

effectuates the program goals or agency priorities (2 CFR 200.340).

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Open Licensing Requirements:* Unless an exception applies, if you are awarded a grant under this competition, you will be required to openly license to the public grant deliverables created in whole, or in part, with Department grant funds. When the deliverable consists of modifications to pre-existing works, the license extends only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works. Additionally, a grantee or subgrantee that is awarded competitive grant funds must have a plan to disseminate these public grant deliverables. This dissemination plan can be developed and submitted after your application has been reviewed and selected for funding. For additional information on the open licensing requirements please refer to 2 CFR 3474.20.

4. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170, should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report

that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

Performance reports for the FLAS Program must be submitted electronically into the Office of International and Foreign Language Education web-based reporting system, International Resource Information System (IRIS). For information about IRIS and to view the reporting instructions, please go to: https://iris.ed.gov/iris/pdfs/FLAS_director.pdf.

(c) Under 34 CFR 75.250(b), the Secretary may provide a grantee with additional funding for data collection analysis and reporting. If a grantee is provided additional funding for this purpose, the Secretary establishes a data collection period.

5. *Performance Measures:* Under the Government Performance and Results Act of 1993, the following measures will be used by the Department to evaluate the success of the FLAS program:

(a) Percentage of FLAS-graduated fellows who secured employment that utilizes their foreign language and area studies skills within eight years after graduation, based on the FLAS tracking survey.

(b) Percentage of FLAS master's and doctoral graduates who studied priority languages as defined by the Secretary of Education.

(c) Percentage of FLAS fellows who increased their foreign language reading, writing, and/or listening/speaking scores by at least one proficiency level.

(d) *Efficiency:* Cost per FLAS fellowship program fellow who increased his/her reading, writing, and/or listening/speaking language score by at least one proficiency level.

The information provided by grantees in their performance reports submitted via IRIS will be the source of data for these measures. Reporting screens for institutions can be viewed at: https://iris.ed.gov/iris/pdfs/FLAS_director.pdf.

6. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, whether the grantee has

made substantial progress in achieving the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

Full Text of Announcement**I. Funding Opportunity Description**

Purpose of Programs: The Part A SIP, Part A ANNH, Part A PBI, Part A NASNTI, and Part A AANAPISI programs are authorized under title III, part A of the HEA. The Part F HSI STEM and Articulation, Part F PBI, Part F ANNH, Part F NASNTI, and Part F AANAPISI programs are authorized under title III, part F of the HEA. The HSI and PPOHA programs are authorized under title V of the HEA. Please note that certain programs addressed in this notice have the same or similar names as other programs that are authorized under a different statutory authority. For this reason, we specify the statutory authority as part of the acronym for certain programs.

Under the programs discussed above, institutions are eligible to apply for grants if they meet specific statutory and regulatory eligibility requirements. An institution of higher education that is designated as an eligible institution may also receive a waiver of certain non-Federal cost-sharing requirements for one year under the Federal Supplemental Educational Opportunity Grant (FSEOG) program authorized by title IV, part A of the HEA and the Federal Work-Study (FWS) program authorized by section 443 of the HEA. Qualified (eligible) institutions may receive the FSEOG and FWS waivers for one year even if they do not receive a grant under a title III or V grant program. An applicant that receives a grant from the Student Support Services (SSS) program that is authorized under section 402D of the HEA, 20 U.S.C. 1070a-14, may receive a waiver of the required non-Federal cost share for institutions for the duration of the grant. An applicant that receives a grant from the Undergraduate International Studies and Foreign Language (UISFL) program that is authorized under section 604 of the HEA, 20 U.S.C. 1124, may receive a waiver or reduction of the required non-Federal cost share for institutions for the duration of the grant.

Sections 312 and 502 of the HEA, 34 CFR 607.2-607.5, and 34 CFR 606.2-606.5 include most of the basic eligibility requirements for grant programs authorized under titles III and V of the HEA. Sections 312(b)(1)(B) and 502(a)(2)(A) of the HEA provide that, to be eligible for these programs, an institution of higher education's average "educational and general expenditures" (E&G) per full-time equivalent (FTE) undergraduate student must be less than the average E&G expenditures per FTE undergraduate student of institutions

that offer similar instruction in that year.

