SUPPLEMENTARY INFORMATION:

Background

The John D. Dingell, Jr. Conservation, Management, and Recreation Act (Pub. L. 116-9, March 2019) established the John S. McCain III 21st Century Conservation Service Corps Act (21 CSC Act) that amends and expands the Public Lands Corps Act. Contained

within the 21 CSC Act is the establishment of the Indian Youth Service Corps (IYSC) Program. The intent of the IYSC Program is to provide a direct benefit to members of federally recognized Indian Tribes or Alaska Native corporations. The IYSC Program will provide meaningful education, employment, and training opportunities to its participants through conservation projects on eligible service land, which includes public lands, Indian lands, and Hawaiian homelands.

While the Public Land Corps is established in the Departments of Agriculture and Commerce in addition to the Department of the Interior, the Act specifically charges the Secretary of the Interior with issuing guidelines for the management of the Indian Youth Service Corps (16 U.S.C. 1727b(c)).
