Assessment Rate

Consistent with section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. If the assessment rate calculated in the final results is zero or de minimis, we will instruct CBP to liquidate all appropriate entries without regard to countervailing duties.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the Federal Register. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

With respect to the companies for which this administrative review is rescinded (i.e., Agir Haddecilik A.S., Cag Celik Demir ve Celik Endustri A.S., Cinar Boru Profil San Ve Tic. A.S., Mesciler Dis Ticaret Ltd. Sti., MTS Lojistik ve Tasimacilik Hizmetleri TIC A.C. Istanbul, Noksel Celik Boru Sanayi A., SEBA Dis Ticaret A.S., and Tosvali Toyo Celik A.S.), countervailing duties shall be assessed at rates equal to the cash deposit rate required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2019, through December 31, 2019, in accordance with 19 CFR 351.212(c)(1)(i).

Cash Deposit Rate

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount indicated for Ozdemir with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review, except, where the rate calculated in the final results is zero or de minimis, no cash deposit will be required. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Background

On July 25, 2016, Commerce published in the Federal Register the CVD order on CORE from India. On July 1, 2021, Commerce published the notice of initiation of the first sunset review of the CVD order on CORE from India, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). In June 2021, Commerce received timely notices of intent to participate from California Steel Industries (CSI), Cleveland-Cliffs Inc., Nucor Corporation (Nucor) (Nuclear Power Americas Inc. (SDI), and United States Steel Corporation (U.S. Steel) (collectively, domestic interested parties). The companies claimed interested party status under section 771(9)(C) of the Act as domestic producers of CORE.

On July 1, 2021, Commerce received a timely and adequate substantive response from the domestic interested parties. We received no substantive responses from any other interested parties, including the Government of India, nor was a hearing requested. On July 22, 2021, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties. As a result, pursuant to 751(c)(3)(B) of the Act and 19 CFR 351.218(o)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of the CVD order on CORE from India.

Scope of the Order

The product covered by the order is CORE. For a full description of the scope, see the Issues and Decision Memorandum.6

Analysis of Comments Received

All issues raised in this sunset review are addressed in the accompanying Issues and Decision Memorandum, which is hereby adopted by this notice. The issues discussed in the Issues and Decision Memorandum are the likelihood of continuation or recurrence of a countervailable subsidy, the net countervailable subsidy rate likely to prevail if the order were revoked, and the nature of the subsidy programs. A list of the topics discussed in the Issues and Decision Memorandum is attached as an appendix to this notice.

The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at http://enforcement.trade.gov/fm/.

Final Results of Sunset Review
