

Finally, the Commission believes that revising Section III.C to specify that ICC's legal group is responsible for reviewing a resignation letter if received, rather than obtaining one, would clarify the role of ICC's legal group.

Thus, the Commission believes that all of these changes, as discussed above, would help to ensure the efficient operation of the Board, Operating Agreement, and Governance Playbook and help to ensure the Operating Agreement and Governance Playbook are clear, free of errors, understandable, and correctly applied. Because ICC operates pursuant to Board oversight and the governance set forth in the Operating Agreement and Governance Playbook, the Commission believes that these improvements would thereby generally help to improve the efficiency and consistency of ICC's operations. The Commission also believes that in so doing, these improvements would thereby help to ensure that ICC is able to promptly and accurately clear and settle securities transactions and assure the safeguarding of securities and funds in ICC's custody or control or for which it is responsible. Therefore, the Commission finds the proposed rule change is consistent with Section 17A(b)(3)(F) of the Act.⁹

B. Consistency With Rule 17Ad-22(e)(2)(i) and (v)

Rules 17Ad-22(e)(2)(i) and (v) require that ICC establish, implement, maintain and enforce written policies and procedures reasonably designed to provide for governance arrangements that are clear and transparent and specify clear and direct lines of responsibility.¹⁰ As discussed above, the Commission believes that the changes to the Operating Agreement and Governance Playbook would help to ensure that both documents are clear, understandable, and free from error. Because ICC's governance operates pursuant to the Operating Agreement and Governance Playbook, the Commission therefore believes the proposed rule change would help to ensure that ICC's governance arrangements are clear. Moreover, the Commission believes that revising Section III.C of the Governance Playbook to specify that ICC's legal group is responsible for reviewing a resignation letter if received, rather than obtaining one, would specify a clear and direct responsibility of the legal group. Therefore, the Commission finds the

proposed rule change is consistent with Rule 17Ad-22(e)(2)(i) and (v).¹¹

IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act, and in particular, with the requirements of Section 17A(b)(3)(F) of the Act¹² and Rules 17Ad-22(e)(2)(i) and (v).¹³

It is therefore ordered pursuant to Section 19(b)(2) of the Act¹⁴ that the proposed rule change (SR-ICC-2021-017) be, and hereby is, approved.¹⁵

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁶

(the "Exchange" or "C2") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe C2 Exchange, Inc. (the "Exchange" or "C2") proposes to make certain corrections to the Rules. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website (http://markets.cboe.com/us/options/regulation/rule_filings/ctwo/), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to make nonsubstantive cleanup changes to its Cboe C2 Exchange Rulebook ("Rulebook") in order to remove inapplicable and obsolete terms.

Specifically, the proposed rule change deletes the definition of "L" Capacity code from Rule 1.1, which currently provides that L Capacity code applies to the account of non-Trading Permit Holder affiliate. The Exchange notes that this Capacity code is not applicable to trading on C2 and only applicable to trading on the Exchange's affiliated options exchange, Cboe Exchange, Inc. ("Cboe Options"), from which the Exchange's current definition of "L" Capacity code was inadvertently copied.⁵ Further, the proposed rule change deletes the term "Voluntary Professional Customer" from Rule 6.5. As of 2019, that Capacity designation is no longer available on C2 Exchange and the Exchange removed the term from its Rulebook. The proposed rule change merely removes the term from Rule 6.5,

¹⁰ 17 CFR 240.17Ad-22(e)(2)(i), (v).

which was inadvertently left in the Rulebook.⁶

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁷ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁸ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁹ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the Exchange believes the proposed rule change will remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, will protect investors and the public interest by removing inapplicable and obsolete terms within the Rules. Specifically, by removing terms that reference Capacities that are not available on the Exchange, the proposed rule change is designed to protect investors by making the Rules more accurate, thereby mitigating any potential investor confusion. The proposed rule change will have no impact on trading on the Exchange, as the proposed rule change is nonsubstantive in nature.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended as a competitive filing, but rather simply updates the Rules to remove inapplicable and obsolete terms that

inadvertently remain in the Rulebook. The proposed rule change makes no substantive changes to the Rules, and thus will have no impact on trading on the Exchange.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing of Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act¹² normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹³ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay. The Exchange believes that waiver of the operative delay is consistent with the protection of investors and the public interest because the proposed rule change will remove inapplicable and obsolete terms within the Rules. The Exchange notes that by removing terms that reference Capacities that are not available on the Exchange, the proposed rule change is designed to protect investors by making the Rules more accurate, thereby mitigating any potential investor confusion. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because the proposed rule change is nonsubstantive in nature and makes the Exchange's rules accurate by removing

inapplicable and obsolete terms. Therefore, the Commission hereby waives the operative delay and designates the proposal as operative upon filing.¹⁴

