SUPPLEMENTARY INFORMATION: In a letter submitted to the docket dated November 18, 2021, the American Public Transportation Association (APTA), on behalf of more than 1,300 member organizations, requested a 30-day extension of the comment period seeking input on Title VI implementation published in the **Federal Register** on November 3, 2021 (86 FR 60735). As justification for this extension, APTA cited the upcoming holidays, increased grant activity with the recent signing of the recent infrastructure law, and ongoing responses to the COVID-19 pandemic as pulling transit systems in many directions. APTA believes an extension of time would facilitate its members' ability to formulate thoughtful and proactive comments responsive to FTA's request for information.

Given the importance of Title VI implementation and the desire for a robust dialogue on a possible update of FTA's Title VI Circular, FTA believes an extension of time is justified, and an additional 30 days in which to submit comments is adequate. FTA is not republishing the Questions to the Public in this document. Instead, please refer to the November 3, 2021 RFI (86 FR 60735) to view the original questions regarding Title VI implementation.

Scott Giering,

Deputy Associate Administrator for Civil Rights.
