**SUPPLEMENTARY INFORMATION:**

*Title:* Appeal of Decisions Relating to Occupancy or Use of National Forest System Lands and Resources.

*OMB Number:* 0596-0231.

*Expiration Date of Approval:* November 30, 2022.

*Type of Request:* Renewal without revision of a currently approved information collection.

*Abstract:* The process for appealing decisions related to occupancy or use of National Forest System lands and resources has been in use since June 5, 2013, and regulated through 36 CFR 214. The purpose of this inquiry is to determine if the required information collected from appellants is necessary or if there are better ways to gather the information needed to process an appeal. The regulation at 36 CFR 214 helps determine if an appealed decision should be affirmed or reversed in whole or in part. These appeal procedures are limited to holders, operators, and solicited applicants who, therefore, are the only individuals or entities subject to the information collection requirement.

*Estimate of Annual Burden:* 8 hours per application.

*Type of Respondents:* People Appealing Decisions Relating to Occupancy or Use of National Forest System Lands and Resources.

*Estimated Annual Number of Respondents:* 25.

*Estimated Annual Number of Responses per Respondent:* One.

*Estimated Total Annual Burden on Respondents:* 200 hours.

*Public Comment:* Public comment is invited on (1) whether this information collection is necessary for the stated purposes and the proper performance of the functions of the Agency, including whether the information will have practical or scientific utility; (2) the accuracy of the Agency's estimate of the burden of the information collection, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the information collection on respondents, including the use of automated, electronic, mechanical, or

other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the request for Office of Management and Budget approval of the information collection.

Dated: September 8, 2021.

**Tina J. Terrell,**

*Associate Deputy Chief, National Forest System.*