The National Center for Education Statistics (NCES) calculates Core Expenses per FTE of institutions, a statistic like E&G per FTE. Both E&G per FTE and Core Expenses per FTE are based on regular operational expenditures of institutions (excluding auxiliary enterprises, independent operations, and hospital expenses). They differ only in that E&G per FTE is based on fall undergraduate enrollment, while Core Expenses per FTE is based on 12-month undergraduate enrollment for the academic year.

To avoid inconsistency in the data submitted to, and produced by, the Department, for the purpose of sections 312(b)(1)(B) and 502(a)(2)(A) of the HEA, E&G per FTE is calculated using the same methodology as Core Expenses per FTE. Accordingly, the Department will apply the NCES methodology for calculating Core Expenses per FTE. Institutions requesting an eligibility exemption determination must use the Core Expenses per FTE data reported to NCES' Integrated Postsecondary Education Data System (IPEDS) for the most currently available academic year, in this case academic year 2019-2020.

Special Note: To qualify as an eligible institution under the grant programs listed in this notice, your institution must satisfy several criteria. For most of these programs, these criteria include those that relate to the enrollment of needy students and to the Core Expenses per FTE student count for a specified base year. The most recent data available in IPEDS for Core Expenses per FTE are for base year 2019-2020. To award FY 2022 grants in a timely manner, we will use these data to evaluate eligibility.

Accordingly, each institution interested in either applying for a new grant under the title III or V programs addressed in this notice, or requesting a waiver of the non-Federal cost share, must be designated as an eligible institution in FY 2022. Under the HEA, any institution interested in applying for a grant under any of these programs must first be designated as an eligible institution. See 34 CFR 606.5 and 607.5.

Note: Please be advised that final eligibility is program specific. Applicants should refer to the program in question for programmatic requirements. Further information regarding eligibility is set forth below.

Eligible applicants: The eligibility requirements for the programs authorized under part A of title III of the HEA are in sections 312 and 317-320 of the HEA (20 U.S.C. 1058, 1059d-1059g) and in 34 CFR 607.2-607.5. The

regulations may be accessed at www.ecfr.gov/cgi-bin/text-idx?SID=bc12bf5d685021e069cd1a15352b381a&mc=true&node=pt34.3.607&rgn=div5. The eligibility requirements for the programs authorized by part F of title III of the HEA are in section 371 of the HEA (20 U.S.C. 1067q). There are currently no specific regulations for these programs.

The eligibility requirements for the title V HSI program are in part A of title V of the HEA and in 34 CFR 606.2–606.5. The regulations may be accessed at www.ecfr.gov/cgi-bin/text-idx?SID=bc12bf5d685021e069cd1a15352b381a&mc=true&node=pt34.3.606&rgn=div5.

The requirements for the PPOHA program are in part B of title V of the HEA and in the notice of final requirements published in the **Federal Register** on July 27, 2010 (75 FR 44055), and in 34 CFR 606.2(a) and (b) and 606.3–606.5.

The Department has instituted a process known as the Eligibility Matrix (EM), under which we use information institutions submitted to IPEDS to determine which institutions meet the basic eligibility requirements for the programs authorized by title III or V of the HEA listed above. To make eligibility determinations for FY 2022, we use an institution's 2019–2020 enrollment and fiscal data. Beginning December 16, 2021, an institution will be able to review the Department's EM eligibility decision by checking the eligibility system linked through the Department's Institutional Service Eligibility website: <http://www2.ed.gov/about/offices/list/ope/ides/eligibility.html>. The direct link is <https://HEPIS.ed.gov/>.

The EM is a read-only worksheet that lists all potentially eligible postsecondary institutions. If the EM entry for your institution indicates your institution is eligible for a particular program grant, you will not need to apply for eligibility or submit a waiver request as described in this notice. Rather, if you choose to apply for the grant, you may print out the eligibility letter directly. If your institution intends to apply for a program grant for which your EM entry does not show your institution is eligible, you must submit the application discussed in this notice before the application deadline of January 21, 2022.

