

benefit from engagement with underserved communities and populations on the approach to the research and available data and expertise.

Equitable Sustained Prosperity

To what extent do minority business enterprises (MBEs) participate, produce, innovate, and compete in manufacturing? What Department actions would be most effective in increasing MBE participation in manufacturing?

What types of Economic Development Administration funded activities (including those funded by CARES and the American Rescue Plan) are associated with the strongest long-term economic advances, particularly for underserved communities and populations?

What is the best approach to increasing capital available to minority businesses?

What are the most significant barriers to providing business assistance to underserved communities and populations? How can they be removed?

Data Availability and Usability

What datasets are available/needed to track the impact of Department programs on historically underserved communities/populations?

What refinements and new statistics can best support better and more equitable management of the economy?

What internal processes and publicly facing Commerce tools will democratize data access and improve awareness of the Commerce data inventory?

Weather and Climate Information

How can NOAA provide more effective and equitable climate mitigation and adaptation science breakthroughs?

How can weather forecasts be communicated effectively to vulnerable populations?

What additional models and tools do communities need to better prepare for coastal inundation at seasonal, annual, and multi-year timescales?

Advisory Committee on Supply Chain Competitiveness Renewal

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, with the concurrence of the General Services Administration, renewed the Advisory Committee on Supply Chain Competitiveness.

DATES: The charter for the Advisory Committee on Supply Chain Competitiveness was renewed on November 10, 2021.

FOR FURTHER INFORMATION CONTACT: Richard Boll, Supply Chain Team, Room 11004, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; phone 202–482–1135; email: richard.boll@trade.gov.

SUPPLEMENTARY INFORMATION: The Department of Commerce, with the concurrence of the General Services Administration, renewed the Advisory Committee on Supply Chain Competitiveness. The effective date of the charter renewal is November 10, 2021. This Notice is published in accordance with the Federal Advisory Committee Act (FACA). It has been determined that renewal of the Committee is necessary and in the public interest. The Committee was established pursuant to Commerce's authority under 15 U.S.C. 1512, in accordance with the FACA, and with the concurrence of the General Services Administration. The Committee provides advice to the Secretary on the necessary elements of a comprehensive policy approach to supply chain competitiveness designed to support U.S. export growth and national economic competitiveness, encourage innovation, facilitate the movement of goods, and improve the competitiveness of U.S. supply chains for goods and services in the domestic and global economy; and to provide advice to the Secretary on regulatory policies and

programs and investment priorities that affect the competitiveness of U.S. supply chains. The total number of members that may serve on the Committee is a maximum of 45.

Dated: November 29, 2021.

Heather Sykes,

Director, Office of Supply Chain, Professional, and Business Services.
