(I) I understand that {NAME OF IMPORTING COMPANY} is required to provide this certification and supporting records to U.S. Customs and Border Protection (CBP) and/or the Department of Commerce (Commerce), upon request by the respective agency.

(J) I understand that the claims made herein, and the substantiating documentation, are subject to verification by CBP and/or Commerce.

(K) I understand that failure to maintain the required certifications, and/or failure to substantiate the claims made herein, and/or failure to allow CBP and/or Commerce to verify the claims made herein, may result in a *de facto* determination that all entries to which this certification applies are within the scope of the antidumping/countervailing duty orders on certain uncoated paper from Indonesia. I understand that such finding will result in:

(i) Suspension of liquidation of all unliquidated entries (and entries for which liquidation has not become final) for which these requirements were not met;

(ii) the requirement that the importer post applicable antidumping duty and/or countervailing duty cash deposits (as appropriate) equal to the rates determined by Commerce; and

Polyester Textured Yarn From Indonesia, Malaysia, Thailand, and the Socialist Republic of Vietnam: Antidumping Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC), Commerce is issuing the antidumping duty orders on polyester textured yarn from Indonesia, Malaysia, Thailand, and the Socialist Republic of Vietnam (Vietnam).

DATES: Applicable December 14, 2021.

FOR FURTHER INFORMATION CONTACT: Peter Shaw at (202) 482–0697 or Toni Page at (202) 482–1398 (Indonesia); Daniel Alexander at (202) 482–4313 (Malaysia); Stephanie Berger at (202) 482–2483 (Thailand); and Preston Cox at (202) 482–5041 (Vietnam); AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

In accordance with sections 735(d) and 777(i)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(c), on October 25, 2021, Commerce published its affirmative final determinations in the less-than-fair-value (LTFV) investigations of imports of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam.¹ On December 7, 2021, the ITC notified Commerce of its affirmative final determinations, pursuant to section 735(d) of the Act, that an industry in the United States is materially injured within the meaning of section 735(b)(1)(A)(i) of the Act by reason of the LTFV imports of polyester

textured yarn from Indonesia, Malaysia, Thailand, and Vietnam.²

Scope of the Orders

The product covered by these orders is polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam. For a complete description of the scope of these orders, see the appendix to this notice.

Antidumping Duty Orders

On December 7, 2021, in accordance with section 735(d) of the Act, the ITC notified Commerce of its final determinations in these investigations, in which it found that an industry in the United States is materially injured by reason of LTFV imports of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam.³ Therefore, in accordance with sections 735(c)(2) and 736 of the Act, Commerce is issuing these antidumping duty orders.

Because the ITC determined that imports of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam are materially injuring a U.S. industry, unliquidated entries of subject merchandise from Indonesia, Malaysia, Thailand, and Vietnam, entered into the United States or withdrawn from warehouse for consumption, are subject to the assessment of antidumping duties. Therefore, in accordance with section 736(a)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instructions by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the subject merchandise, for all relevant entries of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam. Antidumping duties will be assessed on unliquidated entries of polyester textured yarn from Indonesia, Malaysia, Thailand, or Vietnam entered, or withdrawn from warehouse, for consumption on or after June 3, 2021, the date of publication of the *Preliminary Determinations*,⁴ but will

not include entries occurring after the expiration of the provisional measures period and before publication of the ITC's final injury determinations as further described below.

Continuation of Suspension of Liquidation

In accordance with section 736 of the Act, Commerce will instruct CBP to continue to suspend liquidation of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam as described in the appendix to this notice which are entered, or withdrawn from warehouse, for consumption on or after the date of publication of the ITC's notice of final determinations in the **Federal Register**. These instructions suspending liquidation will remain in effect until further notice.

Commerce will also instruct CBP to require cash deposits equal to the estimated weighted-average dumping margins indicated in the tables below. Accordingly, effective on the date of publication of the ITC's final affirmative injury determinations, CBP will require, at the same time as importers would normally deposit estimated duties on the subject merchandise, a cash deposit equal to the rates listed below.⁵ For Indonesia, Malaysia, and Thailand, the all-others rate applies to all producers or exporters not specifically listed. For Vietnam, the rate for the Vietnam-wide entity applies to all exporters not specifically listed.

Provisional Measures

Section 733(d) of the Act states that instructions issued pursuant to an

affirmative preliminary determination may not remain in effect for more than four months, except that Commerce may extend the four-month period to no more than six months at the request of exporters representing a significant proportion of exports of the subject merchandise. At the request of exporters accounting for a significant proportion of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam, Commerce extended the four-month period to six months in this proceeding in each of these investigations.⁶ The extended provisional measures period began on June 3, 2021, and ended on November 29, 2021.