To check your institution's eligibility in the EM, go to <https://HEPIS.ed.gov/>, and log into the system using your email address and password. If you are not sure whether you have an account in the system, click the “New User” button. If you have an account, the system will

walk you through setup. Note that it may take up to five business days to verify user identity and to complete new account setup, so please allow enough time to complete the application. If the Grant Eligibility Application (GEA) system is open for new applications, you may check your institution's eligibility status by clicking the “View pre-Eligibility Information” button. Your institution's eligibility information will display.

If the EM does not show that your institution is eligible for a program, or if your institution does not appear in the eligibility system, or if you disagree with the eligibility determination reflected in the eligibility system, you can apply for a waiver or reconsideration using the process described in this notice. The application process mirrors that used in previous years: Choose the waiver option on the website at <https://HEPIS.ed.gov/> and submit your institution's application.

Please note that through this process, the Department does not certify, nor designate, an institution as a Historically Black College or University, Tribally Controlled College or University, Minority-Serving Institution, or Hispanic-Serving Institution. The Department's EM eligibility determination that an institution is eligible solely relates to the institution's ability to apply for and receive grants under certain programs as discussed in this notice.

Note: Institutions that submit a waiver request for either the Core Expenses per FTE or the Needy Student requirement must submit the required documents and supporting data and evidence by the deadline. All reviews and decisions will be made approximately two weeks after the deadline.

Enrollment of Needy Students: As noted above, to qualify as an eligible institution under the grant programs listed in this notice, your institution must satisfy several criteria, including those that relate to the enrollment of needy students and to the Core Expenses per FTE student count for a specified base year.

As to the enrollment of needy students, for programs under titles III and V (excluding the PBI programs), an institution is considered to have an enrollment of needy students if it meets either of the following two criteria: (1) At least 50 percent of its degree-seeking students received financial assistance under the Federal Pell Grant, FSEOG, or FWS programs; or (2) the percentage of its undergraduate degree-seeking students who were enrolled on at least a half-time basis and received Federal Pell Grants exceeded the median

percentage of undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants at comparable institutions that offer similar instruction.

To qualify under the second criterion, an institution's Federal Pell Grant percentage for base year 2019–2020 must be more than the median for its category of comparable institutions provided in the 2019–2020 Median Pell Grant and Average Core Expenses per FTE Student Table in this notice. If your institution qualifies only under the first criterion, you must submit an application containing the data necessary to satisfy the first criterion (showing at least 50 percent of your degree-seeking students received financial assistance under one of several Federal student aid programs (the Federal Pell Grant, FSEOG, or FWS programs)), since these data are not available in IPEDS.

“Enrollment of Needy Students” for purposes of the Part A PBI program is separately defined in section 318(b)(2) of the HEA, and for purposes of the Part F PBI program is defined in section 371(c)(3) of the HEA.

Core Expenses per FTE Student: For each of the following programs, an institution should compare its base year 2019–2020 Core Expenses per FTE student to the average Core Expenses per FTE student for its category of comparable institutions using the 2019–2020 Median Pell Grant and Average Core Expenses per FTE Student Table in this notice: Title III, Part A SIP; Part A ANNH; Part A PBI; Part A NASNTI; Part A AANAPISI; Title III, Part F HSI STEM and Articulation; Part F PBI; Part F ANNH; Part F NASNTI; Part F AANAPISI; Title V, Part A HSI; and Title V, Part B PPOHA. An institution satisfies this program eligibility requirement if its Core Expenses for the 2019–2020 base year are less than the average Core Expenses of its comparable institutional category.

