
You may review the public docket containing the proposal, any comments received, and any final disposition in person in the Dockets Office (see the ADDRESSES section for the address and phone number) between 9:00 a.m. and 5:00 p.m., Monday through Friday, except federal holidays. An informal docket may also be examined during normal business hours at the Federal Aviation Administration, Air Traffic Organization, Central Service Center, Operations Support Group, 10101 Hillwood Parkway, Fort Worth, TX 76177.

Availability and Summary of Documents for Incorporation by Reference

This document proposes to amend FAA Order JO 7400.11F, Airspace Designations and Reporting Points, dated August 10, 2021, and effective September 15, 2021. FAA Order JO 7400.11F is publicly available as listed in the ADDRESSES section of this document. FAA Order JO 7400.11F lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Proposal

The FAA is proposing an amendment to 14 CFR part 71 by amending the Class E airspace extending upward from 700 feet above the surface at Garner Field Airport at Uvalde, TX, by removing the Uvalde NDB, and the associated extensions from the airspace legal description as they are no longer required; to coincide with the FAA’s aeronautical database.

This action is the result of an airspace review caused by the decommissioning of the Uvalde NDB.

Class E airspace designations are published in paragraph 6005 of FAA Order JO 7400.11F, dated August 10, 2021, and effective September 15, 2021, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in FAA Order JO 7400.11.

FAA Order JO 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial and unlikely to result in adverse or negative comments. It, therefore: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

The Proposed Amendment

Accordingly, pursuant to the authority delegated to me, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of FAA Order JO 7400.11F, Airspace Designations and Reporting Points, dated August 10, 2021, and effective September 15, 2021, is amended as follows:

Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth.

ASW TX E5 Uvalde, TX [Amended]

Garner Field Airport at Uvalde, TX (Lat. 29°12’41" N, long. 99°44’37" W)

That airspace extending upward from 700 feet above the surface within a 6.5-mile radius of the Garner Field Airport.
to register can be found at https://www.epa.gov/renewable-fuel-standard-program/public-hearing-information-proposed-renewable-fuel-standards-2020. Additional information regarding the hearing appears below under SUPPLEMENTARY INFORMATION.

FOR FURTHER INFORMATION CONTACT: Nick Parsons, Office of Transportation and Air Quality, Assessment and Standards Division, Environmental Protection Agency, 2000 Traverwood Drive, Ann Arbor, MI 48105; telephone number: (734) 214–4479; email address: ASD-Registration@epa.gov.

SUPPLEMENTARY INFORMATION: EPA is proposing to modify the 2021 and 2022 statutory volume targets for cellulosic biofuel, advanced biofuel, and total renewable fuel, and to establish the 2022 volume target for biomass-based diesel, as well as to modify the previously established cellulosic biofuel, advanced biofuel, and total renewable fuel volume requirements for 2020. In addition, EPA is proposing the 2020, 2021, and 2022 renewable fuel standards for all four of the above biofuel categories. EPA is also proposing to address the remand of the 2016 standard-setting rulemaking, as well as several regulatory changes to the Renewable Fuel Standard (RFS) program including regulations for the use of biointermediates to produce qualifying renewable fuel, flexibilities for regulated parties, clarifications of existing regulations, and an extension of certain RFS compliance and attest engagement reporting deadlines. The RFS Annual Rules proposal was signed on December 7, 2021, and will be published separately in the Federal Register on a later date. The pre-publication version is available at https://www.epa.gov/renewable-fuel-standard-program/proposed-volume-standards-2020-2021-and-2022.

Participation in virtual public hearing. Please note that EPA is deviating from its typical approach because the President has declared a national emergency. Because of current Centers for Disease Control and Prevention (CDC) recommendations, as well as state and local orders for social distancing to limit the spread of COVID–19, EPA cannot hold in-person public meetings at this time.

Information on how to register for the hearing can be found at https://www.epa.gov/renewable-fuel-standard-program/public-hearing-information-proposed-renewable-fuel-standards-2020. The last day to pre-register to speak at the hearing will be December 20, 2021.

Each commenter will have 3 minutes to provide oral testimony. EPA may ask clarifying questions during the oral presentations, but will not respond to the presentations at that time. Written statements and supporting information submitted during the comment period will be considered with the same weight as oral comments and supporting information presented at the public hearing.

Please note that any updates made to any aspect of the hearing will be posted online at https://www.epa.gov/renewable-fuel-standard-program/public-hearing-information-proposed-renewable-fuel-standards-2020. While EPA expects the hearing to go forward as set forth above, please monitor the website or contact the person listed in the FOR FURTHER INFORMATION CONTACT section to determine if there are any updates. EPA does not intend to publish a document in the Federal Register announcing updates.

If you require the services of a translator or special accommodations such as audio description, please pre-register for the hearing and describe your needs by December 20, 2021. EPA may not be able to arrange accommodations without advance notice.

How can I get copies of the proposed action and other related information? EPA has established a docket for this action under Docket ID No. EPA–HQ–OAR–2021–0324. EPA has also developed a website for the RFS program, including the proposal, which is available at https://www.epa.gov/renewable-fuel-standard-program. Please refer to the notice of proposed rulemaking for detailed information on accessing information related to the proposal.

William Charmley,
Director, Assessment and Standards Division,
Office of Transportation and Air Quality,
Office of Air and Radiation.

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 64

[WC Docket No. 12–375, DA 21–1422; FR 58958]

Wireline Competition Bureau Seeks Comment on Securus Technologies, LLC’s Petition for Waiver of the Inmate Calling Services Per-Minute Rate Requirement

AGENCY: Federal Communications Commission.

ACTION: Solicitation of Comments.

SUMMARY: The Wireline Competition Bureau seeks comment on a petition filed by Securus Technologies, LLC asking the Commission to waive certain sections of its regulations, which require interstate and international inmate calling services calls to be charged to customers only on a per-minute basis.

DATES: Comments are due January 7, 2021, and Reply comments are due January 21, 2022.

ADDRESSES: You may submit comments, identified by WC Docket No. 12–375, by any of the following methods:

• Electronic Filers: Comments may be filed electronically using the internet by accessing the ECFS: https://apps.fcc.gov/ecfs/

• Paper Filers: Parties who choose to file by paper must file an original and one copy of each filing.

• Filings can be sent by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail. All filings must be addressed to the Commission’s Secretary, Office of the Secretary, Federal Communications Commission.

• Commercial overnight mail (other than U.S. Postal Service Express Mail and Priority Mail) must be sent to 9050 Junction Drive, Annapolis Junction, MD 20701.

• U.S. Postal Service first-class, Express, and Priority mail must be addressed to 45 L Street NE, Washington, DC 20554.

• Effective March 19, 2020, and until further notice, the Commission no longer accepts any hand or messenger delivered filings. This is a temporary measure taken to help protect the health and safety of individuals, and to mitigate the transmission of COVID–19. See FCC Announces Closure of FCC Headquarters Open Window and Change in Hand-Delivery Policy, Public Notice, DA 20–304 (March 19, 2020). https://www.fcc.gov/document/fcc-closes-headquarters-open-window-and-changes-hand-delivery-policy.
