For entries of subject merchandise during the POR produced by Liberty for which it did not know that its merchandise was destined for the United States, we intend to instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.<sup>11</sup>

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of cold-rolled steel from the United Kingdom entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review in the **Federal Register**, as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for Liberty will be equal to the weighted-average dumping margin listed above for the final results of this administrative review; (2) for merchandise exported by companies not covered in this review, but covered in the most recently completed segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer is, then the cash deposit rate will be the company-specific rate established for the most recently completed segment for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 22.58 percent, the all-others rate established in the less-than-fair-value investigation.<sup>12</sup>

These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Disclosure

Normally, Commerce discloses to the parties in a proceeding the calculations performed in connection with a final results of review within five days after

<sup>10</sup> In these final results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012).

<sup>11</sup> See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

public announcement of final results.<sup>13</sup> However, because Commerce made no adjustments to the margin calculation methodology used in the *Preliminary Results*, there are no revised calculations to disclose for the final results of review.

### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

### Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

### Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.221(b)(5).

### Fine Denier Polyester Staple Fiber from India: Final Results of Antidumping Duty Administrative Review; 2019-2020

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) assigned Reliance Industries Limited (RIL), the sole respondent subject to this antidumping duty (AD) administrative review, a dumping margin based on total adverse facts available (AFA). The period of review (POR) is July 1, 2019, through June 30, 2020.

**DATES:** Applicable November 12, 2021.

### FOR FURTHER INFORMATION CONTACT:

Paola Aleman Ordaz, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4031.

### SUPPLEMENTARY INFORMATION:

#### Background

On July 22, 2021, Commerce published in the **Federal Register** the preliminary results of this administrative review of the AD order on fine denier polyester staple fiber (fine denier PSF) from India.<sup>1</sup> Although we provided interested parties with an opportunity to comment on the *Preliminary Results*, no interested party submitted comments. Accordingly, no decision memorandum accompanies this **Federal Register** notice.<sup>2</sup>

Commerce conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

#### Scope of the Order<sup>3</sup>

The product covered by the *Order* is fine denier polyester staple fiber from India. For a complete description of the

<sup>1</sup> See *Fine Denier Polyester Staple Fiber from India: Preliminary Results of Antidumping Duty Administrative Review; 2019-2020*, 86 FR 38683 (July 22, 2021) (*Preliminary Results*), and the accompanying Preliminary Decision Memorandum (PDM).

<sup>2</sup> For further details on the issues addressed in this review, see *Preliminary Results* PDM.

<sup>3</sup> See *Fine Denier Polyester Staple Fiber from the People's Republic of China and India: Amended Final Affirmative Countervailing Duty Determination for the People's Republic of China and Countervailing Duty Orders for the People's Republic of China and India*, 83 FR 12149 (March 20, 2018) (*Order*).

scope of the *Order*, see the Preliminary Decision Memorandum.

**Changes Since the Preliminary Results**

Rather than subtracting the export subsidy rate that Commerce determined in the 2017–2018 administrative review in the companion countervailing duty (CVD) proceeding<sup>4</sup> from the AFA rate assigned to RIL to derive its cash deposit rate, we subtracted the export subsidy rate calculated for RIL in the most recently completed segment of the companion CVD proceeding.<sup>5</sup>

**Use of Adverse Facts Available**

We continue to find that the application of total AFA, pursuant to sections 776(a) and (b) of the Act, is warranted in determining RIL’s dumping margin because it withheld information regarding its sales and cost reconciliations and potential affiliations, incorrectly reported control numbers, and provided unreliable and unusable sales and cost databases.<sup>6</sup> Therefore, as in the *Preliminary Results*, as AFA, we assigned RIL a dumping

margin of 21.43 percent. No interested party commented on this determination.

Commerce is not required to corroborate any dumping margin applied in a separate segment of the same proceeding. Because the 21.43 percent rate was applied in a separate segment of this proceeding, Commerce does not need to corroborate the rate in this review.

**Final Results of the Review**

The final estimated weighted-average dumping margin is as follows:

Exporter/producer	Estimated weighted-average dumping margin (percent)	Cash deposit rate adjusted for subsidy offset (percent) <sup>7</sup>
Reliance Industries Limited .....	21.43	19.33

<sup>7</sup> We subtracted the 2.10 percent export subsidy rate that Commerce calculated in the most recently completed segment of the companion CVD proceeding (*i.e.*, the final results of the 2019 administrative review), from the dumping margin of 21.43 percent.

**Disclosure**

Normally, Commerce discloses to parties to the proceeding the calculations that it performed in connection with the final results of an AD administrative review within five days after the date of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because Commerce applied a dumping margin to RIL based entirely on AFA in accordance with section 776 of the Act, there are no calculations to disclose.

**Assessment Rates**

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

<sup>4</sup> See *Fine Denier Polyester Staple Fiber from India: Final Results of Countervailing Duty Administrative Review; 2017–2018*, 85 FR 86537 (December 30, 2020).

**Cash Deposit Requirements**

The following cash deposit requirements will be effective for all shipments of fine denier PSF from India entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for RIL will be equal to the weighted-average dumping margin, adjusted for the subsidy offset, from the table above; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the most recently established rate for the manufacturer or exporter in a completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the most recently established rate for the manufacturer of the merchandise in a completed segment of the proceeding; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 14.67 percent *ad valorem*, the all-others rate established in the less-than-fair-value investigation, adjusted for subsidy offsets.<sup>8</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

<sup>6</sup> See *Preliminary Results*.

**Notification to Importers**

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Notification Regarding Administrative Protective Order**

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information, disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

**Notification to Interested Parties**

These final results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

#### SUPPLEMENTARY INFORMATION:

##### Background

On August 18, 2021, Commerce published in the **Federal Register** the *Preliminary Rescission* of this NSR.<sup>1</sup> On September 17, 2021, Hualing filed its case brief and also requested a public hearing.<sup>2</sup> On September 24, 2021, the American Kitchen Cabinet Alliance (the petitioner) submitted its rebuttal brief.<sup>3</sup> On October 22, 2021, we held a public hearing, pursuant to 19 CFR 351.310(c).

<sup>1</sup> See *Wooden Cabinets and Vanities and Components Thereof from the People's Republic of China: Preliminary Rescission of Antidumping Duty New Shipper Review; 2020*, 86 FR 46178 (August 18, 2021) (*Preliminary Rescission*).

The products covered by the *Order* are wooden cabinets and vanities that are for permanent installation (including floor mounted, wall mounted, ceiling hung or by attachment of plumbing), and wooden components thereof. For a complete description of the scope of the *Order*, see the Issues and Decision Memorandum.<sup>5</sup>

#### Analysis of Comments Received

All issues raised in this NSR are addressed in the Issues and Decision Memorandum, which is hereby adopted by this notice.<sup>6</sup> The Issues and Decision Memorandum is a public document and is on file via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Service System (ACCESS). #### Rescission of the Antidumping Duty New Shipper Review

Based on information on the record, we determine that Hualing does not meet the minimum requirements under 19 CFR 351.214(b)(2)(i) for a NSR. Therefore, we determine that it is appropriate to rescind the NSR with respect to Hualing.

#### Assessment Rate

Commerce does not intend to instruct U.S. Customs and Border Protection (CBP) to liquidate the relevant entry because the entry is subject to the administrative review covering the period April 1, 2020, through March 31, 2021, initiated on June 11, 2021.<sup>7</sup>

#### Cash Deposit Instructions
