#### Prestressed Concrete Steel Wire Strand From Thailand: Preliminary Results of Antidumping Duty Administrative Review; 2020

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily determines that prestressed concrete steel wire strand (PC strand) from Thailand was sold in the United States at less than normal value (NV) during the period of review of January 1, 2020, through December 31, 2020.

**DATES:** Applicable February 4, 2022.

**FOR FURTHER INFORMATION CONTACT:** Max Goldman or Brian Smith, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3896 or (202) 482-1766, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

On January 28, 2004, Commerce published in the *Federal Register* the antidumping duty (AD) order on PC strand from Thailand.<sup>1</sup> Commerce initiated this administrative review on February 26, 2021.<sup>2</sup> This review covers one company, The Siam Industrial Wire Co., Ltd. (SIW). On May 25, 2021, Thai Wire Products Public Company Limited (Thai Wire Company) timely withdrew its request for review with respect to

<sup>1</sup> See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Prestressed Concrete Steel Wire Strand from Thailand*, 69 FR 4111 (January 28, 2004) (*Order*).

<sup>2</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 86 FR 12599 (March 4, 2021) (*Initiation Notice*).

itself.<sup>3</sup> Based on this timely withdrawal and the fact that no other party requested review of this company, we rescinded this review with respect to Thai Wire Company, in accordance with 19 CFR 351.213(d)(1).<sup>4</sup>

On September 10, 2021, we extended the deadline for the preliminary results of this review to January 28, 2022.<sup>5</sup> For a detailed description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>6</sup>

#### Scope of the Order

The merchandise covered by the *Order* is PC strand from Thailand. Products subject to the *Order* are currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7312.10.3010 and 7312.10.3012. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to this scope is dispositive. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

#### Methodology

Commerce is conducting this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Constructed export price was calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete

<sup>3</sup> See Thai Wire Company's Letter, "Administrative Review Withdrawal," dated May 25, 2021.

<sup>4</sup> See *Prestressed Concrete Steel Wire Strand from Thailand: Partial Rescission of Antidumping Duty Administrative Review; 2020*, 86 FR 33231 (June 24, 2021).

<sup>5</sup> See Memorandum, "Prestressed Concrete Steel Wire Strand from Thailand: Extension of Deadline for Preliminary Results of 2020 Antidumping Duty Administrative Review," dated September 10, 2021.

<sup>6</sup> See Memorandum, "Prestressed Concrete Steel Wire Strand from Thailand: Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review; 2020," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

version of the Preliminary Decision Memorandum can be accessed at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

### Preliminary Results

We preliminarily determine the following weighted-average dumping margin for the period January 1, 2020, through December 31, 2020:

| Exporter/producer                | Weighted-average dumping margin (percent) |
|----------------------------------|---|
| The Siam Industrial Wire Co. Ltd | 0.98                                      |

### Disclosure and Public Comment

We intend to disclose the calculations performed for these preliminary results of review to interested parties within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, the content of which is limited to issues raised in the case briefs, may be filed no later than seven days after the date for filing case briefs.<sup>7</sup> Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>8</sup> Case and rebuttal briefs should be filed using ACCESS<sup>9</sup> and must be served on interested parties.<sup>10</sup> Executive summaries should be limited to five pages total, including footnotes.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via Commerce's electronic records system, ACCESS, within 30 days after the date of publication of this notice. Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues parties intend to discuss. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold a hearing at a time and date to be

determined.<sup>11</sup> Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

All submissions to Commerce must be filed using ACCESS<sup>12</sup> and must be served on interested parties.<sup>13</sup> An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time on the date that the document is due. Commerce has modified certain of its requirements for serving documents containing business proprietary information until further notice.<sup>14</sup>

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any case or rebuttal briefs, no later than 120 days after the date of publication of this notice, unless this deadline is extended.<sup>15</sup>

### Assessment Rates

Upon completion of the final results of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.<sup>16</sup> If SIW's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, and given that SIW reported entered values, we intend to calculate importer-specific *ad valorem* assessment rates for the merchandise based on the ratio of the total amount of dumping calculated for the examined sales made during the POR to each importer and the total entered value of those sales, in accordance with 19 CFR 351.212(b)(1). We intend to instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis* (i.e., 0.50 percent). Where an importer-specific *ad valorem* assessment rate is zero or *de minimis* in the final results of review, we intend to instruct CBP to liquidate the appropriate entries without regard to antidumping duties in accordance with 19 CFR 351.106(c)(2). If SIW's weighted-average dumping margin is zero or *de minimis* in the final results of review, we intend to instruct CBP not to assess duties on any of its entries in

accordance with the *Final Modification for Reviews*.<sup>17</sup>

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by SIW for which it did not know that the merchandise was destined for the United States, we intend to instruct CBP to liquidate those entries at the all-others rate in the original less-than-fair-value (LTFV) investigation (as amended)<sup>18</sup> if there is no rate for the intermediate company(ies) involved in the transaction.<sup>19</sup> Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

### Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for SIW will be that established in the final results of this administrative review, except if the rate is less than 0.50 percent, and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated companies not participating in this review, the cash deposit will continue to be the company-specific cash deposit rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, a prior review, or the underlying investigation, but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding

<sup>17</sup> See *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings; Final Modification*, 77 FR 8101, 8102 (February 14, 2012) (*Final Modification for Reviews*) ("Where the weighted-average margin of dumping for the exporter is determined to be zero or *de minimis*, no antidumping duties will be assessed.").