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-92911; File No. SR-NASDAQ-2021-067]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Extend the Expiration Date of the Temporary Amendments Concerning Video Conference Hearings

September 9, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 30, 2021, The Nasdaq Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit

comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend the expiration date of the temporary amendments in SR-NASDAQ-2020-076 from August 31, 2021, to December 31, 2021.⁴ The proposed rule change would not make any changes to the text of the Exchange rules.

The text of the proposed rule change is available on the Exchange's website at <https://listingcenter.nasdaq.com/rulebook/nasdaq/rules>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to continue to harmonize Exchange Rules 1015, 9261, 9524 and 9830 with recent changes by the Financial Industry Regulatory Authority, Inc. ("FINRA") to its Rules 1015, 9261, 9524 and 9830 in response to the COVID-19 global health crisis and the corresponding need to restrict in-person activities. The Exchange originally filed proposed rule change SR-NASDAQ-2020-076, which allows the Exchange's Office of Hearing Officers ("OHO") and the Exchange Review Council ("ERC") to conduct hearings, on a temporary basis, by video conference, if warranted by the current COVID-19-related public health risks posed by an in-person hearing. In April

⁴ If the Exchange seeks to provide additional temporary relief from the rule requirements identified in this proposed rule change beyond December 31, 2021, the Exchange will submit a separate rule filing to further extend the temporary extension of time. The amended Exchange rules will revert to their original form at the conclusion of the temporary relief period and any extension thereof.

2021, the Exchange filed a proposed rule change, SR-NASDAQ-2021-033, to extend the expiration date of the temporary amendments in SR-NASDAQ-2020-076 from April 30, 2021, to August 31, 2021.⁵ While there are signs of improvement, much uncertainty remains for the coming months. The emergence of the Delta variant, dissimilar vaccination rates throughout the United States, and the uptick in transmissions in many locations indicate that COVID-19 remains an active and real public health concern.⁶ Based on its assessment of current COVID-19 conditions and the lack of a clear timeframe for a sustained and widespread abatement of COVID-19-related health concerns and corresponding restrictions,⁷ the Exchange has determined that there is a continued need for temporary relief for several months beyond August 31, 2021. Accordingly, the Exchange proposes to extend the expiration date of the temporary rule amendments in SR-NASDAQ-2020-076 from August 31, 2021, to December 31, 2021.

On November 5, 2020, the Exchange filed, and subsequently extended to August 31, 2021, SR-NASDAQ-2020-076, to temporarily amend Exchange Rules 1015, 9261, 9524 and 9830 to grant OHO and the ERC authority⁸ to conduct hearings in connection with appeals of Membership Application Program decisions, disciplinary actions, eligibility proceedings and temporary

⁵ See Securities Exchange Act Release No. 91763 (May 4, 2021), 86 FR 25055 (May 10, 2021) (Notice of Filing and Immediate Effectiveness of File No. SR-NASDAQ-2021-033).

⁶ For example, President Joe Biden on July 29, 2021, announced several measures to increase the number of people vaccinated against COVID-19 and to slow the spread of the Delta variant, including strengthening safety protocols for federal government employees and contractors. See <https://www.whitehouse.gov/briefing-room/statements-releases/2021/07/29/fact-sheet-president-biden-to-announce-new-actions-to-get-more-americans-vaccinated-and-slow-the-spread-of-the-delta-variant/>.

⁷ For instance, the Centers for Disease Control and Prevention on July 27, 2021, began recommending that fully vaccinated people wear a mask in public indoor settings in areas of substantial or high transmission and noted that fully vaccinated people might choose to wear a mask regardless of the level of transmission, particularly if they are immunocompromised or at increased risk for severe disease from COVID-19. See <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>. Also, several cities, including Atlanta, Baltimore, Los Angeles, New Haven and San Francisco, have recently reinstated their mask mandates.

⁸ For OHO hearings under Exchange Rules 9261 and 9830, the proposed rule change temporarily grants authority to the Chief or Deputy Chief Hearing Officer to order that a hearing be conducted by video conference. For ERC hearings under Exchange Rules 1015 and 9524, this temporary authority is granted to the ERC or relevant Subcommittee.