Core Expenses are defined as the total expenses for the essential education activities of the institution. Core Expenses for public institutions reporting under the Governmental Accounting Standards Board (GASB) requirements include expenses for instruction, research, public service, academic support, student services, institutional support, operation and maintenance of plant, depreciation, scholarships and fellowships, interest, and other operating and non-operating expenses. Core Expenses for institutions reporting under the Financial Accounting Standards Board (FASB) standards (primarily private, not-for-profit, and for-profit institutions)

include expenses for instruction, research, public service, academic support, student services, institutional support, net grant aid to students, and other expenses. Core Expenses do not include Federal student aid for the

purposes of eligibility. For both FASB and GASB institutions, Core Expenses do not include expenses for auxiliary enterprises (e.g., bookstores, dormitories), hospitals, and independent operations.

The following table identifies base year 2019–2020 median Federal Pell Grant percentages and average Core Expenses per FTE student for the four categories of comparable institutions:

Type of institution	Base year 2019–2020 median pell grant percentage	Base year 2019–2020 average core expenses per FTE student
Two-year Public Institutions	32	\$15,641
Two-year Non-profit Private Institutions	54	18,412
Four-year Public Institutions	35	34,275
Four-year Non-profit Private Institutions	35	42,922

Waiver Information: Institutions that do not meet the needy student enrollment requirement or the Core Expenses per FTE requirement may apply to the Secretary for a waiver of these requirements, as described in sections 392 and 522 of the HEA, and in the implementing regulations at 34 CFR 606.3(b), 606.4(c) and (d), 607.3(b), and 607.4(c) and (d).

Institutions requesting a waiver of the needy student enrollment requirement

or the Core Expenses per FTE requirement must include in their application detailed evidence supporting the waiver request, as described in the instructions for completing the application.

The regulations governing the Secretary’s authority to grant a waiver of the needy student requirement refer to “low-income” students or families, at 34 CFR 606.3(b)(2) and (3) and 607.3(b)(2) and (3). The regulations at 34 CFR

606.3(c) and 607.3(c) define “low-income” as an amount that does not exceed 150 percent of the amount equal to the poverty level, as established by the U.S. Census Bureau.

For purposes of this waiver provision, the following table sets forth the low-income levels (at 150 percent) for various family sizes:

2020 ANNUAL LOW-INCOME LEVELS

Size of family unit	Family income for the 48 contiguous states, DC, and outlying jurisdictions	Family income for Alaska	Family income for Hawaii
1	\$19,140	\$23,925	\$22,020
2	25,860	32,325	29,745
3	32,580	30,725	37,470
4	39,300	49,125	45,195
5	46,020	57,525	52,920
6	52,740	65,925	60,645
7	59,460	74,325	68,370
8	66,180	82,725	76,095

Note: We use the 2020 annual low-income levels because those are the amounts that apply to the family income reported by students enrolled for the fall 2019 semester. For family units with more than eight members, add the following amount for each additional family member: \$6,720 for the contiguous 48 States, the District of Columbia, and outlying jurisdictions; \$8,400 for Alaska; and \$7,725 for Hawaii.

The figures shown under family income represent amounts equal to 150 percent of the family income levels established by the U.S. Census Bureau for determining poverty status. The poverty guidelines were published on January 17, 2020, in the **Federal Register** by the U.S. Department of

Health and Human Services (85 FR 3060), with an effective date of January 14, 2020.

Information about “metropolitan statistical areas” referenced in 34 CFR 606.3(b)(4) and 607.3(b)(4) may be obtained at: www.census.gov/prod/2010pubs/10smadb/appendixc.pdf and www.census.gov/prod/2008pubs/07ccdb/appd.pdf.

Electronic Submission of Waiver Applications: If your institution does not appear in the eligibility system as eligible for a program to which you seek to apply, you must apply for a waiver of the eligibility requirements. To request a waiver, you must upload a narrative at <https://HEPIS.ed.gov/>.

Exception to the Electronic Submission Requirement: We

discourage paper applications, but if electronic submission is not possible (e.g., you do not have access to the internet), you must provide a written statement that you intend to submit a paper application. This written statement must be postmarked no later than two weeks before the application deadline date (14 calendar days or, if the 14th calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday).

Please send this statement to one of the persons listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice.

If you submit a paper application, you must mail your application, on or before the application deadline date, to the

Department at the following address:
