

subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>12</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>13</sup> normally does not become operative prior to 30 days after the date of the filing. However, Rule 19b-4(f)(6)(iii)<sup>14</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked that the Commission waive the operative delay to permit the Exchange to immediately amend Options 2, Section 5 to distinguish LEAPs for options on equities and ETFs, which have an opening month of 9 months or greater, from LEAPS for index options, which have an opening month of 12 months or greater, thereby conforming Options 2, Section 5(c)(2)(A) to Options 4A, Section 12(b)(2). Further, the Exchange states that amending Options 3, Section 26(a)(3) will continue to provide transparency to members and member organizations with respect to the manner in which the Exchange manages quote traffic. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because (1) it will allow the Exchange to immediately implement the proposed changes which are designed to add clarity and consistency to the Exchange's rules concerning LEAPs and (2) it will allow the Exchange to immediately implement a change designed to better communicate to market participants information concerning quote mitigation. Therefore, the Commission hereby waives the 30-day operative delay and designates the proposed rule change as operative upon filing.<sup>15</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the

Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

#### **Abstract of Proposed Collection**

The Secretary of State is authorized to issue U.S. passports under 22 U.S.C. 211a et seq., 8 U.S.C. 1104, and Executive Order 11295 (August 5, 1966). Department regulations provide that individuals whose valid or potentially valid U.S. passports were lost or stolen must report the lost or stolen passport to the Department of State before receiving a new passport so that the lost or stolen passport can be invalidated (22 CFR parts 50 and 51). The Enhanced Border Security and Visa Entry Reform Act of 2002 (8 U.S.C. 1737) requires the Department of State to collect accurate information on lost or stolen U.S. passports and to enter that information into a data system. Form DS–64 collects information identifying the person who held the valid lost or stolen passport and describing the circumstances under which the passport was lost or stolen. As required by the cited authorities, we use the information collected to accurately identify the passport that must be invalidated and to make a record of the circumstances surrounding the lost or stolen passport.
