XVIII. Paperwork Reduction Act

The information collection requirements contained in this notice have been reviewed and approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act, 44 U.S.C. 3504(h). XIX. Authority

This is a discretionary grant program authorized under the Native American Business Incubators Program Act, Public Law 116-174, codified at 25 U.S.C. 5801. The IBIP, also known as the Native American Business Incubator's Program, is a program in which OIED provides competitive grants to eligible applicants to establish and operate business incubators that serve Tribal reservation communities. Congress enacted the Native American Business Incubators Program and required the Secretary to promulgate regulations to implement the program, see 25 U.S.C. 5804. The regulations are codified at 25

CFR part 1187 and provide the framework for operation of the grant program so that there is certainty as to who is eligible for a grant, how eligible applicants can apply for a grant, how OED will evaluate, award and administer the grants, and what terms and conditions will apply to the grants. The Final Rule enabled OED to provide grants that will stimulate economic development in reservation communities.
