The 60-day advance labor notice requirements. DGNO's waiver request will be addressed in a subsequent decision, and the effectiveness of the exemption will be postponed pending that decision. As required under 49 CFR 1150.43(h)(1), DGNO has disclosed in its verified notice that its lease agreement with UP contains an interchange commitment pertaining to interchange with carriers other than UP. DGNO has provided additional information regarding the interchange commitment as required by 49 CFR 1150.43(h).

If the notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed no later than November 26, 2021. All pleadings, referring to Docket No. FD 36545, should be filed with the Surface Transportation Board via e-filing on the Board's website. In addition, a copy of each pleading must be served on DGNO's representative, Eric M. Hocky, Clark Hill PLC, Two Commerce Square, 2001 Market Street, Suite 2620, Philadelphia, PA 19103.

According to DGNO, this action is categorically excluded from environmental review under 49 CFR 1105.6(c) and from historic reporting under 49 CFR 1105.8(b). Board decisions and notices are available at www.stb.gov.

By the Board, Scott M. Zimmerman, Acting

Supplementary Information: I. Public Participation and Request for Comments

FMCSA encourages you to participate by submitting comments and related materials.

Submitting Comments

If you submit a comment, please include the docket number for this notice (FMCSA–2021–0155), indicate the specific section of this document to which the comment applies, and provide a reason for suggestions or recommendations. You may submit your comments and material online or by fax, mail, or hand delivery, but please use only one of these means. FMCSA recommends that you include your name and a mailing address, an email address, or a phone number in the body of your document so the Agency can contact you if it has questions regarding your submission.

To submit your comments online, go to www.regulations.gov and put the docket number, “FMCSA–2021–0155”, in the “Keyword” box, and click “Search.” When the new screen appears, click on “Comment Now!” button and type your comment into the text box in the following screen. Choose whether you are submitting your comment as an individual or on behalf of a third party and then submit. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the facility, please enclose a stamped, self-addressed postcard or envelope. FMCSA will consider all
comments and material received during the comment period and may grant or not grant this application based on your comments.

II. Legal Basis

FMCSA has authority under 49 U.S.C. 31315(b) to grant exemptions from certain parts of the Federal Motor Carrier Safety Regulations (FMCSRs). FMCSA must publish a notice of each exemption request in the Federal Register (49 CFR 381.315(a)). The Agency must provide the public an opportunity to inspect the information relevant to the application, including any safety analyses that have been conducted. The Agency must also provide an opportunity for public comment on the request.

The Agency reviews safety analyses and public comments submitted and determines whether granting the exemption would likely achieve a level of safety equivalent to, or greater than, the level that would be achieved by the current regulation (49 CFR 381.305). The decision of the Agency must be published in the Federal Register (49 CFR 381.315(b)) with the reasons for denying or granting the application and, if granted, the name of the person or class of persons receiving the exemption, and the regulatory provision from which the exemption is granted. The notice must also specify the effective period (up to 5 years) and explain the terms and conditions of the exemption. The exemption may be renewed (49 CFR 381.300(b)).

III. Verizon’s Application for Exemption

The Federal Motor Carrier Safety Regulations require devices meeting the definition of “vehicle safety technology,” including Verizon’s Integrated Video Dashcam, such as Collision Mitigation Systems, Adaptive Cruise Control, Lane Departure Warning, Lane Keeping Assist, Collision Mitigation, High Beam Assist, and Traffic Sign Recognition, to be mounted (1) not more than 4 inches below the upper edge of the area swept by the windshield wipers, or (2) not more than 7 inches above the lower edge of the area swept by the windshield wipers, and outside the driver’s sight lines to the road and highway signs and signals. Verizon has applied for an exemption from 49 CFR 393.60(e)(1) to allow its Integrated Video Dashcam to be mounted lower in the windshield than is currently permitted. A copy of the application is included in the docket referenced at the beginning of this notice.

IV. Request for Comments

In accordance with 49 U.S.C. 31315(b)(6), FMCSA requests public comment from all interested persons on Verizon’s application for an exemption from 49 CFR 393.60(e)(1). All comments received before the close of business on the comment closing date indicated at the beginning of this notice will be considered and will be available for examination in the docket at the location listed under the ADDRESSES section of this notice. Comments received after the comment closing date will be filed in the public docket and will be considered to the extent practicable. In addition to late comments, FMCSA will also continue to file, in the public docket, relevant information that becomes available after the comment closing date. Interested persons should continue to examine the public docket for new material.

Larry W. Minor,
Associate Administrator for Policy.

DEPARTMENT OF TRANSPORTATION
National Highway Traffic Safety Administration
[Docket No. NHTSA–2021–0033]

Agency Information Collection Activities; Notice and Request for Comment; Government 5-Star Safety Ratings Label Consumer Research

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation (DOT).

ACTION: Notice and request for public comments on approval of a new collection of information.

SUMMARY: The National Highway Traffic Safety Administration (NHTSA) invites public comments about our intention to request approval from the Office of Management and Budget (OMB) for a new collection of information. Before a federal agency can collect certain information from the public, it must receive approval from OMB. Under procedures established by the Paperwork Reduction Act of 1995, before seeking OMB approval, Federal agencies must solicit public comment on proposed collections of information, including extensions and reinstatements of previously approved collections. This document describes one collection of information for consumer research purposes regarding the Government 5-Star Safety Ratings section of the Monroney label for which NHTSA intends to seek OMB approval. On April 28, 2020, NHTSA published a notice in the Federal Register soliciting public comments with a 60-day comment period. NHTSA received 4 public comments submitted to the docket during this period. Given the extended time period since the initial publication of that notice, NHTSA is publishing this new 60-day notice. This notice also responds to the comments received on the original notice.

DATES: Written comments should be submitted on or before January 18, 2022.

ADDRESSES: You may submit comments, identified by the docket number NHTSA–2021–0033 by any of the following methods:

• Electronic submissions: Go to the Federal eRulemaking Portal at http://www.regulations.gov. Follow the online instructions for submitting comments.

• Mail or Hand Delivery: Docket Management, U.S. Department of Transportation, 1200 New Jersey Avenue SE, West Building Ground Floor, Room W12–140, Washington, DC 20590, between 9 a.m. and 5 p.m. Eastern Time, Monday through Friday, except on Federal holidays. To be sure someone is there to help you, please call (202) 366–9322 before coming.

• Fax: 202–493–2251.

Instructions: All submissions must include the agency name and docket number for this notice. For detailed instructions on submitting comments and additional information on the information-collection process, see the Public Participation heading of the Supplementary Information section of this document. Note that all comments received will be posted without change to http://www.regulations.gov, including any personal information provided. Please see the Privacy Act heading below.

Privacy Act: Anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT’s complete Privacy Act Statement in the Federal Register published on April 11, 2000 (65 FR 19477–78) or you may visit https://www.transportation.gov/privacy.

Docket: For access to the docket to read background documents or comments received, go to http://www.regulations.gov, or the street address listed above. Follow the online instructions for accessing the dockets via internet.
