**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily determines that certain producers/exporters subject to this administrative review made sales of stainless steel bar (SS bar) from India at less than normal value (NV). Interested parties are invited to comment on these preliminary results of review.

**DATES:** Applicable March 4, 2022.

**FOR FURTHER INFORMATION CONTACT:** Jacob Keller or Konrad Ptaszynski, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4849 or (202) 482-6187, respectively.

**SUPPLEMENTARY INFORMATION:****Background**

On April 1, 2021, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty order on SS bar from India.<sup>1</sup> The period of review is February 1, 2020, through January 31, 2021. On September 30, 2021, we extended the preliminary results of this review to no later than February 25, 2022.<sup>2</sup> For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>3</sup>

**Scope of the Order**

The merchandise subject to the *Order* is SS bar from India. For a complete description of the scope of the *Order*, see Preliminary Decision Memorandum.

**Partial Rescission of Administrative Review**

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Commerce received a timely-filed withdrawal request from to Ambica Steels Limited (Ambica), pursuant to 19 CFR 351.213(d)(1).<sup>4</sup> Because the withdrawal request was timely filed, and no other party requested a review of the company, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to Ambica.

**Methodology**

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Export price and constructed export price are calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>. A list of the topics discussed in the Preliminary Decision Memorandum is included in the appendix to this notice.

**Preliminary Results of the Review**

As a result of this review, we preliminarily determine the following weighted-average dumping margins for the period February 1, 2020, through January 31, 2021:

Producer or exporter	Weighted-average dumping margin (percent)
Venus Wire Industries Pvt. Ltd., and its affiliates Hindustan Inox Ltd., Precision Metals and Sieves Manufacturers (India) Pvt. Ltd. <sup>5</sup>	0.00
Laxcon Steels Limited	0.65

<sup>4</sup> See Ambica's Letter, "Request for Administrative Review of Anti-Dumping Duty of Ambica Steels Limited ("Ambica")," dated February 26, 2021.

**Assessment Rates**

Upon issuance of the final results in this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries covered by this POR.<sup>6</sup> If a respondent's weighted-average dumping margin is above *de minimis* (i.e., 0.50 percent) in the final results of these reviews, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for each importer's examined sales and, where possible, the total entered value of sales. Specifically, Commerce will apply the assessment rate calculation method adopted in Final Modification for Reviews.<sup>7</sup> Where an importer- (or customer-) specific *ad valorem* rate is zero or *de minimis*, we will instruct CBP to liquidate appropriate entries without regard to antidumping duties.<sup>8</sup>

For entries of subject merchandise during the POR produced by the Venus Group and Laxcon for which they did not know their merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

**Cash Deposit Requirements**

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and,
