The Department also invites Tribal youth to the first scheduled climate listening session, which is focused on Tribal youth and climate. SUPPLEMENTARY INFORMATION: The Department of the Interior (DOI) is pleased to announce three upcoming virtual listening sessions for Tribes focused on climate change and Tribal Nations and two upcoming virtual listening sessions for Tribes focused on Tribal discretionary grants. Climate change, equity, and environmental justice are among this Administration's

top priorities. The Department would like to ensure that its efforts and the initiatives it develops to meet these priorities are shaped and designed based on feedback and information received from across Indian Country and Alaska Native Villages. Such initiatives include the Department's Equity Plan, Civilian Climate Corps, the Indian Youth Service Corps, Tribal climate science technical support, climate adaptation and resilience planning and implementation grants, economic development grants, and many more. These listening sessions will inform DOI-wide and Bureau of Indian Affairs (BIA)-led efforts.

Tribes are eligible for a range of discretionary grant programs administered by the BIA, Bureau of Indian Education, and other DOI bureaus. These grant programs can provide funding to support Tribal operations, economic development, education, resilience, preservation of historic places, and other key functions. By identifying and addressing barriers to accessing DOI discretionary grants, the Department can better support Tribes in improving government infrastructure, community infrastructure, education, job training, climate adaptation planning and implementation capacity, and employment opportunities along with other components of long-term sustainable development that work to improve quality of life for their members. These listening sessions will inform DOI efforts to improve access to Tribal discretionary grants.

We are scheduling the following listening sessions to create opportunities for sharing and dialogue about these programs and to learn what Tribes see as important opportunities. Each session has a different focus, as noted below. The following general questions for each session are provided to facilitate discussion during the sessions. More specific questions are provided on the BIA Tribal Climate Resilience website: <https://www.bia.gov/bia/ots/tribal-climate-resilience-program> and the Department's website pertaining to Executive Order 13985: <https://www.doi.gov/ppa/equity/13985>.

DEPARTMENT OF THE INTERIOR

National Indian Gaming Commission

Notice of Approved Class III Tribal Gaming Ordinances

AGENCY: National Indian Gaming Commission.

ACTION: Notice.

SUMMARY: The purpose of this notice is to inform the public of Class III tribal gaming ordinances approved by the Chairman of the National Indian Gaming Commission.

DATES: *Applicable Date:* This notice is applicable October 6, 2021.

FOR FURTHER INFORMATION CONTACT: Tearanie McCain, Office of General Counsel at the National Indian Gaming Commission, 202–632–7003, or by facsimile at 202–632–7066 (not toll-free numbers).

SUPPLEMENTARY INFORMATION: The Indian Gaming Regulatory Act (IGRA) 25 U.S.C. 2701 *et seq.*, established the

National Indian Gaming Commission (Commission). Section 2710 of IGRA authorizes the Chairman of the Commission to approve Class II and Class III tribal gaming ordinances. Section 2710 (d) (2) (B) of IGRA, as implemented by NIGC regulations, 25 CFR 522.8, requires the Chairman to publish, in the **Federal Register**, approved Class III tribal gaming ordinances and the approvals thereof.

IGRA requires all tribal gaming ordinances to contain the same requirements concerning tribes' sole proprietary interest and responsibility for the gaming activity, use of net revenues, annual audits, health and safety, background investigations and licensing of key employees and primary management officials. The Commission, therefore, believes that publication of each ordinance in the **Federal Register** would be redundant and result in unnecessary cost to the Commission.

Thus, the Commission believes that publishing a notice of approved Class III tribal gaming ordinances in the **Federal Register** is sufficient to meet the requirements of 25 U.S.C. 2710 (d) (2) (B). Beginning September 30, 2021, the NIGC will publish the notice of approved gaming ordinances quarterly, by March 31, June 30, September 30, and December 31 of each year.

Every approved tribal gaming ordinance, every approved ordinance amendment, and the approval thereof, will be posted on the Commission's website (www.nigc.gov) under General Counsel, Gaming Ordinances within five (5) business days of approval. Also, the Commission will make copies of approved Class III ordinances available to the public upon request. Requests can be made in writing to the Office of General Counsel, National Indian Gaming Commission, Attn: Tearanie McCain, C/O Department of the Interior, 1849 C Street NW, MS #1621, Washington, DC 20240.