<sup>18</sup> See *Order*.

<sup>19</sup> For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

<sup>7</sup> See 19 CFR 351.309(d)(1) and (2); see also *Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19; Extension of Effective Period*, 85 FR 41363 (July 10, 2020).

<sup>8</sup> See 19 CFR 351.309(c)(2) and (d)(2).

<sup>9</sup> See generally 19 CFR 351.303.

<sup>10</sup> See 19 CFR 351.303(f).

<sup>11</sup> See 19 CFR 351.310(d).

<sup>12</sup> See 19 CFR 351.303.

<sup>13</sup> See 19 CFR 351.303(f).

<sup>14</sup> See *Temporary Rule Modifying AD/CVD Service Requirements Due to COVID 19; Extension of Effective Period*, 85 FR 41363 (July 10, 2020).

<sup>15</sup> See section 751(a)(3)(A) of the Act; and 19 CFR 351.213(h).

<sup>16</sup> See 19 CFR 351.212(b)(1).

for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 12.91 percent, the all-others rate established in the LTFV investigation (as amended).<sup>20</sup> These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: January 28, 2022.

**Lisa W. Wang,**

*Assistant Secretary for Enforcement and Compliance.*

#### Appendix—List of Topics Discussed in the Preliminary Decision Memorandum

- I. Summary
- II. Background
- III. Scope of the Order
- IV. Discussion of the Methodology
- V. Currency Conversion

## DEPARTMENT OF COMMERCE

### National Oceanic and Atmospheric Administration

#### Public Meeting of the Ocean Exploration Advisory Board

**AGENCY:** Office of Oceanic and Atmospheric Research (OAR), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC).

**ACTION:** Notice of public meeting.

**SUMMARY:** This notice sets forth the schedule and proposed agenda for a meeting of the Ocean Exploration Advisory Board (OEAB). OEAB members will discuss and provide advice on Federal ocean exploration programs, with a particular emphasis on

the topics identified in the section on Matters to Be Considered.

**DATES:** The announced meeting is scheduled for Thursday, February 17, 2022 from 9:00 a.m.–5:00 p.m. (EST) and Friday February 18, 2022 from 9:00 a.m.–1:00 p.m. (EST).

**ADDRESSES:** This will be an in-person meeting. The meeting will be held at the Woods Hole Oceanographic Institution at 86 Water St., Falmouth, MA 02543. Information about how to participate, including Covid-19 related protocols, will be posted to the OEAB website at <https://oeab.noaa.gov/>.

**FOR FURTHER INFORMATION CONTACT:** Mr. David Turner, Designated Federal Officer, Ocean Exploration Advisory Board, National Oceanic and Atmospheric Administration, [david.turner@noaa.gov](mailto:david.turner@noaa.gov) or (859) 327-9661.

**SUPPLEMENTARY INFORMATION:** NOAA established the OEAB under the Federal Advisory Committee Act (FACA) and legislation that gives the agency statutory authority to operate an ocean exploration program and to coordinate a national program of ocean exploration. The OEAB advises NOAA leadership on strategic planning, exploration priorities, competitive ocean exploration grant programs, and other matters as the NOAA Administrator requests.

OEAB members represent government agencies, the private sector, academic institutions, and not-for-profit institutions involved in all facets of ocean exploration—from advanced technology to citizen exploration.

In addition to advising NOAA leadership, NOAA expects the OEAB to help to define and develop a national program of ocean exploration—a network of stakeholders and partnerships advancing national priorities for ocean exploration.

**Matters To Be Considered:** The OEAB will hear updates from NOAA Ocean Exploration about (1) the status of recommendations for improving Grant Program; (2) the status of NOAA's buildout of a new dedicated ocean exploration vessel; (3) the status of NOAA Ocean Exploration's FY22–27 Strategic Plan; and (4) the status of planning coordinated exploration activities in the Pacific Ocean. The Board will also hear presentations from several subject matter experts about data, technology, and operational requirements that may influence the future of Ocean Exploration. Portions of the meeting may be partially closed to the public based upon provisions of the Government in the Sunshine Act of 1976 (Pub. L. 94-409). The agenda and

other meeting materials will be made available on the OEAB website at <https://oeab.noaa.gov/>.

**Status:** The meeting will be open to the public with a 15-minute public comment period on Friday, February 18, 2022, from 12:30 p.m.–12:45 p.m. (EST). (Please check the final agenda on the OEAB website to confirm the time). The public may listen to the meeting and provide comments during the public comment period via teleconference. Participation information will be on the meeting agenda on the OEAB website.

The OEAB expects that public statements at its meetings will not be repetitive of previously submitted verbal or written statements. In general, each individual or group making a verbal presentation will be limited to three minutes. The Designated Federal Officer must receive written comments by February 10, 2022, to provide sufficient time for OEAB review. Written comments received after February 10, 2022, will be distributed to the OEAB but may not be reviewed prior to the meeting date. Comments should be submitted to Designated Federal Officer [David.Turner@noaa.gov](mailto:David.Turner@noaa.gov).

**Special Accommodations:** Requests for sign language interpretation or other auxiliary aids should be directed to the Designated Federal Officer by February 10, 2022.

**Eric Locklear,**

*Acting Chief Financial Officer/Administrative Officer, Office of Oceanic and Atmospheric Research, National Oceanic and Atmospheric Administration.*
