state in which Respondent is registered with the DEA.

Discussion

Pursuant to 21 U.S.C. 824(a)(3), the Attorney General is authorized to suspend or revoke a registration issued under section 823 of the Controlled Substances Act (hereinafter, CSA) “upon a finding that the registrant . . . has had his State license or registration suspended . . . [or] revoked . . . by competent State authority and is no longer authorized by State law to engage in the . . . dispensing of controlled substances.” With respect to a practitioner, the DEA has also long held that the possession of authority to dispense controlled substances under the laws of the state in which a practitioner engages in professional practice is a fundamental condition for obtaining and maintaining a practitioner’s registration. *See, e.g., James L. Hooper, M.D.*, 76 FR 71,371 (2011), *pet. for rev. denied*, 481 F. App’x 826 (4th Cir. 2012); *Frederick Marsh Blanton, M.D.*, 43 FR 27,616, 27,617 (1978).

This rule derives from the text of two provisions of the CSA. First, Congress defined the term “practitioner” to mean “a physician . . . or other person licensed, registered, or otherwise permitted, by . . . the jurisdiction in which he practices . . . , to distribute, dispense, . . . [or] administer . . . a controlled substance in the course of professional practice.” 21 U.S.C. 802(21). Second, in setting the requirements for obtaining a practitioner’s registration, Congress directed that “[t]he Attorney General shall register practitioners . . . if the applicant is authorized to dispense . . . controlled substances under the laws of the State in which he practices.” 21 U.S.C. 823(f). Because Congress has clearly mandated that a practitioner possess state authority in order to be deemed a practitioner under the CSA, the DEA has held repeatedly that revocation of a practitioner’s registration is the appropriate sanction whenever he is no longer authorized to dispense controlled substances under the laws of the state in which he practices. *See, e.g., James L. Hooper*, 76 FR at 71,371–72; *Sheran Arden Yeates, M.D.*, 71 FR 39,130, 39,131 (2006); *Dominick A. Ricci, M.D.*, 58 FR 51,104, 51,105 (1993); *Bobby Watts, M.D.*, 53 FR 11,919, 11,920 (1988); *Frederick Marsh Blanton*, 43 FR at 27,617.

According to Florida statute, “A practitioner, in good faith and in the course of his or her professional practice

only, may prescribe, administer, dispense, mix, or otherwise prepare a controlled substance.” Fla. Stat. § 893.05(1)(a) (2021). Further, a “practitioner” as defined by Florida statute includes “a physician licensed under chapter 458.”⁶ *Id.* at § 893.02(23).

Here, the undisputed evidence in the record is that Respondent currently lacks authority to practice medicine in Florida. As already discussed, a physician must be a licensed practitioner to dispense a controlled substance in Florida. Thus, because Respondent lacks authority to practice medicine in Florida and, therefore, is not authorized to handle controlled substances in Florida, Respondent is not eligible to maintain a DEA registration. Accordingly, I will order that Respondent’s DEA registration be revoked.

Order

Pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 824(a), I hereby revoke DEA Certificate of Registration No. FT3429227 issued to Lora L. Thaxton, M.D. Further, pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 823(f), I hereby deny any pending application of Lora L. Thaxton to renew or modify this registration, as well as any other pending application of Lora L. Thaxton for additional registration in Florida. This Order is effective October 7, 2021.

Administrator.

DEPARTMENT OF LABOR

Employment and Training Administration

Notice of Conditional Approval of New York States' Application for the Partial Deferral of Interest Accrued on Outstanding Title XII Loans Otherwise Payable on or before September 30, 2021

Title XII Section 1202(b)(3)(C) of the Social Security Act (SSA) provides that a state may defer payment of three-fourths of interest due on outstanding advances to state unemployment trust funds under Title XII Section 1201 SSA on or before September 30 of a given year if the state's rate of insured unemployment (IUR) during the first six

months of the prior calendar year equaled or exceeded 7.5 percent. Title XII Section 1202(b)(3)(C)(i) and 20 CFR 606.41(c) provide that a qualifying state must pay at least 25 percent of the amount due on or before September 30 of the taxable year, and must pay at least one-third of the remaining amount on or before September 30 in each of the following three years. 20 CFR 606.41(d) further clarifies that the timely and full payment of one-fourth of the interest due prior to October 1 is a precondition to approval of this deferral.

The New York State Department of Labor applied for this deferral prior to the July 1, 2021 deadline. Pursuant to 20 CFR 606.41(e)(2) the Employment and Training Administration has confirmed that the state's rate of insured unemployment exceeded the 7.5 percent threshold during the first 6 months of calendar year 2020. As such New York's application for the high unemployment deferral has been conditionally approved contingent on the timely payment of one-fourth of the interest due on or before September 30, 2021.
