SUPPLEMENTARY INFORMATION:

Proposal to renew the following currently approved collections of information:

1. **Title:** Procedures for Monitoring Bank Protection Act Compliance
OMB Number: 3064-0095.

Form Number: None.

Affected Public: Insured state nonmember banks.

Burden Estimate:

SUMMARY OF ESTIMATED ANNUAL BURDENS
[OMB No. 3064-0095]

IC Description	Type of burden (obligation to respond)	Frequency of response	Number of respondents	Number of responses per respondent	Hours per response	Annual burden (hours)

Bank Protection Act Compliance Program—Significant Revisions.	Recordkeeping (Mandatory) ...	Annually	320	1	35	11,200
Total Annual Burden Hour:	50,450

Source: FDIC.

General Description of Collection: The collection requires insured state nonmember banks to comply with the Bank Protection Act and to review bank security programs. The Bank Protection Act of 1968 (12 U.S.C. 1881-1884) requires each Federal supervisory agency to promulgate rules establishing minimum standards for security devices and procedures to discourage financial crime and to assist in the identification of persons who commit such crimes. To avoid the necessity of constantly updating a technology-based regulation, the FDIC takes a flexible approach to implementing this statute. It requires each insured nonmember bank to designate a security officer who will

administer a written security program. The security program must: (1) Establish procedures for opening and closing for business and for safekeeping valuables; (2) establish procedures that will assist in identifying persons committing crimes against the bank; (3) provide for initial and periodic training of employees in their responsibilities under the security program; and (4) provide for selecting, testing, operating and maintaining security devices as prescribed in the regulation. In addition, the FDIC requires the security officer to report at least annually to the bank's board of directors on the effectiveness of the security program.

There is no change in the method or substance of the collection. The 48,683 increase in burden hours is the result of the agency re-evaluating the time it takes for recordkeeping and reporting associated with the rule, and including new implementation burdens for new entities and entities reviewing their policies in light of mergers and other organizational changes.

2. *Title:* Mutual-to-Stock Conversion of State Savings Banks.

OMB Number: 3064-0117.

Form Numbers: None.

Affected Public: Insured state savings associations.

Burden Estimate:

Application or Notice to engage in certain activities	Reporting	On occasion ...	5	250	1,250
Total Annual Burden (Hours)	1,250

Source: FDIC.

General Description of Collection: State savings associations must file a notice of intent to convert to stock form, and provide the FDIC with copies of documents filed with state and federal banking and/or securities regulators in connection with any proposed mutual-to-stock conversion. There is no change in the method or substance of the collection.

SUMMARY: The Federal Mediation and Conciliation Service (FMCS), invites the general public and other Federal Agencies to take this opportunity to comment on the following information collection request, Arbitrator's Personal Data Questionnaire, (Agency Form R-22). This information collection request was previously approved by the Office of Management Budget (OMB) but has expired. FMCS is requesting a reinstatement without change. The Arbitrator's Personal Data Questionnaire, (Agency Form R-22), allows FMCS to comply with its statutory obligation pursuant to the statute, 29 U.S.C. 171(b), to make governmental facilities available for voluntary arbitration. To carry out this policy, FMCS have issued regulations, 29 CFR part 1404, which provide for the operation and maintenance of a roster of professional arbitrators. The arbitrators are private citizens, not employees of FMCS, and are paid by the parties for hearing and deciding the issues submitted under a collective bargaining agreement and in other circumstances. Applicants for listing on the roster submit an Arbitrator's Personal Data Questionnaire (Agency Form R-22) which is used by FMCS to evaluate their qualifications. This allows FMCS to be able to restrict its roster to qualified individuals only.

DATES: Comments must be submitted on or before May 23, 2022.

ADDRESSES: You may submit comments, identified by Arbitrator's Personal Data Questionnaire (Agency Form R-22), through one of the following methods:

I. Information Collection Request

Agency: Federal Mediation and Conciliation Service.

Form Number: OMB No. 3076-0001.

Type of Request: Reinstatement without change of a previously approved collection.

Affected Entities: Individual who apply for admission to the FMCS Roster of Arbitrators.

Frequency: This form is completed once, which is at the time of application to the FMCS Roster of Arbitrators.

Abstract: Title II of the Labor Management Relations Act of 1947, 29 U.S.C. 171(b), provides that "the settlement of issues between employers and employees through collective bargaining may advance by making available full and adequate governmental facilities for conciliation, mediation, and voluntary arbitration . . ." 29 U.S.C. 171(b). Pursuant to the statute and 29 CFR part 1404, FMCS has long maintained a roster of qualified, private labor arbitrators to hear disputes arising under collective bargaining agreements and provide fact finding and interest arbitration. The existing regulation establishes the policy and administrative responsibility for the FMCS roster, criteria, procedures for listing and removing arbitrators, and procedures for using arbitration services.

Burden: The number of respondents is approximately 100 individuals per year, which is the approximate number of individuals who request membership on the FMCS Roster. The time required to complete this questionnaire is approximately one hour. Each respondent is required to respond only once per application and to update the information as necessary.

II. Request for Comments

FMCS solicits comments to:

- i. Evaluate whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information will have practical utility.

- ii. Enhance the accuracy of the agency's estimates of the burden of the proposed collection of information.