Therefore, in accordance with section 733(d) of the Act and its practice, Commerce will instruct CBP to terminate the suspension of liquidation and to liquidate, without regard to antidumping duties, unliquidated entries of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam entered or withdrawn from warehouse for consumption after November 29, 2021, the final day on which the provisional measures were in effect, until and through the day preceding the date of publication of the ITC's final affirmative injury determinations in the **Federal Register**. Suspension of liquidation and collection of cash deposits will resume on the date of publication of the ITC's final determinations in the **Federal Register**.

Establishment of the Annual Inquiry Service Lists

On September 20, 2021, Commerce published *Regulations to Improve Administration and Enforcement of Antidumping and Countervailing Duty Laws*, 86 FR 52300 (September 20, 2021) (*Final Rule*). On September 27, 2021,

Commerce also published *Scope Ruling Application; Annual Inquiry Service List; and Informational Sessions*, 86 FR 53205 (September 27, 2021) (*Procedural Guidance*). The *Final Rule* and *Procedural Guidance* provide that Commerce will maintain an annual inquiry service list for each order or

suspended investigation, and any interested party submitting a scope ruling application or a request for circumvention inquiry shall serve a copy of the application or request on the persons on the annual inquiry service list for that order, as well as any companion order covering the same

merchandise from the same country of origin.⁸

In accordance with the *Procedural Guidance*, for orders published in the **Federal Register** after November 4, 2021, Commerce will create an annual inquiry service list segment in Commerce's online e-filing and document management system, Antidumping and Countervailing Duty Electronic Service System (ACCESS), available at <https://access.trade.gov>, within five business days of publication of the notice of the order. Each annual inquiry service list will be saved in ACCESS, under each case number, and under a specific segment type called "AISL-Annual Inquiry Service List."⁹

Interested parties who wish to be added to the annual inquiry service list for an order must submit an entry of appearance to the annual inquiry service list segment for the order in ACCESS within 30 days after the date of publication of the order. For ease of administration, Commerce requests that law firms with more than one attorney representing interested parties in an order designate a lead attorney to be included on the annual inquiry service list. Commerce will finalize the annual inquiry service list within five business days thereafter. As mentioned in the *Procedural Guidance*, the new annual inquiry service list will be in place until the following year, when the *Opportunity Notice* for the anniversary month of the order is published.

Commerce may update an annual inquiry service list at any time as needed based on interested parties' amendments to their entries of appearance to remove or otherwise modify their list of members and representatives, or to update contact information. Any changes or announcements pertaining to these procedures will be posted to the ACCESS website at <https://access.trade.gov>.

Special Instructions for Petitioners and Foreign Governments

In the *Final Rule*, Commerce stated that, "after an initial request and placement on the annual inquiry service

list, both petitioners and foreign governments will automatically be placed on the annual inquiry service list in the years that follow."¹⁰

Accordingly, as stated above, the petitioners and foreign governments should submit their initial entry of appearance after publication of this notice in order to appear in the first annual inquiry service list for those orders for which they qualify as an interested party. Pursuant to 19 CFR 351.225(n)(3), the petitioners and foreign governments will not need to resubmit their entries of appearance each year to continue to be included on the annual inquiry service list. However, the petitioners and foreign governments are responsible for making amendments to their entries of appearance during the annual update to the annual inquiry service list in accordance with the procedures described above.

Notification to Interested Parties

This notice constitutes the antidumping duty orders with respect to polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam pursuant to section 736(a) of the Act. Interested parties can find a list of antidumping duty orders currently in effect at <http://enforcement.trade.gov/stats/iastats1.html>.

These orders are issued and published in accordance with section 736(a) of the Act and 19 CFR 351.211(b).

Dated: December 8, 2021.

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Appendix—Scope of the Orders

The merchandise covered by these orders, polyester textured yarn, is synthetic multifilament yarn that is manufactured from polyester (polyethylene terephthalate). Polyester textured yarn is produced through a texturing process, which imparts special properties to the filaments of the yarn, including stretch, bulk, strength, moisture absorption, insulation, and the appearance of a natural fiber. This scope includes all forms of polyester textured yarn, regardless of surface texture or appearance, yarn density and thickness (as measured in denier), number of filaments, number of plies, finish (luster), cross section, color, dye method, texturing method, or packaging method (such as spindles, tubes, or beams).

The merchandise subject to these orders is properly classified under subheadings 5401.10.0000, 5402.33.3000, and 5402.33.6000 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are

provided for convenience and customs purposes, the written description of the merchandise is dispositive.
