Limitations on Contributions by Individuals, Non-Multicandidate Committees and Certain Political Party Committees Giving to U.S. Senate Candidates for the 2021–2022 Election Cycle

For the convenience of the readers, the Commission is also republishing the contribution limitations for individuals, non-multicandidate committees and for certain political party committees giving to U.S. Senate candidates and national party committees for the 2021–2022 election cycle:

Statutory provision	Statutory amount	2021–2022 limit
52 U.S.C. 30116(a)(1)(A)	\$2,000	\$2,900
52 U.S.C. 30116(a)(1)(B)	25,000	36,500
52 U.S.C. 30116(h)	35,000	51,200

³ This expenditure limit does not apply to the District of Columbia, Puerto Rico, American Samoa, Guam, the United States Virgin Islands, and the Northern Mariana Islands because those jurisdictions do not elect Senators. See 52 U.S.C. 30116(d)(3)(A); 11 CFR 109.32(b)(2)(i).

Lobbyist Bundling Disclosure Threshold for 2022

The Act requires certain political committees to disclose contributions bundled by lobbyists/registrants and lobbyist/registrant political action committees once the contributions exceed a specified threshold amount. 52 U.S.C. 30104(i)(1), (i)(3)(A). The Commission must adjust this threshold amount annually to account for inflation. 52 U.S.C. 30104(i)(3)(B). The disclosure threshold is increased by multiplying the \$15,000 statutory disclosure threshold by 1.34410, the difference between the price index, as certified to the Commission by the Secretary of Labor, for the 12 months preceding the beginning of the calendar year and the price index for the base period (calendar year 2006). See 52 U.S.C. 30104(i)(3), 30116(c)(1)(B); 11 CFR 104.22(g). The resulting amount is rounded to the nearest multiple of \$100. 52 U.S.C. 30104(i)(3)(B), 30116(c)(1)(B)(iii); 11 CFR 104.22(g)(4). Based upon this formula (\$15,000 × 1.34410), the lobbyist bundling disclosure threshold for calendar year 2022 is \$20,200.

Dated: January 27, 2022.

On behalf of the Commission,
Allen J. Dickerson,
Chairman, Federal Election Commission.

SUPPLEMENTARY INFORMATION:

Description: Section 511(h)(2)(A) of Title V of the Social Security Act

created the MIECHV Program and authorizes the Secretary of HHS to award grants to Indian tribes (or a consortium of Indian tribes), tribal organizations, or urban Indian organizations to conduct an early childhood home visiting program. The legislation set aside 3 percent of the total MIECHV program appropriation for grants to tribal entities. Tribal MIECHV grants, to the greatest extent practicable, are to be consistent with the requirements of the MIECHV grants to states and jurisdictions and include conducting a needs assessment and establishing quantifiable, measurable benchmarks. ACF’s OCC, in collaboration with the Health Resources and Services Administration, Maternal and Child Health Bureau, awards grants for the Tribal MIECHV Program. The Tribal MIECHV grant awards support 5-year cooperative agreements to conduct community needs assessments; plan for and implement high-quality, culturally relevant, evidence-based home visiting programs in at-risk tribal communities; and participate in research and evaluation activities to build the knowledge base on home visiting among Native populations.

In Year 1 of the cooperative agreement, grantees must (1) conduct a comprehensive community needs and readiness assessment, and (2) develop a plan to respond to identified needs. Following each year that Tribal MIECHV grantees implement home visiting services, they must submit Form 1: Demographic and Service Utilization Data. The Form 1 data are used to help ACF better understand the population receiving services from Tribal MIECHV grantees and the degree to which they are using services, as well as better understand the Tribal MIECHV workforce. Overall, this information collection will provide valuable information to HHS that will guide understanding of the Tribal MIECHV Program and the provision of technical assistance to Tribal MIECHV Program grantees. Changes from the previous form are minor, including adding a virtual home visit field and revising certain terms and definitions to make reporting on the areas more concise and easier for grantees to report.

Respondents: Tribal MIECHV Program Grantees.
