

exception are met and the restrictions in § 740.2 do not apply. The sophistication and capabilities of technology in items is a factor in license application review; license applications for foreign-produced items subject to a license requirement by this paragraph (a)(2) that are capable of supporting the “development” or “production” of telecom systems, equipment and devices below the 5G level (e.g., 4G, 3G) will be reviewed on a case-by-case basis.

- 7. Supplement No. 4 to part 744 is amended by:
■ a. Removing the phrase “see §§ 736.2(b)(3)(vi),¹” wherever it appears and adding in its place “see §§ 734.9(e),¹”; and
■ b. Revising footnote 1.
The revision reads as follows:

List of Items Controlled

Related Controls: (1) “Military commodities” are subject to the export licensing jurisdiction of the Department of State if they incorporate items that are subject to the International Traffic in Arms Regulations (ITAR) (22 CFR parts 120–130). (2) “Military commodities” described in this paragraph are subject to the export licensing jurisdiction of the Department of State if such commodities are described on the U.S. Munitions List (22 CFR part 121) and are in the United States. (3) The furnishing of assistance (including training) to foreign persons, whether in the United States or abroad, in the design, development, engineering, manufacture, production, assembly, testing, repair, maintenance, modification, operation, demilitarization, destruction, processing, or use of defense articles that are subject to the ITAR; or the furnishing to foreign persons of any technical data controlled under 22 CFR 121.1 whether in the United States or abroad are under the licensing jurisdiction of the Department of State. (4) Brokering activities (as defined in 22 CFR 129) of “military commodities” that are subject to the ITAR are under the licensing jurisdiction of the Department of State.

Related Definitions: “Military commodity” or “military commodities” means an article, material or supply that is described on the U.S. Munitions List (22 CFR part 121) or on the Munitions List that is published by the Wassenaar Arrangement on Export Controls for Conventional Arms and Dual-Use Goods and Technologies (i.e., the Wassenaar Arrangement Munitions List (WAML)), but does not include software, technology, any item listed in any ECCN for which the last three numerals are 018, or any item in the “600 series.”

- Items:
a. “Military commodities” produced and located outside the United States that are not subject to the International Traffic in Arms Regulations (22 CFR parts 120–130) and having any of the following characteristics:
a.1. Incorporate more than a de minimis amount of U.S.-origin controlled content classified under ECCNs 6A002, 6A003, or 6A993.a (having a maximum frame rate equal to or less than 9 Hz and thus meeting the criterion of Note 3.a to 6A003.b.4);
a.2. Incorporate more than a de minimis amount of U.S.-origin “600 series” controlled content (see § 734.4 of the EAR); or
a.3. Are direct products of U.S.-origin “600 series” technology or software (see § 734.9(d) of the EAR).

Coast Guard

33 CFR Part 100

[Docket Number USCG–2021–0873]

RIN 1625–AA08

Special Local Regulations; Sector Ohio Valley Annual and Recurring Special Local Regulations, Update

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is amending and updating its special local regulations for recurring marine parades, regattas, and other events that take place in the Coast Guard Sector Ohio Valley area of responsibility (AOR). This rule informs the public of regularly scheduled events that require additional safety measures through the establishing of a special local regulation. Through this rulemaking the current list of recurring special local regulations is updated with revisions, additional events, and removal of events that no longer take place in Sector Ohio Valley’s AOR. When these special local regulations are enforced, certain restrictions are placed on marine traffic in specified areas.

DATES: This rule is effective February 3, 2022.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to https://www.regulations.gov, type USCG–2021–0873 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Petty Officer Christopher Roble, Sector Ohio Valley, U.S. Coast Guard; telephone (502) 779–5336, email SECOHV-WWM@uscg.mil.

COTP Captain of the Port Sector Ohio Valley
DHS Department of Homeland Security
E.O. Executive order
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Captain of the Port Sector Ohio Valley (COTP) is establishing,

amending, and updating its current list of recurring special local regulations codified under 33 CFR 100.801 in Table no. 1, for the COTP Ohio Valley zone.

