FEDERAL ELECTION COMMISSION

[NOTICE 2022-03]

Price Index Adjustments for Expenditure Limitations and Lobbyist Bundling Disclosure Threshold

AGENCY: Federal Election Commission.

ACTION: Notice of adjustments to expenditure limitations and lobbyist bundling disclosure threshold.

SUMMARY: As mandated by provisions of the Federal Election Campaign Act (“the Act”), the Federal Election Commission (“the Commission”) is adjusting certain expenditure limitations and the lobbyist bundling disclosure threshold set forth in the Act, to index the amounts for inflation. Additional details appear in the supplemental information that follows.

DATES: The new limitations apply beginning on January 1, 2022.

FOR FURTHER INFORMATION CONTACT: Ms. Elizabeth S. Kurland, Information Division, 1050 First Street NE, Washington, DC 20463; (202) 694-1100 or (800) 424-9530.

SUPPLEMENTARY INFORMATION: Under the Federal Election Campaign Act, 52 U.S.C. 30101-45, coordinated party expenditure limits (52 U.S.C. 30116(d)(2)-(3)) and the disclosure threshold for contributions bundled by lobbyists (52 U.S.C. 30104(i)(3)(A)) are

adjusted periodically to reflect changes in the consumer price index. *See* 52 U.S.C. 30104(i)(3)(B), 30116(c); 11 CFR 109.32(a)(2), (b)(3), 110.17(a), (f). The Commission is publishing this notice to announce the adjusted limits and disclosure threshold for 2022.

Coordinated Party Expenditure Limits for 2022

Under 52 U.S.C. 30116(c), the Commission must adjust the expenditure limitations established by 52 U.S.C. 30116(d) (the limits on expenditures by national party committees, state party committees, or their subordinate committees in connection with the general election campaign of candidates for Federal office) annually to account for inflation. This expenditure limitation is increased by the percent difference between the price index, as certified to the Commission by the Secretary of Labor, for the 12 months preceding the beginning of the calendar year and the price index for the base period (calendar year 1974). 52 U.S.C. 30116(c)(1)(B)(i), (2)(B)(i).

1. Expenditure Limitation for House of Representatives in States With More Than One Congressional District

Both the national and state party committees have an expenditure limitation for each general election held to fill a seat in the House of Representatives in states with more than one congressional district. *See* 52 U.S.C. 30116(d)(3)(B). This limitation also applies to the District of Columbia and territories that elect individuals to the office of Delegate or Resident Commissioner.¹ *Id.* The formula used to calculate the expenditure limitation in such states and territories multiplies the base figure of \$10,000 by the difference

in the price index (5.49563), rounding to the nearest \$100. *See* 52 U.S.C. 30116(c)(1)(B), (d)(3)(B); 11 CFR 109.32(b), 110.17. Based upon this formula, the expenditure limitation for 2022 general elections for House candidates in these states, districts, and territories is \$55,000.

2. Expenditure Limitation for Senate and for House of Representatives in States With Only One Congressional District

Both the national and state party committees have an expenditure limitation for a general election held to fill a seat in the Senate or in the House of Representatives in states with only one congressional district. *See* 52 U.S.C. 30116(d)(3)(A). The formula used to calculate this expenditure limitation considers not only the price index but also the voting age population (“VAP”) of the state. *Id.* The VAP figures used to calculate the expenditure limitations were certified by the U.S. Census Bureau. The VAP of each state is also published annually in the **Federal Register** by the U.S. Department of Commerce. 11 CFR 110.18. The general election expenditure limitation is the greater of: The base figure (\$20,000) multiplied by the difference in the price index, 5.49563 (which totals \$109,900); or \$0.02 multiplied by the VAP of the state, multiplied by 5.49563. *See* 52 U.S.C. 30116(c)(1)(B), (d)(3)(A); 11 CFR 109.32(b), 110.17. Amounts are rounded to the nearest \$100. 52 U.S.C. 30116(c)(1)(B)(iii); 11 CFR 109.32(b)(3), 110.17(c). The chart below provides the state-by-state breakdown of the 2022 general election expenditure limitations for Senate elections. The expenditure limitation for 2022 House elections in states with only one congressional district² is \$109,900.

Limitations on Contributions by Individuals, Non-Multicandidate Committees and Certain Political Party Committees Giving to U.S. Senate Candidates for the 2021–2022 Election Cycle

For the convenience of the readers, the Commission is also republishing the contribution limitations for individuals, non-multicandidate committees and for certain political party committees giving to U.S. Senate candidates and national party committees for the 2021–2022 election cycle:

Statutory provision	Statutory amount	2021–2022 limit
52 U.S.C. 30116(a)(1)(A)	\$2,000	\$2,900
52 U.S.C. 30116(a)(1)(B)	25,000	36,500
52 U.S.C. 30116(h)	35,000	51,200

³ This expenditure limit does not apply to the District of Columbia, Puerto Rico, American Samoa, Guam, the United States Virgin Islands, and the Northern Mariana Islands because those jurisdictions do not elect Senators. See 52 U.S.C. 30116(d)(3)(A); 11 CFR 109.32(b)(2)(i).

Lobbyist Bundling Disclosure Threshold for 2022

The Act requires certain political committees to disclose contributions bundled by lobbyists/registrants and lobbyist/registrant political action committees once the contributions exceed a specified threshold amount. 52 U.S.C. 30104(i)(1), (i)(3)(A). The Commission must adjust this threshold amount annually to account for inflation. 52 U.S.C. 30104(i)(3)(B). The disclosure threshold is increased by multiplying the \$15,000 statutory disclosure threshold by 1.34410, the difference between the price index, as certified to the Commission by the Secretary of Labor, for the 12 months preceding the beginning of the calendar year and the price index for the base period (calendar year 2006). See 52 U.S.C. 30104(i)(3), 30116(c)(1)(B); 11 CFR 104.22(g). The resulting amount is rounded to the nearest multiple of \$100. 52 U.S.C. 30104(i)(3)(B), 30116(c)(1)(B)(iii); 11 CFR 104.22(g)(4). Based upon this formula (\$15,000 × 1.34410), the lobbyist bundling disclosure threshold for calendar year 2022 is \$20,200.

Dated: January 27, 2022.

On behalf of the Commission,
Allen J. Dickerson,
Chairman, Federal Election Commission.
