

subparagraph (f)(6) of Rule 19b-4 thereunder.¹²

A proposed rule change filed under Rule 19b-4(f)(6)¹³ normally does not become operative prior to 30 days after the date of the filing. However, Rule 19b-4(f)(6)(iii)¹⁴ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked that the Commission waive the operative delay to permit the Exchange to immediately amend Options 2, Section 5 to distinguish LEAPs for options on equities and ETFs, which have an opening month of 9 months or greater, from LEAPs for index options, which have an opening month of 12 months or greater, thereby conforming Options 2, Section 5(c)(2)(A) to Options 4A, Section 12(b)(2). Further, the Exchange states that amending Options 3, Section 26(a)(3) will continue to provide transparency to members and member organizations with respect to the manner in which the Exchange manages quote traffic. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because (1) it will allow the Exchange to immediately implement the proposed changes which are designed to add clarity and consistency to the Exchange's rules concerning LEAPs and (2) it will allow the Exchange to immediately implement a change designed to better communicate to market participants information concerning quote mitigation. Therefore, the Commission hereby waives the 30-day operative delay and designates the proposed rule change as operative upon filing.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the

In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹⁵ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
