

determination of no shipments. Based on our analysis of U.S. Customs and Border Protection (CBP) information and information provided by SMTC and its affiliate, Shinkong Synthetic Fibers Corporation, we continue to determine that SMTC had no shipments of the subject merchandise during the POR.¹⁰

Final Results of Review

As noted above, Commerce received no comments concerning the *Preliminary Results*. Nan Ya submitted values for U.S. inventory carrying costs, which had been inadvertently omitted in its prior filings.¹¹ We incorporated these corrections into these final results¹² and continue to find that sales of subject merchandise by Nan Ya were not made at less than normal value during the POR. Accordingly, no decision memorandum accompanies this **Federal Register** notice. For further details of the issues addressed in this proceeding, see the *Preliminary Results* and the accompanying Preliminary Decision Memorandum.¹³ The final weighted-average dumping margin for the period July 1, 2019, through June 30, 2020, for Nan Ya is as follows:

Producer/exporter	Weighted-average margin (percent)
Nan Ya Plastics Corporation	0.00

Assessment Rates

Commerce has determined, and CBP shall assess, antidumping duties on all appropriate entries in this review, in accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1). Commerce intends to issue appropriate assessment instructions directly to CBP no earlier than 35 days after the date of publication of the final results of this administrative review. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication). Because we calculated a zero margin in the final results of this review for Nan Ya, in accordance with 19 CFR 351.212, we will instruct CBP to liquidate the
