ELECTION ASSISTANCE COMMISSION

EAC Progress Report; Survey and Submission to OMB of Proposed Collection of Information

AGENCY: U.S. Election Assistance Commission (EAC).

ACTION: Notice; request for comment.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the U.S. Election Assistance Commission (EAC) gives notice that it is requesting from the Office of Management and Budget (OMB) approval for the information collection EAC Progress Report (EAC-PR).

DATES: Comments should be submitted by 5 p.m. EST on Friday, April 8, 2022.

ADDRESSES: To view the proposed EAC-PR format and instrument, see: <https://www.eac.gov/payments-and-grants/reporting>. For information on the EAC-PR, contact Kinza Ghaznavi, Office of Grants, Election Assistance Commission, Grants@eac.gov. All requests and submissions should be identified by the title of the information collection.

Written comments and recommendations for the proposed information collection should be sent to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

SUPPLEMENTARY INFORMATION:

Title and OMB Number: EAC Progress Report; 86 FR 73747 (Page 73747–73748, Document Number: 2021–28199)

Purpose

This proposed information collection was previously published in the **Federal Register** on December 28, 2021 and allowed 60 days for public comment. In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act (PRA) of 1995, EAC has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. The purpose of this notice is to allow an additional 30 days for public comment from all interested individuals and organizations.

The EAC Office of Grants Management (EAC/OGM) is responsible for distributing, monitoring and providing technical assistance to states and grantees on the use of federal funds. EAC/OGM also reports on how the

funds are spent to Congress, negotiates indirect cost rates with grantees, and resolves audit findings on the use of HAVA funds.

The EAC Progress Report has been developed for both interim and final progress reports for grants issued under HAVA authority. This revised format builds upon that report for the various grant awards given by EAC and provides terminology clarification. The Progress Report will directly benefit award recipients by making it easier for them to administer federal grant and cooperative agreement programs through standardization of the types of information required in progress reports—thereby reducing their administrative effort and costs.

Public Comments

We are soliciting public comments to permit the EAC to:

- Evaluate whether the proposed information collection is necessary for

the proper functions of the Office of Grants Management.

- Evaluate the accuracy of our estimate of burden for this proposed collection, including the validity of the methodology and assumptions used.

- Enhance the quality, utility, and clarity of the information to be collected.

- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review. OMB approval is requested for 3 years.

Respondents: All EAC grantees.
