SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-92837; File No. SR-FINRA-2021-021]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Extend the Expiration Dates of FINRA Rules 0180 (Application of Rules to Security-Based Swaps) and 4240 (Margin Requirements for Credit Default Swaps) and Amend FINRA Rule 4240 To Add Supplementary Material .02

September 1, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Exchange Act" or "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 20, 2021, the

Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to (i) extend the expiration date of FINRA Rule 0180 (Application of Rules to Security-Based Swaps) to February 6, 2022 and (ii) extend to April 6, 2022 the implementation of FINRA Rule 4240 (Margin Requirements for Credit Default Swaps) and clarify that the rule does not apply if a member is registered with the SEC as a security-based swap ("SBS") dealer ("SBSD").

The text of the proposed rule change is available on FINRA's website at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On July 8, 2011, FINRA filed for immediate effectiveness FINRA Rule 0180, which, with certain exceptions, temporarily limits the application of FINRA rules with respect to SBS, thereby avoiding undue market disruptions resulting from the change to the definition of "security" under the

Act to expressly encompass SBS.⁴ Pending the SEC's final implementation of its rulemakings under Title VII of the Dodd-Frank Act,⁵ FINRA extended the expiration date of FINRA Rule 0180 a number of times, most recently in January 2020, when FINRA extended the expiration date to September 1, 2021.⁶ In addition, on May 22, 2009, the Commission approved FINRA Rule 4240,⁷ which implements an interim pilot program (the "Interim Pilot Program") with respect to margin requirements for certain transactions in credit default swaps ("CDS").⁸ On June 2, 2020, FINRA filed a proposed rule change for immediate effectiveness extending the implementation of FINRA Rule 4240 to September 1, 2021.⁹ Therefore, both FINRA Rule 0180 and the Interim Pilot Program under FINRA Rule 4240 are currently scheduled to expire on September 1, 2021.

On April 26, 2021, FINRA filed a proposed rule change to amend FINRA Rules 0180, 4120, 4210, 4220, 4240 and 9610 to clarify the application of its rules to SBS following the SEC's completion of its rulemaking under Title VII of the Dodd-Frank Act regarding SBSDs and major SBS participants (collectively, "SBS Entities").¹⁰ Among other things, the Proposal would adopt a new FINRA Rule 0180, to replace expiring current FINRA Rule 0180, that would generally apply FINRA rules to members' activities and positions with respect to SBS, while providing limited exceptions for SBS in circumstances where FINRA believes such exceptions are appropriate. The Proposal would also adopt a new margin rule specifically applicable to SBS, which would replace the expiring Interim Pilot Program

⁸ In March 2012, the SEC approved amendments to FINRA Rule 4240 that, among other things, limit the rule's application to CDS that are SBS. See Securities Exchange Act Release No. 66527 (March 7, 2012), 77 FR 14850 (March 13, 2012) (Order Approving File No. SR-FINRA-2012-015).

establishing margin requirements for CDS. FINRA originally proposed that the effective date of the Proposal would be October 6, 2021, to align with the SEC's compliance date for registration of SBS Entities (the "Registration Compliance Date"). FINRA noted in the Proposal that it intended to extend the expiration dates of existing FINRA Rules 0180 and 4240 to October 6, 2021 to align with the Registration Compliance Date and implementation of the Proposal.¹¹

After consideration of comments on the Proposal, as well as further feedback from member firms, on August 9, 2021 FINRA filed Partial [sic] Amendment No. 1 to the Proposal.¹² The Amendment (1) extends the effective date of the proposed amendments to FINRA Rules 0180, 4120 and 9610 from October 6, 2021 to February 6, 2022; (2) extends the effective date of the proposed amendments to FINRA Rules 4210, 4220 and 4240 from October 6, 2021 to April 6, 2022; and (3) conforms the proposed definition of "Legacy Swap" in proposed FINRA Rule 4240(d)(12) to reflect the new effective date of April 6, 2022. FINRA noted in the Amendment that it intended to extend the expiration date of existing FINRA Rule 0180 until February 6, 2022, and the expiration date of existing FINRA Rule 4240 until April 6, 2022, so as to align with the new effective dates of the Proposal described above.¹³ Accordingly, the proposed rule change (i) amends existing FINRA Rule 0180 to extend the expiration date of the rule from September 1, 2021 to February 6, 2022 and (ii) amends existing FINRA Rule 4240 to extend the expiration date of the Interim Pilot Program from September 1, 2021 to April 6, 2022. FINRA believes it is appropriate to extend the expiring rules so as to align with the effective dates of the new rules that will replace them, thereby avoiding undue burdens on market participants and undue market disruption.

FINRA also noted in the Amendment that, beginning on the Registration Compliance Date, members may register with the SEC as SBSs, and thereby become subject to the margin requirements applicable to SBSs under Exchange Act Rule 18a-3.¹⁴ Therefore, if a member were to register as an SBS

on the Registration Compliance Date or during the period between the Registration Compliance Date and April 6, 2022, the member would be subject to both the new margin requirements for SBS under Exchange Act Rule 18a-3 and the expiring Interim Pilot Program for CDS. In order to avoid unnecessary regulatory duplication or any potential conflicting obligations as between Exchange Act Rule 18a-3 and the Interim Pilot Program, FINRA is also amending existing, expiring FINRA Rule 4240 to add Supplementary Material .02 to clarify that the rule does not apply to a member that is registered with the SEC as an SBS.¹⁵