On December 8th, 2021, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Sector Ohio Valley Annual and Recurring Special Local Regulations Update (86 FR 69602). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to those recurring regulated areas. During the comment period that ended January 7th, 2022, no comments were received.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Coast Guard is amending and updating the special local regulations under 33 CFR part 100 to include the most up to date list of recurring special local regulations for events held on or around navigable waters within the Sector Ohio Valley AOR. These events include marine parades, boat races, swim events, and others. The current list under 33 CFR 100.801 requires amending to provide new information on existing special local regulations, include new special local regulations expected to recur annually or biannually, and to remove special local regulations that are no longer required. Issuing individual regulations for each new special local regulation, amendment, or removal of an existing special local regulation creates unnecessary administrative costs and burdens. This rulemaking reduces administrative overhead and provides the public with notice through publication in the **Federal Register** of the upcoming recurring special local regulations.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published December 8th, 2021. There is one change in the regulatory text of this rule from the proposed rule in the NPRM. The event Thunder Over Louisville will occur the 4th weekend of April this year. The text now reads in the table: 2 days—Third or fourth Friday and Saturday in April.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

The Coast Guard expects the economic impact of this rule to be minimal, and therefore a full regulatory evaluation is unnecessary. This rule establishes special local regulations limiting access to certain areas under 33 CFR 100 within Sector Ohio Valley’s AOR. The effect of this rulemaking will not be significant because these special local regulations are limited in scope and duration. Deviation from the special local regulations established through this rulemaking may be requested from the appropriate COTP and requests will be considered on a case-by-case basis. Broadcast Notices to Mariners and Local Notices to Mariners will inform the community of these special local regulations so that they may plan accordingly for these short restrictions on transit. Vessel traffic may request permission from the COTP Ohio Valley or a designated representative to enter the restricted areas.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in

understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of

\$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023-01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of special local

regulations related to marine event permits for marine parades, regattas, and other marine events. It is categorically excluded from further review under paragraph L(61) of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 1.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

[Docket Number USCG–2021–0874]

RIN 1625-AA00

Safety Zones; Coast Guard Sector Ohio Valley Annual and Recurring Safety Zones Update

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is amending and updating its safety zone regulations for annual events that take place in the Coast Guard Sector Ohio Valley area of responsibility (AOR). This action is necessary to update the current list of recurring safety zones with revisions, additional events, and removal of events that no longer take place in the Sector Ohio Valley. When these safety zones are enforced, certain restrictions are placed on marine traffic in specified areas.

DATES: This rule is effective February 3, 2022.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2021–0874 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

II. Background Information and Regulatory History

The Captain of Port Sector Ohio Valley (COTP) is amending 33 CFR 165.801 to update the table of annual fireworks displays and other events in Coast Guard Sector Ohio Valley Area of Responsibility (AOR). These events include air shows, fireworks displays, and other events requiring a safety zone.

On December 6, 2021, the Coast Guard published a notice of proposed rulemaking (NPRM) titled, Safety Zones;

Coast Guard Sector Ohio Valley Annual and Recurring Safety Zones Update (86 FR 68948). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to those recurring safety zones. During the comment period that ended on January 5, 2022, no comments were received.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Coast Guard is amending and updating the safety zones under 33 CFR part 165 to include the most up to date list of recurring safety zones for events held on or around navigable waters within the Sector Ohio Valley AOR. These events include fireworks displays, air shows, and festivals. The current list in 33 CFR 165.801 requires amending to provide new information on existing safety zones and to include new safety zones expected to recur annually or biannually. Issuing individual regulations for each new safety zone, amendment of existing safety zones creates unnecessary administrative costs and burdens. This rulemaking reduces administrative overhead and provides the public with notice through publication in the **Federal Register** of the upcoming recurring safety zones. Based on the nature of these events, large numbers of participants and spectators, and event locations, the COTP has determined that the events listed in this rule could pose a risk to participants or waterways users if the
