

Areas (RNA) and Botanical Areas (BA) on the Black Hills National Forest;

11. A letter to the Secretary and the Chief of the Forest Service to work, restore, and maintain open space for wildlife habitat and recreation needs like snowmobile trails; and

12. Annual reports to the Secretary detailing the Board's activities, issues, and accomplishments.

The reestablishment of the Board is deemed to be among the most effective public involvement strategies in the Forest Service and continues to lead by example for Federal, State, and local government agencies working to coordinate and cooperate in the Black Hills of South Dakota and Wyoming.

Background

Pursuant to the Federal Advisory Committee Act (5 U.S.C. App. II); notice is hereby given that the Secretary of Agriculture intends to re-establish the charter of the Black Hills National Forest Advisory Board. The Board provides advice and recommendations on a broad range of forest issues and, in accordance with the Federal Lands Recreation Enhancement Act (Pub. L. 108-447 (FLREA)), more specifically will provide advice and recommendations on Black Hills National Forest recreation fee issues (serving as the RRAC for the Black Hills National Forest). The Board membership consists of individuals representing commodity interests, amenity interests, and State and local government.

The Board has been determined to be in the public interest in connection with the duties and responsibilities of the Black Hills National Forest. National forest management requires improved coordination among the interests and governmental entities responsible for land management decisions and the public that the agency serves.

Advisory Committee Organization

The Board consists of 16 members that are representative of the following interests (this membership is similar to the membership outlined by the Secure Rural Schools and Community Self Determination Act for Resource Advisory Committees (16 U.S.C. 500, *et seq.*)):

1. Economic development;
2. Developed outdoor recreation, off-highway vehicle users, or commercial recreation;
3. Energy and mineral development;
4. Forest products industry;
5. Grazing or other permit holders;
6. Nationally recognized environmental organization;
7. Regionally recognized environmental organization;

8. Dispersed recreation;

9. Archaeological, cultural, and historical interests;

10. Nationally or regionally recognized sportsmen's groups, such as anglers or hunters;

11. State, county, local-elected or South Dakota or Wyoming appointed office holders (3 positions);

12. Tribal government elected or appointed officials;

13. State Natural Resource Agency, South Dakota; and

14. State Natural Resource Agency, Wyoming.

No individual who is currently registered as a Federal lobbyist is eligible to serve as a member of the Committee. The Committee will meet approximately nine times and will attend at least one summer field tour as determined by the Designated Federal Officer (DFO).

The members of the Board will elect and determine the responsibilities of the Chairperson and the Vice-Chairperson. In the absence of the Chairperson, the Vice-Chairperson will act in the Chairperson's stead. The Forest Supervisor of the Black Hills National Forest serves as the Designated Federal Officer (DFO) under sections 10(e) and (f) of the Federal Advisory Committee Act (5 U.S.C. App. II).

Members will serve without compensation but may be reimbursed for travel expenses while performing duties on behalf of the Board, subject to approval by the DFO.

Equal opportunity practices are followed in all appointments to the Board in accordance with USDA policies. To ensure that the recommendations of the Board have taken into account the needs of diverse groups served by the Black Hills National Forest, membership shall include, to the extent practicable, individuals with demonstrated ability to represent the needs of men and women of all racial and ethnic groups, and persons with disabilities.
