Title: SNAP Benefit Storage and Expungement.

Form Number: Not Applicable.

OMB Number: 0584-NEW.

Expiration Date: Not Yet Determined.

Type of Request: New collection.

Abstract: The Department published the final rule, “Supplemental Nutrition Assistance Program: 2008 Farm Bill Provisions on Clarification of Split Issuance; Accrual of Benefits and Definition Changes,” on August 24, 2020, (85 FR 52025), to implement the mandatory SNAP benefit storage and expungement provisions of the Food, Conservation and Energy Act of 2008, Public Law 110–234 (2008 Farm Bill). In the final rule, the Department also adopted as final the provisions in the Agriculture Improvement Act of 2018, Public Law 115–334 (2018 Farm Bill), which made additional mandatory changes to the provisions governing the storage and expungement of unused benefits.

These Farm Bill provisions require State agencies to provide a 30-day advance notice prior to permanently expunging unused SNAP benefits after nine months of inactivity. State agencies that opt to take unused benefits off-line after three months of SNAP EBT account inactivity must also provide up to 10 days advance or concurrent notice prior to taking such action and to reinstate benefits stored off-line within 48 hours of a household’s request if the benefits have not reached the expungement timeframe. Currently, only six State agencies are exercising the option to store unused benefits off-line prior to expungement. This information is currently being collected without OMB approval.
