SUPPLEMENTARY INFORMATION:

I. Notice of Final Decision

OSHA hereby gives notice of the expansion of the scope of recognition of QPS Evaluation Services, Inc. (QPS) as a NRTL. QPS’s expansion covers the addition of eleven test standards to the NRTL’s scope of recognition.

OSHA recognition of a NRTL signifies that the organization meets the requirements specified in 29 CFR 1910.7. Recognition is an acknowledgment that the organization can perform independent safety testing and certification of the specific products covered within the scope of recognition and is not a delegation or grant of government authority. As a result of recognition, employers may use products properly approved by the NRTL to meet OSHA standards that require testing and certification of the products.

The agency processes applications by a NRTL for initial recognition and for an expansion or renewal of this recognition, following requirements in Appendix A to 29 CFR 1910.7. This appendix requires that the agency publish two notices in the Federal Register in processing an application. In the first notice, OSHA announces the application and provides a preliminary finding. In the second notice, the agency provides the final decision on the application. These notices set forth the NRTL’s scope of recognition or modifications of that scope. OSHA maintains an informational web page for each NRTL, including QPS, which details the NRTL’s scope of recognition. These pages are available from the OSHA website at http://www.osha.gov/dts/otpca/nrtl/index.html.

QPS submitted an application, dated January 30, 2020 (OSHA–2010–0046–0015) to add eleven additional test standards to QPS’s NRTL recognition. OSHA staff performed a detailed analysis of the application packet and reviewed other pertinent information. OSHA did not perform any on-site reviews in relation to this application.

To obtain or review copies of all public documents pertaining to QPS’s application, go to http://www.regulations.gov or contact the Docket Office at (202) 693–2350 (TTY (877) 889–5627) for assistance in locating docket submissions. Docket No. OSHA–2010–0046 contains all materials in the record concerning QPS’s recognition.

II. Final Decision and Order

OSHA staff examined QPS’s expansion application, its capability to meet the requirements of the test standard, and other pertinent information. Based on its review of this evidence, OSHA finds that QPS meets the requirements of 29 CFR 1910.7 for expansion of its recognition, subject to the limitations and conditions listed in this notice. OSHA, therefore, is proceeding with this final notice to grant this expansion to QPS’s scope of recognition. OSHA limits the expansion of QPS’s recognition to testing and certification of products for demonstration of conformance to the test standards listed below in Table 1.
OSHA’s recognition of any NRTL for a particular test standard is limited to equipment or materials for which OSHA standards require third-party testing and certification before using them in the workplace. Consequently, if a test standard also covers any products for which OSHA does not require such testing and certification, a NRTL’s scope of recognition does not include these products.

The American National Standards Institute (ANSI) may approve the test standard listed above as an American National Standard. However, for convenience, OSHA may use the designation of the standards-developing organization for the standard as opposed to the ANSI designation. Under the NRTL Program’s policy (see OSHA Instruction CPL 01–00–004, Chapter 2, Section VIII), only standards determined to be appropriate test standards may be approved for NRTL recognition. Any NRTL recognized for an appropriate test standard may use either the proprietary version of the test standard or the ANSI version of that standard. Contact ANSI to determine whether a test standard is currently ANSI-approved.

A. Conditions

In addition to those conditions already required by 29 CFR 1910.7, QPS must abide by the following conditions of the recognition:

1. QPS must inform OSHA as soon as possible, in writing, of any change of ownership, facilities, or key personnel, and of any major change in its operations as a NRTL, and provide details of the change(s).
2. QPS must meet all the terms of its recognition and comply with all OSHA policies pertaining to this recognition; and
3. QPS must continue to meet the requirements for recognition, including all previously published conditions on QPS’s scope of recognition, in all areas for which it has recognition.

Pursuant to the authority in 29 CFR 1910.7, OSHA hereby expands the scope of recognition of QPS, subject to the limitations and conditions specified above.

III. Authority and Signature

Douglas L. Parker, Assistant Secretary of Labor for Occupational Safety and Health, 200 Constitution Avenue NW, Washington, DC 20210, authorized the preparation of this notice. Accordingly, the agency is issuing this notice pursuant to 29 U.S.C. 657(g)(2), Secretary of Labor’s Order No. 8–2020 (85 FR 58393, September 18, 2020) and 29 CFR 1910.7.

Signed at Washington, DC, on December 7, 2021.

Douglas L. Parker,
Assistant Secretary of Labor for Occupational Safety and Health.

LEGAL SERVICES CORPORATION

Financial Guide for Grantees

AGENCY: Legal Services Corporation.

ACTION: Request for comments.

SUMMARY: The Legal Services Corporation (LSC) is updating its Financial Guide (‘‘Guide’’) for grantees. LSC previously sought comment on the revised Guide and is now seeking additional comments on discrete changes to the Guide.

DATES: All comments and recommendations must be received on or before the close of business on January 31, 2022.

ADDRESSES: You may submit comments by any of the following methods.

Instructions: Electronic submissions are preferred via email with attachments in Acrobat PDF format. LSC may not consider written comments sent via any other method or received after the end of the comment period.

Stefanie K. Davis, Senior Assistant General Counsel, (202) 295–1563, or sdcru@lsc.gov.

SUPPLEMENTARY INFORMATION: The Legal Services Corporation (LSC) has conducted a comprehensive review of the Accounting Guide for LSC Recipients, 2010 Edition. Based on input from LSC grantees and LSC’s fiscal compliance analysts, LSC believes that the format of the Accounting Guide no longer best serves grantees or LSC.

LSC has restructured the document and renamed it the Financial Guide. The new draft Financial Guide removes outdated or inapplicable materials, improves materials directly related to LSC-specific issues, and adds clarity about both required and recommended financial practices. The draft Financial Guide also addresses areas that were previously identified as problematic or complex, such as cost allocation, and assists grantees in the financial management of LSC grants. Overall, the draft Financial Guide conforms to existing LSC and grantee practices and requirements. Additionally, in some places, the draft Financial Guide sets out requirements that previously have not been published for comment.

LSC originally sought comment on the comprehensive revisions to the Financial Guide via a notice published in the Federal Register on July 7, 2020. 85 FR 40688 (July 7, 2020). LSC received 38 unique comments on the draft Financial Guide from five grantees and the National Legal Aid and Defender Association on behalf of itself and its LSC grantee members. Generally, the commenters suggested clarifications and requested that LSC make many of the proposed requirements into recommendations to accommodate the diversity of grantee sizes, fiscal sophistication, and resources.
