

available to state agencies that administer such benefits. The Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Public Law 104–208, 110 Stat. 3009 (1996) grants federal, state or local government agencies seeking to verify or ascertain the citizenship or immigration status of any individual within the jurisdiction of the agency with the authority to request such information from DHS–USCIS for any purpose authorized by law.

Purpose: The purpose of this Agreement is to re-establish the terms and conditions governing NJ–LWD’s access to, and use of, the DHS–USCIS Systematic Alien Verification for Entitlements (SAVE) Program, which provides immigration status information from federal immigration records to authorized users, and to comply with the Computer Matching and Privacy Protection Act of 1988 (CMPPA).

NJ–LWD will use the SAVE Program to verify the immigration status of non-U.S. citizens who apply for federal benefits (Benefit Applicants) under the Unemployment Compensation (UC) benefits program that it administers. NJ–LWD will use the information obtained through the SAVE Program to determine whether Benefit Applicants possess the requisite immigration status to be eligible for the UC benefits administered by NJ–LWD.

This Agreement describes the respective responsibilities of DHS–USCIS and NJ–LWD to verify Benefit Applicants’ immigration status while safeguarding against unlawful discrimination and preserving the confidentiality of information received from the other party. The requirements of this Agreement will be carried out by authorized employees and/or contractor personnel of DHS–USCIS and NJ–LWD.

Categories of Individuals: The persons about whom DHS–USCIS maintains information, which is contained in its Verification Information System (VIS) database used by the SAVE Program to verify immigration status, that are involved in this matching program include noncitizens (meaning any person as defined in Immigration and Nationality Act section 101(a)(3)), those naturalized, and to the extent those that have applied for Certificates of Citizenship, derived U.S. citizens, on whom DHS–USCIS has a record as an applicant, petitioner, sponsor, or beneficiary. The persons about whom NJ–LWD maintains information that is involved in this matching program include non-citizen Benefit Applicants for, or recipients of, UC administered by NJ–LWD. The persons referred to here are only considered individuals as

defined by the Privacy Act, and thus covered under this matching program, to the extent they are U.S. citizens or lawful permanent residents.

Categories of Records: Data elements to be matched between NJ–LWD records and DHS–USCIS federal immigration records include the following: Last Name, First Name, Middle Name, Date of Birth, Immigration Numbers (e.g., Alien Registration/USCIS Number, I–94 Number, SEVIS ID Number, Certificate of Naturalization Number, Certificate of Citizenship Number, or Unexpired Foreign Passport Number), and Other Information from Immigration Documentation (for example, Country of Birth, Date of Entry, Employment Authorization Category). Additional Data elements provided to NJ–LWD from DHS–USCIS records related to the match may include: Citizenship or Immigration Data (for example, immigration class of admission and/or employment authorization), Sponsorship Data (for example, name, address, and social security number of Form I–864/I–864EZ sponsors and Form I–864A household members, when applicable) and Case Verification Number.

System of Records: DHS/USCIS–004 Systematic Alien Verification for Entitlements (SAVE) System of Records Notice, 84 FR 31798 (May 27, 2020).
