In particular, the Commission is interested in comments that:

(ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended order;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant's licensees, and/or third-party suppliers have the capacity to replace the volume of articles potentially subject to the recommended order within a commercially reasonable time; and

(v) explain how the recommended order would impact consumers in the United States.

Written submissions must be filed no later than by close of business on Friday, January 14, 2022.
