*Title of Collection:* Report of Terms of Credit Card Plans (Form FR 2572) and

Consumer and College Credit Card Agreements.

*OMB Control Number:* 3170–0001.

*Type of Review:* Revision of a currently approved information collection.

*Affected Public:* Businesses and other for-profit institutions.

*Abstract:* The proposed revision to OMB Control Number 3170–0001 will incorporate requirements currently contained in OMB Control Number 3170–0052. Each information collection requires different forms of credit card data from credit card issuers as required by the Truth in Lending Act (TILA) (15 U.S.C. 1601, *et seq.*) and implementing regulations:

- Form FR 2572 collects data on credit card pricing and availability from a sample of at least 150 financial institutions that offer credit cards. The data enables the Bureau to present information to the public on terms of credit card plans;

- Sections 204 and 305 of the Credit Card Accountability Responsibility and Disclosure Act of 2009 (CARD Act), amending TILA, and 12 CFR 1026.57(d) and 226.58 require card issuers to submit to the Bureau:

- Agreements between the issuer and a consumer under a credit card account for an open-end consumer credit plan; and
- any college credit card agreements to which the issuer is a party and certain additional information regarding those agreements.

The data collections enable the Bureau to provide Congress and the public with a centralized and searchable repository for consumer and college credit card agreements and information regarding the arrangements between financial institutions and institutions of higher education.

*Request for Comments:* Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau’s estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the

use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

#### **Comments**

A 60-day Notice requesting public comment was published in the **Federal Register** on June 17, 2021 at Vol. 86, 32249. This comment period ended August 17, 2021. A total of thirty-three comments were received. All comments were reviewed and considered. We are especially sensitive to comments regarding the consequences caused due to the Covid-19 pandemic. We will continue to provide clarity on the use of the Independent Living Survey and how it can be best used as a resource to demonstrate grant outcomes.

*Title of Collection:* Application Package for AmeriCorps Seniors Applications Instructions, Progress Reporting, Independent Living and Respite Surveys.

*OMB Control Number:* 3045-0035.

*Type of Review:* Renewal.

*Respondents/Affected Public:* Businesses and Organizations OR State, Local or Tribal Governments.

*Total Estimated Number of Annual Responses:* 1,250.

*Total Estimated Number of Annual Burden Hours:* 17,820.

*Abstract:* The AmeriCorps Seniors Grant Application is for use by prospective and existing sponsors of AmeriCorps Senior projects under the AmeriCorps Seniors RSVP (RSVP), AmeriCorps Seniors FGP (FGP), AmeriCorps Seniors (SCP), and AmeriCorps Seniors Senior Demonstration Program (SDP). The Project Progress Report, Project Progress Supplement will be used to report progress toward accomplishing work plan goals and objectives, reporting volunteer and service outputs, reporting actual outcomes related to self-nominated performance measures,

meeting challenges encountered, describing significant activities, and requesting technical assistance. The Application Instructions and PPR, PPR-Lite, and PRS forms in this package conform to AmeriCorps' web-based electronic grants management system, eGrants. The SCP Independent Living Survey and SCP Respite Survey are instruments that collect information from a sample of Senior Companion clients and caregivers. The purpose of the surveys is to assess the feasibility of conducting a longitudinal, quasi-experimental evaluation of the impact of independent living and respite services on clients' social ties and perceived social support. The results of the surveys may also be used to inform the feasibility of using a similar instrument to measure client and caregiver outcomes for an evaluation of RSVP. AmeriCorps seeks to renew the current information collection. The revisions are intended to (1) provide additional clarity on existing guidance (Grant Application Instructions, Program Progress Report, and Respite and Independent Living survey) and seek additional information on populations served by AmeriCorps Seniors volunteers (Progress Report Supplement). The information collection will otherwise be used in the same manner as the existing application. AmeriCorps also seeks to continue using the current application until the revised application is approved by OMB. The current application is due to expire on 12/31/2021.

Dated: September 10, 2021.