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, so FINRA can implement the proposed rule change on September 1, 2021.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,¹⁶ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change would further the purposes of the Act because the proposed rule change will help to avoid undue burdens on market participants and undue market disruption that could result if existing FINRA Rule 0180 expires before the effective date of new FINRA Rule 0180. Similarly, FINRA believes that the proposed rule change is consistent with the Act because extending the implementation of FINRA Rule 4240 will ensure that the Interim Pilot Program establishing margin requirements for CDS will continue to apply until the new SBS margin rule under new FINRA Rule 4240 becomes effective, thereby helping to promote stability in the financial markets and regulatory certainty for members. FINRA further believes that clarifying that the Interim Pilot Program does not apply to a registered SBS will promote

legal certainty and avoid unnecessary regulatory duplication.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. FINRA believes that the proposed rule change would prevent undue burdens on market participants and undue market disruption that would otherwise result if FINRA Rule 0180 expires before the effective date of new FINRA Rule 0180. FINRA believes that, by extending the expiration of FINRA Rule 0180, the proposed rule change will serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection. Similarly, FINRA believes that extending the implementation of the Interim Pilot Program under FINRA Rule 4240 will ensure that the Interim Pilot Program establishing margin requirements for CDS will continue to apply until the new SBS margin rule under new FINRA Rule 4240 becomes effective, thereby helping to promote stability in the financial markets and regulatory certainty for members. FINRA further believes that clarifying that the Interim Pilot Program does not apply to a registered SBS will promote legal certainty and avoid unnecessary regulatory duplication.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁷ and Rule 19b-4(f)(6) thereunder.¹⁸

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of the filing. However, pursuant

¹³ See *supra* note 12.

¹⁴ See *supra* note 12.

¹⁵ FINRA notes that this provision is consistent with the new SBS margin rule under the Proposal, which provides that a member that is registered as an SBS shall instead comply with Exchange Act Rule 18a-3. As discussed in the Proposal, FINRA believes it should defer to the SEC's margin framework for registered SBSs rather than impose additional or different requirements on such entities. See Proposal, *supra* note 10, at 26098.

to Rule 19b-4(f)(6)(iii),¹⁹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. FINRA has requested that the Commission waive the 30-day operative delay requirement so that the proposed rule change may become operative on September 1, 2021. The Commission hereby grants the request. The proposed rule change is consistent with the goals set forth by the Commission when it issued the original temporary exemptive relief,²⁰ as well as the subsequent extensions of the temporary exemptive relief,²¹ and will help avoid undue

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–92845; File No. SR–NYSE–2021–48]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Delete the Order Audit Trail System Rules in the Rule 7400 Series

September 1, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on August 30, 2021, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delete the Order Audit Trail System (“OATS”) rules in the Rule 7400 Series as these Rules provide for the collection of information that is duplicative of the data collection requirements of the CAT. Further, the Financial Industry Regulatory Authority (“FINRA”) has determined to eliminate its OATS rules. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of,

and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Rule 613 of Regulation NMS requires national securities exchanges and FINRA to create, implement, and maintain a consolidated audit trail to capture customer and order event information for orders in NMS Securities and OTC Equity Securities, across all markets, from the time of order inception through routing, cancellation, modification, or execution in a single consolidated data source. The Participants filed the Plan to comply with Rule 613 of Regulation NMS under the Act. The Plan was published for comment in the **Federal Register** on May 17, 2016,³ and approved by the Commission, as modified, on November 15, 2016.⁴

On August 14, 2020, FINRA filed with the Commission a proposed rule change to delete the OATS rules once Industry Members are effectively reporting to the CAT (the “OATS Retirement Filing”).⁵ On October 29, 2020, FINRA filed Amendment No. 1 to the proposed rule change (“Amendment No. 1”) and a response to the comments that were submitted on the original filing (“Response to Comments”).⁶ On November 30, 2020, the Commission approved the proposed rule change, as modified by Amendment No. 1, on an accelerated basis.⁷ On June 17, 2021, FINRA filed a proposed rule change setting forth the basis for its determination that the accuracy and reliability of the CAT meet the

standards approved by the Commission in the OATS Retirement Filing for purposes of eliminating the OATS rules.⁸ The FINRA proposal stated that FINRA would retire OATS effective September 1, 2021.

After conducting an analysis of its rules in accordance with the CAT NMS Plan, the Exchange has determined that the information collected pursuant to the OATS rules is intended to be collected by CAT. Further, the Exchange believes that the Rule 7400 Series will no longer be necessary and proposes to delete such rules from the Exchange’s rulebook unless FINRA decides not to retire OATS as scheduled in which case member organizations will still be required to report to OATS. Discussed below is a description of the duplicative rule requirements as well as the timeline for eliminating the duplicative rules followed by a discussion on the OATS Retirement Filing that formed the basis for retiring OATS.

Duplicative OATS Requirements

The Rule 7400 Series consists of Rules 7410 through 7470 and sets forth the recording and reporting requirements of the OATS Rules. The OATS Rules require all Exchange member organizations and associated persons to record in electronic form and report to FINRA, on a daily basis, certain information with respect to orders originated, received, transmitted, modified, canceled, or executed by members in all NMS stocks, as that term is defined in Rule 600(b)(47) of Regulation NMS,⁹ traded on the Exchange, including NYSE-listed securities. The Exchange relies on the information reported to OATS either to conduct surveillance or to facilitate surveillance conducted by FINRA pursuant to a regulatory services agreement (“RSA”). This information is used by Exchange and FINRA staff to conduct surveillance and investigations of member firms for violations of Exchange and FINRA rules and federal securities laws. The Exchange believes it is appropriate to retire OATS because the requirements of the Rule 7400 Series are duplicative of information available in the CAT and thus will no longer be necessary now that the CAT is operational.
